This was my first trip as a professor taking students abroad. Christian and his team were magnificent. Everything was taken care of, accommodations were excellent, the guides were friendly. My students had an opportunity to earn college credit while abroad and Christian personalized our trip to meet those needs. I fully recommend the Study Abroad Association, and I can't wait to attend next year.

Outstanding tours at the lowest prices in the industry. Our institution has worked with the Study Abroad Association on five study tours to locations as diverse as China, Central Europe, and Costa Rica.

SAA worked with us to build an itinerary that was both educational and a ton of fun. The local guides far exceeded our expectations.
