

## Respiratory Therapy Open House Sessions 2019- 2020

Respiratory Therapy Open House (**RTO**) sessions are held from August through March by program faculty. These RTO sessions are open to anyone with an interest in the respiratory therapy profession and more specifically, Forsyth Tech’s Respiratory Therapy Program curriculum. Detailed information about the profession of respiratory therapy, as well as the admission process, and Forsyth Tech’s curriculum offering will be covered during these sessions. As a part of the **Minimum Admission Requirements (MAR)**, prospective students who apply for the Respiratory Therapy Program **MUST complete an RTO session** and submit required program-specific forms (*these forms will be given out during the RTO session*) to program faculty. If you are not able to attend one of these in-person information sessions, please contact the Program Coordinator, John Sherman at 336-757-3320 or [jsherman@forsythtech.edu](mailto:jsherman@forsythtech.edu) to arrange an alternative. The RTO session (or alternative) and all other steps on the MAR form must be completed along with a **MAR review session meeting** with an admissions counselor **PRIOR TO** the published March applicant deadline in order to be considered for selection in the class of that same year. All RTO sessions are held on the Forsyth Tech main campus in Greene Hall, room 307 (GPS Address: 1000 Oak Grove Road, Winston-Salem, NC, 27103). Family and friends are also welcome and are encouraged to attend along with the prospective student; however, **RSVP is required**. Following is a list of RTO dates, locations, and times for fall 2019 and spring 2020:

### Fall 2019 RTO Schedule
