

Business Counseling Services Provided by your local Small Business Center

Forsyth Tech Small Business Center offers free, face-to-face business counseling. Whether you need assistance with starting a business, business planning, business growth, problem solving or cash flow management, our business counselors are ready to personally meet with you to discuss your business goals.

You can meet with a business counselor to address some specific concerns such as:

- ⇒ Feasibility and startup
- ⇒ Business plan evaluation
- ⇒ Funding/financing options
- ⇒ Strategic planning
- ⇒ Marketing
- ⇒ Operations

To request an appointment, visit www.forsythtech.edu/services-businesses to register for a one-on-one counseling session or call 336.631.1320 today.
