

**Forsyth Technical Community College
2100 Silas Creek Parkway
Winston-Salem, NC 27103-5197**

**Interventional Cardiac and
Vascular Technology (A45410)
ICVT Associate Degree**

**Priority review deadline : March 25, 2021
Final review deadline: April 29, 2021**

Interventional Cardiac and Vascular Technology (ICVT) is a selective enrollment program beginning each fall. Resources such as clinical facilities and faculty, as well as approval standards, limit the number of applicants accepted to the program to 10 students for the fall. One seat is reserved for a 2021 high school graduate. Currently enrolled high school applicants will only compete for the seat with other high school applicants. Interventional Cardiac and Vascular Technology (ICVT) is a two-year, associate degree program and all applicants must meet minimum requirements in order to be considered for admission. Please note, however, that meeting minimum requirements does not guarantee admission.

Special note: If you are just starting to work on taking classes to become competitive in the future – please look at the Related Courses on page 5 to guide you. It is not a requirement that you complete all of them before you participate in the selective admission process.

**Steps for the Selective Admission process for the Fall 2021
Interventional Cardiovascular Technology program**

- 1. Complete an application to Forsyth Tech at <https://www.forsythtech.edu/apply-ft/>**
 - New and Former students must complete the online application
 - Complete NC Residency at www.ncresidency.org
 - Submit all official transcripts from high school and colleges attended as well as AP scores if applicable for the related courses. Electronic transcripts can be sent through a secure service to admissions@forsythtech.edu or paper transcripts can be mailed to Forsyth Technical Community College Attn: Admissions 2100 Silas Creek Parkway Winston Salem, NC 27103-5197, or hand delivered in a sealed envelope to the Admissions and Records Office on the main campus.

Currently enrolled students do not need to do a new application, just complete the Limited Enrollment/Selective Admissions form and make sure the NC Residency is current.

2. Complete the required Allied Health Admissions Process form at the end of this packet and submit the form to admissions@forsythtech.edu

3. Demonstrate English and mathematics “College Readiness” levels.

- All Health Program applicants are required to demonstrate English and Mathematics college-readiness by one of the following methods:

English Readiness

- No ENG credits, but have an earned Associate or Bachelor’s degree from a regionally-accredited institution
- Documented completion of ENG 111, with a minimum grade of “C”
- Eligible to enroll in ENG 111 without the ENG 011 co-requisite, demonstrated by one of the following:
 - Graduate of a US high school with an unweighted GPA of 2.8 or higher OR HSE specific scores – see Admissions for details
 - Completion of placement test within the past 10 years and achievement of appropriate scores OR SAT/ACT specific scores – see Admissions for details
 - If you took the placement test elsewhere, you **MUST** submit those scores to Forsyth Tech Admissions.
 - Current enrollment in ENG 111 with corequisite
 - Completion of ENG 002 Tier 2

Mathematics Readiness

- **NO MAT** credits, but have an earned Associate or Bachelor’s degree from a regionally-accredited institution
- Documented completion of MAT 171 or higher-level course with a minimum grade of “C”
- Eligible to enroll in MAT 171 without the corresponding co-requisite, demonstrated by one of the following:
 - Graduate of a US high school with an unweighted GPA of 2.8 or higher OR HSE specific scores – see Admissions for details
 - Completion of placement test within the past 10 years and achievement of appropriate scores OR SAT/ACT specific scores – see Admissions for details
 - If you took the placement test elsewhere, you **MUST** submit those scores to Forsyth Tech Admissions.
 - Completion of Math 003 Tier 3

If you are unsure whether you meet either of these requirements, it is YOUR responsibility to speak with a counselor in the Admissions Office PRIOR TO completing your Minimum Admissions Requirements Review with an Admissions Counselor.

4. Demonstrate Biology competency. There are two ways to do this:

- College-level BIO/lab course with a “C” or better
- High school-level BIO/lab course with a “D” or better

5. Meet requirements of “No D or F policy”:

- While you are taking the related courses to become competitive, you must maintain a C or higher in any related course for the ICVT program
- Applicants with a D or F in any of the related courses will not be eligible to compete for the program unless they have repeated the course and earned a grade to replace the D or F (You cannot do a MAR review with a D or an F)
- This policy is in place to maintain the integrity of the program and all applicants are held to these standards. There are NO exceptions.
- * Side Note: For programs with multiple course options for a related course, applicants can replace the D or F grade with any of the course options available. For example, if the course choices are ENG 112 or ENG 114, and the applicant has a D or F in 112 then the choice is to either repeat 112 or take 114 and earn a C or higher.

6. Meet with an Admissions Counselor to do a Minimum Admissions Requirements Review

Please email admissions@forsythtech.edu to request your MAR review via email. Once we are able to complete the review virtually, you will be added to the TEAS list and someone will contact you about how to take the TEAS test. In the event that Covid-19 prevents the TEAS from being administered on campus, we will make it available to students remotely. This requires preparation 24 hours ahead of the test, so be aware that you would NOT be able to complete your MAR review and TEAS test on the day of the deadline. Further instructions will be given after you complete the MAR review.

- Email a request for a virtual MAR review to admissions@forsythtech.edu
- Please note that these dates are unavailable for MAR reviews:
 - **October 13 – school closed**
 - **November 11 – Veteran’s Day school closed**
 - **November 25-27 – Thanksgiving school closed**
 - **December 14 – January 22 – Holiday break school closed/Registration week/MLK holiday**
 - **February 15-19 – Nursing MAR’s only**
 - **3/16 – School closed All Employee Day**
 - **No MAR reviews on Fridays**

Please be aware of these days when the school is closed and expect that there will be a delay in the processing and response time on your MAR review request.

- FALL 2021 applicants can do MAR reviews between September 8th and the March 25th deadline. **** If you are in related courses for the fall 2020 semester you will have more points and be more competitive if you finish those courses first and do your MAR review after those grades are posted.**
- After the primary deadline has passed – if there are still seats available in the program, the students who complete MAR reviews by the Final deadline will compete against each other for the spaces that are left to fill.
- The MAR review is REQUIRED before you can take the TEAS at Forsyth Tech. Make sure to give yourself enough time to take the TEAS before the deadline – don't wait until the last minute!
- During this review, we will calculate your points based on grades earned in the Related Courses for the program. See page 5 for details.

7. Schedule and take the TEAS test before the deadline

- After your MAR review – you will be contacted at your Forsyth Tech email and by postcard to set up a date to take the test
- You must score a minimum of 57% to be eligible to compete for the program
- If you have taken the test elsewhere, you can turn in the scores to us at admissions@forsythtech.edu
- Tests must be less than 2 years old to the date of the deadline
- The minimum score does NOT guarantee acceptance into the program

8. Make sure you meet the Admitted Student requirements

Check page 7 of this packet!

9. Check your Forsyth Tech email and keep your phone and address updated with the office

- Four to six weeks after the deadline we will notify you via your Forsyth Tech email about your status
- You will receive an email regardless of the result – admitted, alternate, not admitted. We will not leave you without notification.
- If you are admitted to the program, there will be instructions in your admission letter with requirements that apply to admitted students – make sure to meet any of those deadlines/requirements or you can lose your seat in the program
- If you are an alternate, we will contact you by phone or email if any seats open up in the program

Understanding the Ranking Process:

When the MAR Review and TEAS score requirements are met, qualified applicants are ranked using a point system. The points come from the grades in the “related courses” that are part of the program and will not only give you points but also lighten the course load if you are admitted into the program. Then your TEAS total score is added to the Related Course points to give you the score that you are being ranked with in the competition for the program.

1. Related Courses

Points are awarded for specific course grades completed by the deadline. Grade points are valued as follows: A= 4 points, B= 3 points and C= 2 points. These points are then multiplied by the credit hours for each course. For example, English 111 (3 credit hours) with a grade of “B” (3 points) gives a student 9 total points for that course. AP credit is based upon the individual scores as follows: 5=A=4 points, 4=B=3 points and 3=C=2 points. No AP credit is awarded for a score of 2 or lower.

Related academic courses and approved substitutions are listed below. Only courses completed by the deadline will be used for ranking. Courses must be completed with a “C” or higher. Please note: if a course is repeated, the highest earned will be used in the ranking.

Related Course Titles – College Level Only

Related Courses	Course Names	Credit Hours
BIO 168 or 165	Anatomy & Physiology I	4
BIO 169 or 166	Anatomy & Physiology II	4
ENG 111	Writing and Inquiry	3
ENG 112 or 114	Prof Research & Reporting (114) or Writing/Research in the Disc (112)	3
PSY 150 or PSY 118	General Psychology (150) or Interpersonal Psychology (118)	3
Humanities/Fine Arts elective	* See specific list below	3

* Humanities/Fine Arts Elective – Select one: [ART 111](#), [ENG 231](#), [ENG 232](#), [HUM 110](#), [HUM 120](#), [MUS 110](#), [PHI 215](#), [PHI 240](#), or [REL 110](#). Consult an academic advisor concerning other possible electives.

To qualify for ranking points and transfer credit, courses must satisfy the required semester hours and descriptions. Please note that BIO 165 & 166 must be completed at the same college or university to transfer. Applicants completing BIO 168 & 169 are not restricted to taking both anatomy courses at the same college or university. No points will be awarded for BIO 163.

Please note that if a course is substituted for points, it does not guarantee that it will count towards graduation. Accepted students must confirm the course substitution with the program department chair during their first semester in the program.

2. Current High School seniors:

All 2021 HS graduates will be ranked only using the overall weighted GPA and grades in specific high school courses. Grade points are valued as follows: Honors/AP courses – A= 5 pts., B= 4pts., C= 3pts. Standard courses – A= 4 pts., B= 3pts., C= 2pts.

High school courses will only be considered for points if the applicant is a 2021 HS graduate.

2021 HS Seniors Only

Overall Weighted GPA

Algebra II

Anatomy/Physiology

Biology

Chemistry

Physics

Health Science/Occupations/Medical Careers

3. Additional Points:

Must be submitted at the time of MAR Review Please note that the items listed below are not requirements for admission to the program. Appropriate documentation must be submitted in order for points to be awarded.

Points will be granted for completion of the following:

5 points - Certified Emergency Medical Technician – EMT (must be valid and current)

2 points - Licensed CNA II (must be valid and current)

2 points - Current CPR (Healthcare Provider Level - American Heart Association)

4. TEAS Total Score

An applicant must test and meet the required minimum 57% or higher Total Score on the TEAS. This score will be used as part of the ranking process.

5. Optional: Watch a Cardiac Cath Video

Watch a 16 minute video on diagnostic heart catheterization and answer 10 questions about the video. Upon completion, you will receive up to 5 points toward your ICVT Minimum Admission Requirements (MAR) for the ICVT Program selective admissions process.

You will need the following information in order to access the ICVT Blackboard Organizational Page and enroll:

- Link: https://blackboard.forsythtech.edu/ultra/organizations/_25916_1/cl/outline
- Password: **icvtorg**

6. Total Points for Ranking

Adding together the related courses grade points, TEAS Total Score and optional video assignment will determine the applicant’s total points for ranking. Students with the highest point total will be accepted. In the event of a tie, the applicant with the higher Science Score on the TEAS will be ranked higher. An alternate list will also be developed. Applicants not admitted to the program must reapply, complete a new health information session **and** complete a new MAR Review if they wish to be considered for the following year’s class.

Accepted student data from the previous 3 years

Please note that the data below is for informational purposes only! Points and criteria vary each year. It is in a student’s best interest to accumulate as many points as possible to be as competitive as possible.

Year	Number of qualified applicants	Point range of accepted students
2020	10	110-151
2019	14	81.55 - 143
2018	11	24-84

Policy regarding Deferred Action Childhood Arrival (DACA) and Undocumented Students

Current NCCCS policy allows DACA and undocumented applicants to enroll at Forsyth Tech at the out of state tuition cost. However, acceptance to the college does not guarantee acceptance to a specific program.

DACA students are eligible to apply to an Allied Health/Nursing program.

Undocumented students are not eligible for consideration to Allied Health or Nursing programs. According to North Carolina and Federal law, undocumented students are not eligible for North Carolina professional licensure.

This policy is subject to change without notice based upon federal and state regulation

Requirements for Admitted Students ONLY

Additional Requirements for Students Accepted into the ICVT Program

1. Medical Training Certification Requirement Applicants who are accepted to the Interventional Cardiac and Vascular Technology (ICVT) program must hold a current and valid Medical Technician (EMT) certification, and/or Certified Nursing Assistant II (CNA II) **prior** to the first day of class. *EMT is recommended

2. Basic Life Support/CPR Applicants who are accepted must also obtain basic cardiopulmonary resuscitation (CPR) certification through the **American Heart Association** prior to the first day of clinical (September 18, 2020). Applicants must provide the appropriate documentation to the department to verify the certification. EMT, CNA II and CPR certification can be completed through Forsyth Tech's Corporate and Continuing Education Division (336-761-1002). *Students will also need to provide a copy of their certifications to the ICVT Program Coordinator

It is strongly recommended that you begin working on these certifications prior to acceptance to the ICVT program. EMT, Nurse Aide, and CPR training courses fill up quickly. If you are unable to complete these requirements by the deadline, please contact the ICVT Program Coordinator at 336-734-7189 immediately.

TEAS: A Guide to Student Success

Faculty and Staff at Forsyth Tech promote student success before, during, and after the ICVT Program. Success refers to academic achievement, personal and professional goal attainment, and well-being. Preparation and advisement are key components on the road to success for all students.

To better ensure your success, the ICVT faculty have adopted a program that has been demonstrated to assist you in meeting your goals. Part of the success program requirements is an assessment of essential academic skills. The assessment is known as Test of Essential Academic Skills (TEAS), a product of the Assessment Technologies Institute (ATI). The TEAS measures basic skills in the domains of reading, mathematics, science, and English language usage.

In order to help assist you in being successful on the TEAS, the college offers ACA 085 – Improving Study Skills, a 1-credit hour course. ACA 085 is offered as an 8-week, web-based (online) course so you can complete the course anywhere you have internet access. ACA 085 provides an opportunity to review basic skills on the four domains of the TEAS and offers practice tests. Completion of ACA 085 does not grant eligibility to take the TEAS nor does it grant points towards ranking.

TEAS study books are located on reserve for review in the following locations: Main Campus library (Ardmore building), Stokes County Office (Danbury), Grady Swisher Center (Kernersville), and Mazie Woodruff Center (Carver Road, Winston-Salem).

TEAS study manual and practice tests is available for purchase from our college bookstore, or through ATI online at www.atitesting.com.

1. Frequently Asked Questions

1. *When am I eligible to take the TEAS at Forsyth Tech?*

After you complete the MAR review, you are put on a list of eligible students to take the TEAS at Forsyth Tech.

You will receive information regarding the TEAS during your MAR Review. The test is given on Main Campus. You will receive an email through your Forsyth Tech email address and a postcard will be mailed to you with available dates, times, and the location for the TEAS by the TEAS Coordinator. Go to the Cashier's Window (2nd floor of the Allman Center) and pay the test fee prior to testing. On your test day, you must show the receipt of your TEAS payment along with a photo ID (driver's license or student ID).

After you complete the MAR review, you are put on a list of eligible students to take the TEAS at Forsyth Tech.

In the event that Covid-19 prevents the TEAS from being administered on campus, we will make it available to students remotely. Further instructions will be given to you after you complete the MAR Review.

2. *What are the basic steps to scheduling the TEAS?*

You will receive information regarding the TEAS during your MAR Review. The test is given on Main Campus. You will receive dates, times, and the location for the TEAS by the TEAS Coordinator. Go to the Cashier's Window (2nd floor of the Allman Center) and pay the test fee prior to testing. On your test day, you must show the receipt of your TEAS payment along with a photo ID (driver's license or student ID). **If we are still doing remote testing due to Covid -19 you will receive instructions on scheduling and payment from the TEAS coordinator.**

PLEASE NOTE: The test proctor cannot accept payment!

3. *How and when do I find my score?*

At the completion of your computerized test, you will be given instructions on how to access your score. You will be provided a copy of your score at that time.

4. *Is the test computer-based?*

Yes. A paper and pencil test is available only for students with documented disabilities requiring this accommodation.

5. *What if I have a documented learning disability with accommodations?*

When you call the TEAS Coordinator to schedule your test, you must indicate that you have documented accommodations through Forsyth Tech's Disability Services. Any accommodations must be confirmed by Disability Services and the TEAS Coordinator must be notified prior to your test date. Questions regarding accommodations can be directed to Disability Services in Robert L. Strickland Center, Room 2423. The TEAS Coordinator will provide test accommodations according to those guidelines confirmed by Disability Services.

6. *Can I take the test more than once?*

You will be allowed 3 attempts to meet the minimum Total Score. After the second attempt, if you do not achieve the minimum score, then you must wait 8 weeks to reschedule your final attempt. During this time, you are encouraged to enroll in ACA 085 or remediate on your own. If you are unsuccessful after the third attempt, you must wait one year from the date of your last attempt to be eligible to resume the TEAS testing process. You will

need to reapply for the program, and complete a Nursing Information Session and MAR Review.

7. *How long is my score valid?*

Two years from the date you took the test.

8. *If I want to improve my score, can I repeat sections of the TEAS?*

No, you must take the entire test each time.

9. *What is the required score for admission into the MRI program?*

Students must meet the required minimum 60% Total Score. This score will be recorded as part of the admissions ranking score.

10. *What do I do if my score was below the 60% Total Score or I want to increase my score in order to be more competitive for admission?*

- Review your TEAS results to identify areas in which you need to improve your score.
- Enroll in ACA 085, a one-credit course designed to assist students to remediate specifically on areas of TEAS using a web-based tutorial program, PLATO. This program will allow you to review your basic skills and test in each area for competency.
- Review the TEAS study manual located in the campus libraries, or purchase your own copy.
- Purchase the online TEAS practice assessment and check your score prior to retesting. ATI's website is www.atitesting.com.

11. *Will Forsyth Tech accept TEAS scores taken at another school?*

Yes. A copy of the **Individual Performance Profile** sheet, showing your individual scores in all sections as well as your total score, must be submitted to the Admissions Office by the application deadline. It must be the most recent version of the TEAS assessment (not version 5 or lower).

Health Admissions Agreement

I have reviewed this information and fully understand the requirements to compete for the ICVT program at Forsyth Tech. I understand that the deadlines and specific information about eligibility are located in this program packet and it is my responsibility to read and review those requirements. I also understand that if I have questions, I can contact the Admissions office at admissions@forsythtech.edu or 336-734-7556.
