

Does Your Computer Need a Tune-up?

Forsyth Tech is sponsoring a PC diagnostic clinic

Friday, March 9 • 9 am-12:30 pm • TECH 415

Are you in need of any of the following?

- Computer diagnostics
- Minor PC & Mac repairs
- Virus removal
- Spam removal
- Driver & system updates
- File system clean-up or tune-up

Come let us help with your computer maintenance needs! All work is done by Computer Technology faculty & students! Everyone can participate. We welcome faculty, staff, students, & the general public.
