

Dear Nursing Applicant:

In an effort to keep our students informed of the admissions requirements as determined by the Health Technologies division, all applicants are **required** to attend a Nursing Admissions Information Session. This session will provide you with valuable information that will assist you with the selective admissions process. It will also allow you to receive the most recent information regarding admissions requirements.

If you have previously attended a session and were placed in an applicant pool but were not accepted to a nursing curriculum, you are not automatically placed back into the applicant pool. **In addition to reapplying, you must attend a new session.**

Criteria for the specific nursing programs can be found on our website at [www.forsythtech.edu](http://www.forsythtech.edu), go to Admissions & Registration, and then click on Allied Health/Nursing Admissions. Please read through the criteria and bring the packet with you to the Information Session.

Sincerely,

*Jean Groome*  
Director of Admissions
