Due to regulations that do not allow financial aid awards to exceed our established Cost of Attendance, in some cases, federal work-study awards must replace all or a portion of Federal Direct Student Loans, if they have already been awarded. If you are a loan recipient in this situation, would you prefer to:

Select One:

- Reduce the student loan amount to accept the federal work-study award
Decline the federal work-study opportunity and leave the loan award unchanged

Are you interested in a community service work-study position at a local elementary school assisting students with reading or math? Please note: A background check will be required for this position. Reliable transportation is also needed for this position. Yes No

I certify that the above information is correct to the best of my knowledge. I understand this is a preliminary screening application and that more paperwork will be required if I am selected for the program.
