# Student Code of Conduct

# **Code of Conduct**

The act of enrollment at Forsyth Tech includes an acceptance by the student of the rules of Forsyth Tech. By enrolling, the student accepts the obligation to assist in making Forsyth Tech an effective place to conduct a learning process and to engage in the pursuit of truth, the development of self and the improvement of society. Each enrolled student is considered to be a responsible adult, and Forsyth Tech assumes and requires that students who enroll in the various programs will maintain standards of conduct appropriate to the status of students at Forsyth Tech.

Forsyth Tech has an inherent responsibility to maintain order on its campus. Therefore, students may be suspended or dismissed for behavior deemed incompatible with the mission, the regulation or the responsibility of Forsyth Tech or deemed to be in violation of any of the provisions of the code of conduct as set forth herein.

Forsyth Tech recognizes the right of an enrolled student to receive a full opportunity to learn and develop, unfettered by any and all obstacles not conducive to a sound, fundamental educational program. To this end, Forsyth Tech recognizes, declares and vests certain rights in each student enrolled at Forsyth Tech.

# **Student Rights**

### A. Legal Rights

All the rights and privileges guaranteed to every citizen by the constitution of the United States and by the state of North Carolina shall not be denied any student. Furthermore, Forsyth Tech shall adhere to all of the statutes of the United States and the state of North Carolina. Forsyth Tech has recognized the Student Government Association as the approved agency to voice students' opinions and speak on institutional policies concerning students' activities.

# B. Rights of the Learner

The instructor in the classroom and in conference shall encourage free discussion, inquiry and expression. Student performance will be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

### C. Student Records

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides safeguards regarding the confidentiality of, and access to, student records.

- 1. Students may review their educational records by making a written request to the coordinator of records.
- 2. Student records will not be reviewed by third parties unless permission is obtained in writing from the student. Exceptions may be made for instructors and administrators if the information is for legitimate educational purposes. Exceptions may also be made for parents who can verify that they claim the student as a dependent and for credentialing, auditing or accrediting organizations. The vice president of Student Services will make the final decision concerning access to records.
- 3. Official transcripts will be issued only when a written request is received from the student or upon written authorization by a student to be released to a designated entity. Transcripts from high schools or other colleges will not be released.

# D. Freedom of Association

Students are free to organize and join an association organized or existing to promote students' program or career interest. Student organizations must select a faculty advisor and submit a constitution to the Student Government Council.

#### E. Due Process

Due process procedures are established to guarantee the right of hearing, a presentation of charges, evidence for charges, the right of confrontation by the questioning of witnesses and the right to counsel by the accused student, if so requested by the student. Any student aggrieved by the violation of this code of conduct shall have the right of appeal to the student appeals committee as hereinafter provided.

# **General Campus Rules**

The following is a general summary and classification of the major rules of student conduct, and any violation shall be considered a violation of this code of conduct. For purposes of Forsyth Tech rules and regulations, Forsyth Tech grounds are defined as any location owned, leased, rented, controlled or otherwise occupied by Forsyth Tech or any division thereof.

#### Rule 1. Disruption and Disorderly Conduct

A student shall not engage directly or aid and abet in disorderly conduct that is intended to provoke violent retaliation or cause a breach of peace that disrupts, disturbs or interferes with the normal routine, activities or teaching of students, or that disrupts, disturbs or interferes with the peace, order or discipline on Forsyth Tech grounds.

House Bill 1008: It is a felony to possess or carry a firearm or explosive device on educational property or to aid a person less than 18 years old to possess or carry a firearm or explosive device on educational property. This bill makes it a misdemeanor to cause, encourage or aid a person less than 18 years old in taking or possessing other types of weapons on educational property. This bill also makes it a misdemeanor for any person who owns or possesses a firearm and who resides in the same premises as a person less than 18 years of age to store or leave the firearm in a condition that the firearm can be discharged and in a manner that the person knew or should have known that an unsupervised minor would be able to gain access to the firearm. In practice, then, this statute permits prosecution of anyone carrying any dangerous instrument in school, on school grounds or at any school activity.

#### Rule 7. Narcotics, Alcoholic Beverages and Controlled Substances

A student shall not knowingly or negligently own, possess, use, transport or be at any time under the influence of any narcotic drug, alcoholic beverage or any other controlled substance (as controlled substance is defined by the North Carolina General Statutes or 21 U.S.C. subsection 812) while on Forsyth Tech grounds or during the time when a student is participating in any Forsyth Tech activity, function or event off Forsyth Tech grounds. Shirts and shoes are required at all times while the student is on campus or at all times while such student is attending a Forsyth Tech activity, function or event off Forsyth Tech grounds. Special technical or vocational credit programs, such as the health credit programs, may require special attire for clinical or laboratory areas. A student shall not attend classes or laboratory work conducted in the clinical or laboratory areas if such student is in violation of the attire codes for such areas.

#### Rule 12. Involuntary Psychological or Psychiatric Withdrawal

It shall be grounds for dismissal if and when it shall be medically determined that a student poses a threat to the physical well-being of himself or others or if such student has a physical, mental or emotional condition of such a nature as to disturb or disrupt the normal and usual activities of other persons on campus. A student shall agree to have a psychiatric evaluation when it appears to the satisfaction of the president of Forsyth Tech, or designee, that such examination is in the best interest of the student or Forsyth Tech or both.

#### Rule 13. Children in Classrooms or Shop Areas

- **E. Suspension** Exclusion from class or classes and other student privileges or activities as set forth in the notice of suspension.

- **G. Other** Other types of discipline as set forth in campus rules and regulations consistent with the incident involved.

If, as a result of a violation of the student code of conduct a student is dismissed from class or classes, the student may receive a failing grade(s), and the disciplinary dismissal will be recorded in the student's permanent record.

The conviction of a student of a criminal offense involving personal misconduct of a kind, which, if condemned by the college, would reflect dishonor or discredit on the college, shall be sufficient grounds for suspension or dismissal of such students.

# **Enforcement Procedures**

Student conduct on a Forsyth Tech campus or student conduct during a Forsyth Tech activity, function or event held off Forsyth Tech grounds that violates federal and/or state and Forsyth Tech regulations may be dealt with in the following manner:

- 1. The student may be turned over to the civil authority and subjected only to the penalties imposed by that authority.

#### **Disciplinary Procedures** A. Instructional Areas

Any instructor may request a student to leave a class, laboratory, shop or clinical area when, in the opinion of the instructor, the student's conduct or personal demeanor disrupts normal classroom activities. If the student refuses to leave the class, the instructor may call Campus Police for assistance. The instructor, identifying the student and the cause for dismissal from class, will immediately notify in writing the division dean and the vice president of Student Services of actions taken.

The burden of requesting re-entry to class, laboratory or clinical areas will be upon the student involved. Request for re-entry must be made to the instructor before the next class meeting. If the instructor decides that the student needs additional counseling before re-entry, the instructor may require that the student meet with the division dean or the counseling staff for further discussion. If the division dean or the counseling staff decides that the student should be dismissed from the class or from Forsyth Tech, the instructor will send a written report (approved by the division dean) to the student, the vice president of Instructional Services and the vice president of Student Services. The vice president of Instructional Services will make the decision on dismissal when applicable and dismiss the student. The student will be given a copy of the report and a written notification of the decision. If a student wishes to appeal the decision, the appeal must be made by writing the student appeals committee within five days after receiving the dismissal notice.

#### **B. Non-Instructional Areas**

Any employee or student may file a written complaint for disciplinary action against any student enrolled at Forsyth Tech. The Campus Police may temporarily remove a student from campus when the student is jeopardizing the safety and security of faculty, staff and/or the student body; a written complaint must then be filed. The complaint must be filed with the vice president of Student Services, who will promptly investigate the complaint and make a decision regarding warning, suspension, dismissal or other disciplinary action. Both the complainant and the student involved will be notified in writing. If the student wishes to appeal the decision of the vice president of Student Services, the appeal must be made by writing the student appeals committee within five days after receiving the notice of the decision.

# **Student Appeals Committee**

The student appeals committee will hear the appeal of any student after the appeal process has been exhausted at the department and division levels for instructional areas or the vice president of Student Services for non-instructional areas. The student appeals committee will hear the appeal of any student regarding the following:

- 1. discipline
- 2. dismissal, except for academic standing

The chairperson may return the appeal to the student to clarify, to add factual information or to state reasons for the appeal; the chairperson may reject the appeal if policies and procedures have not been followed by the student or there is sound reason to reject the appeal.
- 2. The committee will confine itself to making a recommendation on the appeal question and not on the validity of existing policies of Forsyth Tech. The committee reserves the right to suggest to the president that a current policy be examined for continued value to Forsyth Tech.

- The committee will submit its recommendation to the president, who will make a final decision and who will notify the parties involved.
- Records of the proceedings of the student appeals committee are available upon written request to the vice president of Student Services.
- The student must obtain special permission from the vice president for Instructional Services to attend classes pending resolution of the case on appeal.

#### Appeal of Admission Decision

A student must submit a written request to appeal an admissions decision to the dean of enrollment services. If the student is not satisfied with the results of the decision, he/she can appeal to the vice president of Student Services. The vice president of Student Services will, in turn, give the appeal to the student appeals committee to hear and make recommendation (s). The committee will submit those recommendations to the president who will make a final decision.

#### **Appeal of Residency Decision**

*Residency Appeal:* In matters concerning residency classification, the vice president of Student Services will review prior decisions and all materials submitted. A decision will be rendered, and all parties will be notified in writing of the decision.

#### To appeal the vice president's decision:

The next step in the appeal process is to the state residency committee. Procedures on state appeal are available in the office of the vice president of Student Services.

# Definition of Academic Dishonesty

The following are further explanations of violations of Rule 9.

#### A. Plagiarism:

Definition: The intentional presentation of the work of another as one's own without proper acknowledgement of the source. The sole exception to the requirement of acknowledging sources is when the ideas or information are common knowledge. Plagiarism as the result of misunderstanding or misapplying the rules of documentation may be unintentional, but it is still plagiarism. Plagiarism includes but is not limited to:

- Copying from a written source, another student or a database (whether professional or nonprofessional; whether published or nonpublished) without proper citation in either a document or a speech.
- Rewording (paraphrasing) or summarizing someone else's material without proper citation in a document or a speech.
- 3. Failing to cite word-for-word passages in a document or a speech.
- 4. Using purchased pre-written materials (including computer programs and files, research designs, distinctive figures of speech, ideas and images, or generally any information belonging to another) as the student's own or having someone else do the student's work.

#### **B.** Cheating:

Definition: Intentional use or attempted use of unauthorized materials, information, notes, study aids, devices or other assistance in any academic exercise. This definition includes unauthorized communication of information during an academic exercise. Cheating includes but is not limited to:

- 1. Copying from another student's paper or receiving unauthorized assistance during a quiz, test or examination.
- 2. Procuring, without authorization, tests or examinations before the scheduled exercise (including discussion of the substance of examinations and tests when it is expected it will not be discussed).
- 3. Copying reports, lab work, computer programs or files and the like from other students.
- Collaborating on laboratory or computer work without authorization and without any indication of the

nature and extent of the collaboration.

- 5. Sending a substitute to take an examination.
- Receiving assistance in locating or using sources of information in an assignment where such assistance has been forbidden by the instructor.

#### C. Fabrication and Falsification:

Definition: Intentional alteration or invention of any information or citation in an academic exercise. Falsification refers to the alteration of information, such as altering research, clinical or practicum data. Fabrication refers to the invention or counterfeiting of information, such as inventing research or clinical data or records. It would also include altering grade reports or submitting false records for tardiness and absences for scheduled academic exercises. Altering a returned examination paper and seeking regrading also constitutes falsification.

#### **D. Multiple Submissions:**

Definition: The submission of substantial portions of the same academic work (including oral reports) for credit more than once without authorization, including submitting the same paper for credit in two courses without instructor permission.

#### E. Abuse of Academic Materials:

Definition: Intentional destruction, theft or concealment of library or other resource material or of another student's notes or laboratory experiments.

#### F. Complicity in Academic Dishonesty:

Definition: Intentionally helping or attempting to help another to commit an act of academic dishonesty, such as those acts noted above. Collaboration and sharing information are characteristics of academic communities. These become violations when they involve dishonesty. Students should seek clarification when in doubt.

These procedures are based on written requirements published in the Federal Register (29 CRF 1919.1030).

Persons infected or reasonably believed to be infected with communicable diseases shall not be excluded from enrollment or employment or restricted in their access to the institution's services or facilities unless medically-based judgments in individual cases establish that exclusion or restriction is necessary to the welfare of the individual, welfare of other members of the institution, or welfare of client, staff or students in a clinical area.

Persons who know or have a reasonable basis for believing that they have an infectious/ communicable disease that may pose a threat to others have an obligation to conduct themselves in accordance with such knowledge so as to protect themselves and others. Accordingly, employees should report this information to the Human Resources director, and students should report to the vice president of Student Services. All information will be kept confidential except to those persons determined by the Human Resources director and vice president of Student Services, as having a need to know. These persons will be informed after the individual is advised that such action will be taken.
