

**Program****BIOMEDICAL EQUIPMENT TECHNOLOGY**

- *Associate in Applied Science Degree (AAS)*
- This program is offered through an agreement with Caldwell Community College and Technical Institute
- **Program Length:** 1<sup>st</sup> year at Forsyth Tech, 2nd year at Caldwell Community College
- **Admission Cycle:** Fall
- **Maximum Number Admitted Annually:** See Advisor

**Career Description**

Involves installing, operating, troubleshooting, and repairing sophisticated devices and instrumentation used in the health care delivery system.

**Careers Available**

Graduates should qualify for employment opportunities in hospitals, clinics, clinical laboratories, shared service organizations, and manufacturers' field service. With an AAS degree and two years experience, an individual should be able to become a certified Biomedical Equipment Technician.

**Entry-Level Salary**

\$25,000 - \$35,000/yr.

**Course of Study**

The coursework in the program provides a strong foundation in mathematics, physics, anatomy and physiology and troubleshooting techniques. Emphasis is placed on preventive and safety inspections to ensure biomedical meets local and national safety standards.

**Recommended Courses and Skills**

Electronics, math, and keyboarding.

**Helpful Personal Attributes**

Problem solving skills, good communication skills, and enjoying hands-on learning.

**Program Contact**

If you would like additional information about the Biomedical Equipment Technology Program, contact Tom Roth, Program Coordinator at 336.734.7333 or [troth@forsythtech.edu](mailto:troth@forsythtech.edu).

**How To Get Started**

You may pick up an application at the Admissions Office, 123 Allman Center on the Forsyth Tech Main Campus, 2100 Silas Creek Parkway in Winston-Salem. You may also request an application by calling 336.734.7253, or you may apply online at [www.forsythtech.edu](http://www.forsythtech.edu).
