Fast Facts: *More Than You Know*

Learning Resources

- **Library Collection** of more than 46,000 books, 25,000 e-books, 239 periodical subscriptions, and more than 18,000 online periodical resources.
- **Learning Center** features tutoring services, academic testing make-up, and computer labs.
- **Mechtild Montgomery Language Lab** contains 20 computers for access to Rosetta Stone software. The lab is available to all staff, students and alumni.
- **Cooperative (Co-Op) Education** program allows Forsyth Tech students to integrate classroom study with supervised, work-related learning in an actual work environment. Businesses, government, and public and private agencies host qualified workers, allowing them to benefit not only from the student worker's contribution to overall productivity, but by having early access to students who will be entering the workforce.
- **Distance Learning Courses** deliver instructional content to learners across distance and time through the use of technology. Various program courses are delivered by interactive televideo, interactive Web conference, online or hybrid (partially via the internet and partially on campus.)

Annual Budget (July 2010 – June 2011)

- Total Budget: \$98,423,151
- Full-time employees: 467
- Part-time employees: 994

Named Programs

- Blynn Holocaust Collection
- Richard Childress Race Car Technology Program
- Robert F. Joyce School of Justice
- Len B. Preslar, Jr. School of Allied Health
- Paul M. Wiles School of Nursing

Endowed Programs

- **Dorothy L. Lougee Nursing Assistant Program**
- **James A. Rousseau II Minority Male Mentoring Program** provides an opportunity for minority male students to discuss issues and concerns with mentors and professionals; enhance their communication skills, self-discipline, motivation, and self-concept; develop their job-seeking skills; and increase their practical knowledge of budgeting, investments, savings and financial planning.
- **Montgomery Tucker Fund** awards grants from the fund to faculty to further their education/professional development. Inspired by the dedication of Forsyth Tech's faculty members, Mrs. Mary Tucker endowed the Montgomery Tucker Faculty Development Fund.
- **Shugart Women's Center at Forsyth Tech** promotes the educational, personal, and professional development of women attending Forsyth Tech by providing advocacy, referrals, information, and resources to assist in achieving positive outcomes.
- **Thomas H. Davis ITEC Center** provides computer training for employees at local companies and teachers in Forsyth and Stokes Counties as well as surrounding counties. It also provides computer training for students and parents. The program utilizes not only instructors at Forsyth Tech, but initiated a "Loaned Tech" program using technical employees from local companies as part-time instructors.
- **William Henry Moser Family Paralegal Program** has a dedicated classroom renovated to use state-of-the-art computers and technology needed in this profession. The program was endowed by the generosity of William and Hilda Moser.
