Please plan to join us January 19th as we kick off 2016 !!!

Success 2016 is an opportunity for existing and prospective small business owners to learn how The Small Business Center can help them to increase their business success.

The event will begin with the Goodwill Business Advisory Council meeting at Forsyth Tech Small Business Center at 11:45.

This lunch meeting will conclude with a panel discussion consisting of a few small business clients. We will then have client discussions, Q & A with our business counselors, mini educational events, and plenty of small business networking.
