Dear Nursing Applicant:

In an effort to keep our students informed of the admissions requirements as determined by the Health Technologies division, **all applicants are required to complete a Nursing Admissions Information Session online or in-person.** This session will provide you with valuable information that will assist you with the selective admissions process. It will also allow you to receive the most recent information regarding admissions requirements.

If you choose to complete the online information session, you are required to submit the electronic signature form via mail, email, fax, or hand delivery. Keep in mind that the in- person information session is no longer a mandatory requirement.

If you have previously attended a session but were not accepted to a nursing curriculum, you must reapply, complete a new Nursing Information Session (in-person or online) <u>**and**</u> complete a MAR Review if you wish to be considered for the 2019 class**. If you were in the applicant pool for the 2018 ADN Fall program but not accepted, you must reapply and complete a new MAR review to be considered for the 2019 Spring program.**

Criteria for the specific nursing programs can be found on our website at www.forsythtech.edu, go to Apply and then click on Nursing & Allied Health Admissions Requirements. Please read through the criteria and bring the packet with you to the Information Session.

Sincerely,

Jean Groome
Director of Admissions

Linda Latham
Dean, Health Technologies

On-Campus Nursing Information Session
No Reservation Required

Thursday, August 30, 2018 – 3:30 PM to 5:00 PM
