Program	## ENTREPRENEURSHIP - *Associate in Applied Science (AAS)* - *AAS Online Program:* 5 semesters, including 1 summer term - *Admission Cycle:* Every semester - *Maximum Number Admitted Annually:* Open
Career Description	Entrepreneurship is designed to provide students with the knowledge and the skills necessary for employment and growth as self-employed business owners.
Careers Available	Students will have a sound education base in entrepreneurship and be prepared to be self-employed and open their own businesses.
Entry-Level Salary	Salaries and earnings can only be determined by the success and growth of the entrepreneurial enterprise. Most entrepreneurs have a strong desire to create their own earning level without salary range restrictions.
Course of Study	Course work developing a student's ability to make informed decisions as future business owners. Courses include entrepreneurial concepts learned in innovation and creativity, business funding, and marketing. Additional course work includes computer applications and economics.
Recommended Courses and Skills	Strong math background (high school algebra strongly recommended), negotiation skills, strong written and verbal skills and leadership and teamwork skills.
Helpful Personal Attributes	Analytical and critical thinking skills, strong communication and interpersonal skills, innovative and creative thinking skills, and adaptability to various work environments. Strong tolerance for uncertainty, perseverance, and self-nurturing personality.
Program Contact	If you would like additional information about the Entrepreneurship Program, contact Deana Ray, Department Chair and Program Coordinator, at 336.734.7167 or dray@forsythtech.edu
How To Get Started	You may pick up an application at the Admissions Office, 123 Allman Center on the Forsyth Tech Main Campus, 2100 Silas Creek Parkway in Winston-Salem. You may also request an application by calling 336.734.7253 or you may apply online at www.forsythtech.edu.
