Learn professional cake decorating

You are cordially invited to learn the fine art of calligraphy.

This spring we’re offering three consecutive Professional Cake Decorating courses that can prepare you to decorate cakes professionally:

- Beginning (2/4 – 2/25, TW),
- Wedding (3/3 – 3/6, MTWTh),
- Fondant (4/28 – 5/1, MTWTh)

See page 17 for details.
A message from Alan Murdock

Vice President, Economic & Workforce Development

Welcome to Your New Beginning

This time instead of me telling you about the services we offer in EWD, I’d like to introduce you to someone who’s benefited from those services. Meet Rick Franklin.

Rick moved here in 2012 and had difficulty finding a job. That led him to Forsyth Tech. I’ll let Rick tell you what happened then:

“I took advantage of everything Forsyth Tech had to offer. I took a Microsoft Office course at Goodwill, through Forsyth Tech, and got my certification. After that I went to their Employability Lab and JobLink Center, which was a very big asset to me. I was able to get leads, network, and find out things that were unbeknownst to me, like how you can search for jobs through the Chamber of Commerce website. And they also really helped me with my resume, which one of the biggest obstacles I had to overcome.”

Rick wanted to get into customer service. One day at the JobLink Center, he met a man who told him about an available job. Rick applied that day, got an interview, and is now working in customer service with a large insurance company.

“Forsyth Tech really impacted me. They helped me overcome some barriers by making me realize that, ‘Hey, you can do it.’ They were a real asset to me and I really am grateful to them.”

Rick is just one of the many people we help every day with training, guidance, advice and information. If you or someone you know is looking for a job, check out what Forsyth Tech has to offer. We want you to be our next success story.
BioNetwork offers world-class workforce training and education to the biotechnology, pharmaceutical and life science industries. The courses are short and highly focused, providing employees with needed skills in a timely and affordable manner. Qualified, industry-trained experts teach all courses.

For more information regarding BioNetwork courses and to register, please contact Jessica Enevold at 336.734.7661 or jenevold@ncbionetwork.org.

### Available Courses for Spring 2014

**Half-Day Short Courses**
- > Basic Laboratory Safety
- > Data Analysis for Analytical Chemistry using EXCEL
- > GMP Basics I
- > GMP Basics II

**One-Day Short Courses**
- > Analytical Sample Preparation
- > HPLC Basic & Troubleshooting
- > Fundamentals of FTIR

**Two-Day Short Courses**
- > HPLC Method Development Practices
- > Wet Chemistry Methods
- > Writing Effective Standard Operating Procedures (SOP’s)

**Three-Day Short Courses**
- > Fundamentals of Gas Chromatography
If you lack good reading or math skills, don’t have a high school diploma or have trouble speaking English, it can be difficult finding a good job. Forsyth Tech offers programs to help with all of these situations.

**1. Improve Your Basic Education Skills**

> **Adult Basic Education (ABE)** is designed for adults who need help with reading, writing, speaking, problem-solving and math skills. Adult Basic Education can help you function better in many ways, including on the job. For more information, call 336.734.7761.

> **Adult High School (AHS)** is a distance learning program (meaning you take courses online) that lets you learn at your own pace and on your own schedule. If you left school early and now want to finish, Adult High School is an excellent way to earn your high school diploma and enhance your employment opportunities. There is no cost to the student for Adult High School courses. For more information, call 336.734.7761.

> **General Educational Development (GED)** is a program that allows you to earn a high school equivalency diploma from the State Board of the North Carolina Community College System by taking five tests: Language Arts Writing, Social Studies, Science, Language Arts Reading and Mathematics. To be awarded a high school equivalency diploma, a total minimum score must be obtained. The cost to students to take the GED is $35. For more information, call 336.734.7761.

**How To Enroll in the AHS or GED Program**

All AHS/GED students must complete a seven-day orientation session.

Orientation schedule for West Campus requires new students to attend seven days of orientation.

- Week 1: Monday through Thursday (4 days) at:
  - 9 am (3 hours each day) or
  - 6 pm (3 hours each day)
- Week 2: Tuesday through Thursday (3 days) at:
  - 9 am (3 hours each day) or
  - 6 pm (3 hours each day)
- Week 1 of orientation meets in Room 20 on the West Campus.
- Week 2 of orientation meets in Room 29 (9 am-Noon) and Room 25 (6-9 pm)

Students attend the same session for all seven days. Late arrivals will not be admitted.

All students must bring:

- Social Security Card (signed, no copies)
- Government or State issued photo ID (no substitutions accepted)

Adult High School students must provide transcripts

Minors (ages 16 & 17) must have a Minor Release Form and Disciplinary Disclosure Form, which may be picked up in Room 111 - Educational Career Center

For more information call 336.734.7761.

**The GED program is offered in Winston-Salem at:**

- **REACT Center**, 450 W. Hanes Mill Road, 336.734.7748
- **Goodwill**, 2701 University Parkway, 336.734.7761
- **Urban League**, 201 W. 5th Street, 336.734.7761
- **West Campus**, 1300 Bolton Street, 336.734.7761

For Stokes County, please call 336.939.5402, ext. 1104 for Orientation dates and times.

**2. Improve Your Employment Search Skills**

> **English as a Second Language/English Literacy (ESL)** classes are designed to help adults with a limited knowledge of English achieve competence in speaking the language. Speaking English properly will greatly enhance job and career potential.

All new students are required to attend an orientation session.

- West Campus (1800 Bolton Street). Look for signs for directions to rooms.
- January 9, 16 and 23
  - 9 am, 3:30 pm and 6 pm
  - Please bring picture ID – (Por favor traiga identificación)
  - No appointment necessary – (No se necesita hacer cita)
  - No children – (No se permiten niños)
  - Must be 18 years and older – (debe tener 18 años o más)
  - For more information call 336.631.1325

> **Compensatory Education Development (CED)** is a program designed specifically for adults (at least age 17) who have been diagnosed as being mentally handicapped or are considered adults functioning on an equivalent level resulting from a head or brain injury. The CED program consists of the following major curriculum areas: language, community living, math, consumer education, health and vocational education. For CED Entrance Requirements, please contact Pam Glenn at 336.734.7763.

**Returning Student Orientation**

If you attended Forsyth Tech GED or AHS programs between 2010 and this year, but you have not been registered at Forsyth Tech in six months or more, you can attend our One-Day Returning Student Orientation.

Requirements:

- Attended Forsyth Tech GED/AHS Orientation between 2010 and this year.
- Six months or more have passed since your last registration.
- Have not taken any GED final exams.

**Returning Student Orientation Day, Times and Location**

- Tuesdays, 1-4 pm
- West Campus, Room 20
- Bring State or Government photo ID and Social Security Card or Tax ID number.

For more information, call 336.734.7761.

**Important Announcement**

The GED Test will be changing to a computer-based test in January 2014. At that time, any incomplete test scores will be voided and the GED candidate will have to start over. New charges for testing will apply. Questions, call 336.734.7761.

An important part of finding a job is knowing how to find a job. Forsyth Tech offers the Job Search Boot Camp and two Employability Labs to help you jump start your job search or shift it into high gear.

> **Job Search Methods, Resume Writing, Interview Skills, Career Exploration**

There is no charge for these services if you are unemployed or working and earning less than double the current poverty guidelines (e.g. earning less than $22,980 for an individual or $47,100 for a family of four).
Choose how you would like to improve your employment skills:

Job Search Boot Camp
> REACT Center (450 Hanes Mill Road), Room 10, 9 am - 1 pm
   January 16, February 20, March 20, April 17, May 15

Employability Labs
> REACT Center (450 Hanes Mill Road), Computer Lab
   Mondays and Wednesdays, 9 am-Noon
> West Campus, Room 27
   Tuesdays and Thursdays, 9 am-Noon

Employability Labs offer continuous open entry, meaning you can sign up for the class at any time. Register at Forsyth Tech’s West Campus (1300 Bolton Street or at the REACT Center, Winston-Salem). For registration information, call 336.761.1002.

3 Prove You Have The Skills Employers Need

Employers need that a prospective employee has the skills and abilities needed to do the job. The best way to do this, beyond a high school diploma or GED, is with a Career Readiness Certificate from Forsyth Tech.

> The Career Readiness Certificate (CRC) is a test-based credential that tells employers that you have workplace-ready skills in three key areas. The CRC is a nationally recognized, EEOC-compliant, industry-driven system of job profiling and assessment based on the WorkKeys™ testing program. There are no classes to attend, no books to buy and no homework to do. You simply take three tests – Applied Mathematics, Reading for Information and Locating Information. CRC testing is conducted at Forsyth Tech’s West Campus (1300 Bolton Street, Winston-Salem). The cost of the CRC testing is $30. For more information, call 336.734.7772.

4 Get Vocational or Professional Training

If you’re looking for a career with the opportunity for personal and professional advancement, you’re going to need specialized training of some kind. Forsyth Tech offers two great ways to get the education you need for a career with a future through vocational training and our credit programs. For more information, call 336.761.1002.

Training is available in these areas:
> Administrative Assistant Training
> Culinary Arts Certificate
> Customer Relations Management in a Call Center Environment
> Detention Officer Certification Training
> Electrical Lineman
> Electrician Helper
> Electrician Helper Level II/Stokes
> Emergency Medical Technician Basic
> Financial Services and Teller Training
> Food and Beverage Service Certificate
> HRD: Introduction to Biotech
> HRD: Introduction to Clerical Assistance
> HRD: Introduction to Culinary and Food Services Careers
> HRD: Introduction to Healthcare
> HRD: Employability Lab
> Human Resources Management
> HVAC Service Technician
> Interpreting in Health and Human Services
> Introduction to Office Technology
> Landscape Technician
> Medical Office I: Introduction to Terminology and Coding
> Medical Office II: Billing
> Medical Unit Secretary
> Nursing Assistant I
> Nursing Assistant II
> Office Technology
> Pharmacy Assistant
> Plumbing Helper
> Plumbing Helper Level II/Stokes
> Professional Cake Decorating Beginning, Intermediate and Advanced
> REAL Modules in Spanish
> Small Business Certification Program
> Small Business Certification Program: Stokes County

Forsyth Tech Credit Programs allow you to earn a degree, diploma or certificate in over 200 different professional and vocational areas from Accounting to Welding.

> An Associate in Science or Arts (AS or AA) degree will prepare you to transfer to a four-year school to complete a Bachelor’s degree. The AS or AA degree generally takes two years to complete.
> Specialized Associate in Applied Science (AAS) degrees are available in such growing fields as Biotechnology, Nursing, Global Logistics, Early Childhood Education and many more. An AAS degree generally takes two years to complete.
> A Diploma or a Certificate can prepare you to enter such fields as Plumbing, Carpentry, Medical Transcription, Machining Technology and many others. A Diploma or Certificate generally requires one to four semesters to complete.

For more information about Forsyth Tech Credit Programs, visit www.forsythtech.edu.

5 Get Good Advice and Counseling

One of the best things you can do when looking for a job or trying to decide on a career is sit down with someone who can give you good advice and counseling. You can find such professionals at the Forsyth Tech Educational Career/JobLink Center in Winston-Salem and Stokes County Small Business/JobLink Center in Walnut Cove.

The staff at the JobLink Centers can help you with any of the programs mentioned here:
> Adult High School (AHS), General Educational Development (GED), English as Second Language (ESL)
> HRD Employment Skills Classes (Human Resource Development)
> The Career Readiness Certificate
> Academic programs (over 190 degree, diploma and certificate pathways)

The JobLink Centers also offer:
> Career counseling, assessments and planning
> Local labor market information
> Internet access and personalized email accounts to assist in your job search
> Information and assistance for college application and financial aid
> One-on-one business development counseling

If you are looking for a job, a better job or a whole new career, visit any of these JobLink Centers:

Forsyth Tech Educational Career/JobLink Center
1300 Bolton Street
Winston-Salem, NC 336.734.7748
Website: www.ncesc.com

Forsyth County Small Business/JobLink Center

Registration Information

What You Need For Registration
Registering for an Economic & Workforce Development course at Forsyth Tech is easy. You can register online, by phone or at one of our four convenient registration locations in Forsyth and Stokes counties listed below under Walk-in Registration. When you register, you must provide all of the following information:

- Course Registration Number
- Address
- Birthdate
- Social Security Number or Student ID
- Phone Number
- Payment

You may register for more than one person, but you must supply all of the above information for each person registered.

Privacy and Your Social Security Number
Forsyth Tech takes precautions to guard against identity theft. Your Social Security number is used by Forsyth Tech only to register you in the course(s) of your choice, to assign your course grades and to develop your transcript.

Payment Options
Unless otherwise noted, you can pay with:

- Visa (credit/debit card)
- MasterCard (credit/debit card)
- Check
- Cash
- Money Order

Payment of registration, equipment and/or insurance fees must be made at the time of registration. Fee exemptions, if offered, are noted in the Class Listings. Checks should be made payable to Forsyth Technical Community College.

Keep In Mind
- Early registration is encouraged — classes fill on a “first come, first served” basis. Registration must be completed before the first class meeting. Late registration is not permitted.
- Students may no longer register for Continuing Education courses at Forsyth Technical Community College’s Main Campus.

Ways To Register

Walk-In Registration
Walk-in registration is available at five locations:

- West Campus Customer Service Center
  1300 Bolton Street, Winston-Salem
  Monday - Thursday, 8:30 am-5:30 pm
  Friday, 8:30 am-1 pm

- Mazie S. Woodruff Center
  4905 Lansing Drive, Winston-Salem
  (Payment by check, money order, Visa/Mastercard (credit/debit) only.)
  Monday - Friday, 11 am-1:30 pm

- Grady P. Swisher Center
  1251 Dudley Products Drive, Kernersville
  (Payment by check, money order, Visa/Mastercard (credit/debit) only.)
  Monday - Thursday, 8:30 am-4:30 pm
  Friday, 8:30 am-2 pm

- Forsyth Tech Stokes County Center
  1165 Dodgetown Road, Walnut Cove
  (Payment by cash, check or money order only.)
  Monday - Thursday, 8 am-5 pm
  Friday, 8 am-3 pm

- Northwest Forsyth Center
  3111 Big Oaks Drive, King
  (Payment by check or money order only.)
  Monday - Thursday, 8:30 am-4 pm
  Friday, 8:30 am-1:30 pm

- Transportation Technology Center
  4255 North Patterson Avenue, Winston-Salem
  (Payment by cash or check only.)
  Monday - Thursday, 8:30 am-5 pm (Closed Noon-1 pm)
  Friday, 8:30 am-1:30 pm

Telephone Registration
To register by phone, call 336.761.1002, Monday - Thursday, 9 am-1:30 pm; Friday, 9 am-Noon. Payment by VISA/MasterCard (credit/debit) only.

Corporate Registration
Companies registering a minimum of five employees and paying for their registration, equipment, lab, insurance or book fees by purchase order or authorization letter may use fax registration. Call 336.734.7736 to request a form. Upon completion, fax it back to 336.760.6173, attention West Campus Business Office. Employees will be registered upon receipt of the completed form. If classes are filled, the company will be notified. If you have additional questions, contact the West Campus Business Office at 336.734.7736.

Posted registration fees were in effect at the time our most recent schedule was printed and are subject to change without notice.
Important Registration Information

Course Repetition Policy
> In 1993, the N.C. legislature enacted a law that requires anyone, including senior citizens, who takes the same occupational extension course more than twice within a five-year period to pay an additional cost of $6.34-$7.03 per scheduled hour.
> Here's an example: Computer Basics costs $70 (First Time), Computer Basics costs $70 (Second Time), Computer Basics costs $152.16, (Third Time: 24 class hours x $6.34 = $152.16). This example does not reflect scheduled cost.

These fees were in effect at the time our most recent schedule was printed and are subject to change without notice. You are exempt if you are required by law to have certification/licensure.

Refund Policy
> A full refund is given if Forsyth Tech cancels a course.
> If the course has a ✓ symbol, you may get a full registration fee refund by officially withdrawing from the class before the first class meeting. After the class has started, a 75% refund can be obtained by officially withdrawing before the class has met 10% of its scheduled time.
> If the course has a ❌ symbol, you may get a full registration fee refund by officially withdrawing from the class one working day (24 hours) before the first class meeting.
> PLEASE NOTE: To request a registration fee refund in accordance with the above policy, you must officially withdraw from a class by completing and submitting a Request for Refund form to the Economic & Workforce Development Customer Service Center on West Campus. Forms are available at the Customer Service Center or you may fill out and submit the online Request for Refund form. Refunds are generally mailed within four to six weeks of receipt of the Request for Refund form and/or notification of class cancellation.
> No other refunds will be given. This includes malpractice insurance fees.

Disabilities Services
> Students, who have a disability and would like to request services and accommodations, must register with Disability Services. They will be required to provide current, official documentation of their disability. Information provided by a student is voluntary and appropriate confidentiality is maintained. Students who need assistance for academic services should call the ADA/Disabilities Services coordinator at 336.734.7155.

Fees
> Computer Use and Technology Fee All occupational courses have a $5 per course computer use and technology fee.
> Textbooks For your convenience, three options are provided for purchasing textbooks:
  • Online: Go to www.ftcc.bkstr.com. Click GO and find your course. Requires VISA or MasterCard.
  • West Campus Bookstore on Bolton Street: Call 336.734.7754 for days and hours of operation.
  • In Class: If you are taking a class at the Woodruff or Swisher Center, you may purchase your textbooks at that site the first night of class. Payment by check or money order only.
> Parking Decals Parking decals cost $25 and are nonrefundable. All EWD students who park vehicles on ANY Forsyth Tech campus (Main, Northwest Forsyth Center, Oak Grove Center, Transportation Center, West, Woodruff and Swisher) are required to purchase parking decals for all classes that meet 5 days or more. Parking decals must be purchased in person at the Customer Service Center on West Campus or at the Northwest Forsyth Center, Swisher or Woodruff Centers. Parking decals may be purchased in advance or on the first day/night of class.
Excel 2010 Intermediate ✓

In this 24-hour course, students will go beyond the basics and explore Excel 2010 in depth. New and improved features can help students be more productive, but only if they can find them when they need them. Excel 2010 includes the Microsoft Office Fluent interface, which consists of a customizable visual system of tools and commands. Other new features include: improved ribbon, backstage view, workbook management tools, improved PivotTables, and Slicers.

Prerequisite: A basic understanding of the Excel and Microsoft Windows Operating System.

Note: This course requires a textbook and students will need to bring a USB Flash Drive to class.

Course Code: 79971 Cost: $75
Date: January 10-February 28, F, 9 am-Noon
Location: West Campus, Room 122

Microsoft Office 2010 ✓

In this 24-hour course, students will learn how Microsoft Office 2010 offers flexible and powerful new ways to deliver their best work - at the office, at home, or at school. In addition to exploring the new tools offered by Office 2010, this introductory course will teach the students the basics of Word, Excel, PowerPoint and Access.

Prerequisite: A basic understanding of the Microsoft Windows operating system.

Note: This course requires a textbook and students will need to bring a USB Flash Drive to class.

Course Code: 79601 Cost: $66
Date: March 1-April 5, S, 10 am-Noon
Location: West Campus, Room 1

Web Site Design Introduction ✓

Learn how to design, create and post your very own site using Dreamweaver software. Discover low-cost marketing techniques and search engine strategies. Learn the basics of HTML and CSS.

Note: This course requires a textbook and students will need to bring a USB Flash Drive to class.

Course Code: 79564 Cost: $75
Date: January 16-March 6, TH, 6-9 pm
Location: West Campus, Room 100

Office Technology ✓

This course covers the basics of the Windows operating system, Microsoft Office software programs (Word, Excel, PowerPoint and Access), keyboarding skills, and employability skills. In Word, students will learn how to create and edit documents, create tables and use Mail Merge. In Excel, students will learn how to create and format Excel worksheets, write formulas, use built-in functions and create charts. In PowerPoint, students will acquire the skills necessary to create, edit and deliver effective presentations, which include transitions, animations, clip art and music. In Access, students will learn the basics of database design and usage, focusing on records, tables, forms and reports. After completion of this course, students will be prepared for an entry-level office position.

Prerequisite: Know how to operate a computer and a mouse.

Note: This course requires a textbook and students will need to bring a USB Flash Drive to class.

Course Code: 79624 Cost: $185
Date: January 27-April 15, MTW, 8:30 am-12:30 pm
Location: Goodwill, Room 302

QuickBooks Pro 2011 Level I ✓

Students will receive an introduction to accounting principles, customer transactions, vendor transactions and online banking. By the end of this session students will create a workbook from scratch.

Note: Students will need to bring a USB Flash Drive to class.

Course Code: 79794 Cost: $75
Date: February 4-February 27, TTH, 1-4 pm
Location: Goodwill, Room 203

QuickBooks Pro 2011 Level II ✓

Students will be introduced to physical inventory and sales tax, setting up and using payroll, and other balance sheet account transactions. Student will learn how to make journal entries, customize reports, create custom templates and close the books.

Prerequisite: QuickBooks Pro Level I.

Note: Students will need to bring a USB Flash Drive to class.

Course Code: 79878 Cost: $75
Date: March 18-April 10, TTH, 1-4 pm
Location: Goodwill, Room 203

Computer Technology

Accounting For Business ✓

This course illustrates the basics of finance and accounting; the basic accounting equation, working with T accounts, debits and credits, the accounting cycle and journal transactions, working with the general ledger, generating financial statements and working with adjusting and closing entries.

- **Course Code:** 79280  **Cost:** $85
- **Date:** March 17-May 5, M, 6-9 pm
- **Location:** Transportation Center, Room 146

Photography: DSLR II ✴️ NEW!
Now that you have completed the DSLR class, are you ready to take your skill to the next level? Then DSLR II is the class for you. This class is divided into two parts. One, a classroom phase held Wednesday evenings and the second, a shooting phase held Saturday afternoons. During the class phase students will receive technical information about the DSLR cameras, receive instructions in advanced digital manipulation skills using Adobe Photoshop CS5 and extended and suggested shooting set-ups for the Saturday location shooting phases. During the classroom phase students will learn how to work with many different techniques using their DSLR digital camera including the use of different lenses, fast and slow shutter speeds, long and short depths of field as well as white balance setting, fill flash, reflected lighting techniques and how to combine any of the above lighting techniques and how to combine any of the above

Prerequisite: DSLR

Note: All students must have a DSLR camera. In addition students should bring the following to class: lenses, a tripod and owner’s manual, paper and pencil for note taking, a USB drive with at least 2 gigabytes of memory, a card reader for their media card and (if you have one) an external flash and sync cord.

- **Course Code:** 79340  **Cost:** $85
- **Date:** March 5-March 29, W, 6-9 pm; S, 1-4 pm
- **Location:** Transportation Center, Room 146

Picture Framing and Matting ✴️
This class for beginners and continuing participants covers each step in the process of matting and framing. You will complete several projects to take home.

Note: You must provide your own supplies; the cost depends on the project. The first class is a demonstration for beginners, and you will receive information about where to get supplies.

- **Course Code:** 79281  **Cost:** $85
- **Date:** February 1-March 22, S, 9 am-Noon
- **Location:** West Campus, Room 34

- **Course Code:** 79282  **Cost:** $85
- **Date:** March 24-May 12, M, 6-9 pm
- **Location:** West Campus, Room 34

Silversmithing ✴️
This metalworking course for beginners and continuing participants focuses on fabricating jewelry. Ring design, soldering, bezel construction and stone setting are included. Continuing participants may bring their own projects to complete.

Note: You may need to purchase additional supplies costing $15 or more.

- **Course Code:** 79348  **Cost:** $95
- **Date:** January 13-March 10, M, 9 am-Noon
- **Location:** West Campus, Room 34

- **Course Code:** 79292  **Cost:** $95
- **Date:** January 15-March 5, W, 6-9 pm
- **Location:** West Campus, Room 34

- **Course Code:** 79347  **Cost:** $95
- **Date:** March 19-May 7, W, 6-9 pm
- **Location:** West Campus, Room 34

Stained Glass - All Levels ✴️
Beginners explore the qualities of stained glass methods with copper foil or leaded techniques learning fabrication processes of cutting glass, foiling, leading and soldering. Intermediate and advanced participants may explore painting with vitreous paints or fused glass elements as a component to their projects, filigree and/or sandblasting.

Note: A supply list will be provided at the first class.

Supply cost depends on individual project and may range from $50-$100.

- **Course Code:** 79357  **Cost:** $95
- **Date:** January 9-February 27, TH, 6-9 pm
- **Location:** West Campus, Room 34

- **Course Code:** 79358  **Cost:** $95
- **Date:** March 13-May 1, TH, 6-9 pm
- **Location:** West Campus, Room 34

Woodworking ✴️
This beginning woodworking course is designed to familiarize you with most woodworking hand tools and power machines used in a carpentry lab. Students will learn about equipment safety, and there will be a lecture and demonstration of the woodworking power machines. You may construct small projects such as bookcases, magazine racks, small end tables, etc.
Courses in Forsyth County

Note: You must furnish your own project materials.

Music: Mountain Dulcimer Beginner  
Is grandma’s dulcimer hanging on your wall? Bought one on a trip to Blowing Rock? Get it down and make some music! Playing a musical instrument is a good mental exercise, relieves stress, teaches discipline and is fun and satisfying. This class will cover tuning and care, a little music theory and a little playing nicely with others.  
Note: Students must provide their own dulcimer, pick, music stand, Electronic Chromatic Tuner either Snark or Korg brand ($15-$25 price range) and music books from previous classes.  
Course Code: 79267  Cost: $45  
Date: February 6-March 13, TH, 6:30-8 pm  
Location: West Campus, Room 12

Course Code: 79268  Cost: $45  
Date: March 27-May 1, TH, 6:30-8 pm  
Location: West Campus, Room 12

Music: Mountain Dulcimer Intermediate  
Intermediate dulcimer students love to play! Students will study various types of songs and playing techniques, increase their music theory through application, and perform throughout the Triad area and beyond. Often they develop their own arrangements, perform solos, and play songs in multiple parts. Participants must be proficient in reading tab, counting out the music, various tunings, and playing chord-melody and arpeggio styles. Intermediate students are expert strummers and flat pickers.  
Prerequisite: Mountain Dulcimer Beginner I and II are required or permission from the program coordinator who may be contacted at 336.734.7722 or sgriffenhagen@forsythtech.edu  
Note: Students must provide their own dulcimer, pick, music stand, Electronic Chromatic Tuner either Snark or Korg brand ($15-$25 price range) and music books from previous classes.  
Course Code: 79269  Cost: $45  
Date: February 3-March 10, M, 10-11:30 am  
Location: South Fork Recreation Center

Course Code: 79270  Cost: $45  
Date: March 24-April 28, M, 10-11:30 am  
Location: South Fork Recreation Center

Music: Mountain Dulcimer Beginner II  
Now that you know your way around the dulcimer, expand your skills by developing your right and left hand techniques for smoother and quicker playing.  
Prerequisite: Mountain Dulcimer Beginner I or permission from the program coordinator who may be contacted at 336.734.7722 or sgriffenhagen@forsythtech.edu

**Date:** April 8-May 15, TTH, 4:30-6:30 pm  
**Location:** TBA

**Professional and Career Development**

**Administrative Assistant Training ✓**

This program is not only for administrative assistants, secretaries and executive support staff who wish to upgrade or enhance their skills for new roles and expanded responsibilities, but also for those who wish to pursue these types of careers. Today’s administrative assistant requires a wide variety of skills such as project management, computer applications, organization, research, communication, customer service, electronic record keeping and event planning. To receive a certificate in this area, students must complete a series of four courses. Students will also have the opportunity to acquire a Career Readiness Certification (CRC) as part of the program.

**Note:** A DiSC profile is required for the first class and can be purchased in the bookstore.

**Course Code:** 79690  **Cost:** $130  
**Date:** January 21-April 15, T, 6-9 pm  
**Location:** REACT Center, Room 6

**AutoCAD ✓**

This course begins with an introduction to Computer Aided Drafting and AutoCAD’s drawing menus and toolbars. The class progresses to intermediate and advanced drafting, editing techniques and also includes an introduction to 3-D Computer Aided Drafting.

**Prerequisite:** A basic understanding of the Microsoft Windows operating system.

**Course Code:** 78822  **Cost:** $130  
**Date:** January 22-April 9, W, 6-9 pm  
**Location:** West Campus, Room 1
Courses in Forsyth County

- **Date:** January 27-March 17, M, 6-9 pm
- **Location:** Oak Grove Center, Room 4456

LEAN Office
Office administration can represent 60% to 80% of all costs associated with meeting customer demands. Lean Office will show you how “lean thinking” and “lean methodology” can apply to a variety of office applications, how to streamline workflow and how it can be implemented immediately. The foundation of Lean Office is based on the same proven lean methodology that has dramatically improved on-time performance and customer satisfaction, while reducing work in process, delays and errors in world class manufacturing companies. Lean Office will improve efficiency and productivity in a typical office environment. Why has lean not taken hold in the office environment? First, there is not a clear understanding of processes and office product flow. Second, there is a failure to understand waste and non-value added activities. Finally, most offices do not have a clear grasp of data needed to measure the impact of lean benefits.

- **Course Code:** 79910  Cost: $110
- **Date:** March 18-March 20, TTH 1-5 pm
- **Location:** West Campus, Room 36

**LEAN/Six Sigma Overview**
This class is an introduction to Lean and Six Sigma. Students will learn about the eight wastes, continuous flow, kanban, pull systems, problem solving and error proofing tools used in Lean. Six Sigma is a disciplined and quantitative approach involving setting up a system and process for the improvement of defined metrics in manufacturing, service or financial processes. The DMAIC model (Define, Measure, Analyze, Improve and Control) and its associated tools are used to solve problems and focus on continuous improvement to meet customer requirements. A simulation will be conducted to teach participants on how to use the pull system, kanbans and SS. Anyone interested in pursuing a Lean Six Sigma Belt will benefit from the overview class.

- **Course Code:** 79959  Cost: $110
- **Date:** May 13-May 15, TTH 1-5 pm
- **Location:** West Campus, Room 36

Notary Public Education
This course prepares students to be a commissioned/appointed Notary Public.

- **Course Code:** 79796  Cost: $60
- **Date:** January 14-January 16, TTH, 6-9 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79799  Cost: $60
- **Date:** January 21-January 23, TTH, 1-4 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79836  Cost: $60
- **Date:** February 11-February 13, TTH, 6-9 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79839  Cost: $60
- **Date:** February 18-February 20, TTH, 1-4 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79879  Cost: $60
- **Date:** March 18-March 20, TTH, 6-9 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79900  Cost: $60
- **Date:** March 25-March 27, TTH 1-4 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79913  Cost: $60
- **Date:** April 8-April 10, TTH, 6-9 pm
- **Location:** West Campus, Room 36

- **Course Code:** 79926  Cost: $60
- **Date:** April 22-April 24, TTH, 1-4 pm
- **Location:** West Campus, Room 17

Professional Cake Decorating: Beginning
This hands-on course teaches students to prepare, decorate and complete original cake designs. Develop skills in making flowers and leaves, writing, working with icing colors and decorating character and special occasion cakes and cupcakes. Students who successfully complete the course will leave with skills necessary to launch a career in cake decorating. The professional cake decorating class is part of the Institute for Hospitality Training and offered in partnership with Goodwill Industries of Northwest North Carolina.

- **Note:** The first class will be a three-hour HRD component that will help students prepare for the workforce. All students taking this course will pay a $15 supply fee to Goodwill Industries. Students will need to bring wax paper, tips and prepared butter cream icing to the second class. Ask for information regarding additional/optional supplies upon registration.

- **Course Code:** 79283  Cost: $75
- **Date:** February 4-February 25, TW, 9 am-Noon
- **Location:** Goodwill

Professional Cake Decorating: Fondant
Have you watched the cooking shows and want to try your hand at decorating a cake with Fondant icing? This course is all hands on as students learn the art of icing and decorating a cake with fondant icing. Students will learn how to make and roll fondant icing, cover a cake, smooth out icing, and cut and press flowers.

- **Prerequisite:** Professional Cake Decorating: Beginning

- **Note:** In addition to the supply list, students should bring a 1 lb. box of Dixie powdered sugar, 2 bags of mini marshmallows and 1 pkg. Crisco solid sticks. Students will need to purchase supplies, which can cost approximately $80. Students must have the supplies first night of class.

- **Course Code:** 79289  Cost: $75
- **Date:** April 28-May 1, MTWTH, 6-9 pm
- **Location:** West Campus, Room 15

Professional Cake Decorating: Wedding
Whether you want to find employment as a professional cake decorator, or just want to make beautiful cakes for personal consumption, this hands-on course will build upon the skills acquired in the beginning course. Students will learn different types of icing for wedding cakes; how to determine the number of servings from different sized cakes; how to stack cake layers; the amount of batter needed for different sized layers; and how to work with a variety of designs, including string, lace and basket weave. This course is part of the Institute for Hospitality Training. Students must attend all classes to receive a certificate of completion.

- **Prerequisite:** Professional Cake Decorating: Beginning

- **Note:** In addition to the supplies used in cake decorating, beginning, students will need to bring prepared butter cream icing, and wax paper.
**ServSafe Certification ✓**  
If you are a current worker in the food industry, this course is for you! Food safety impacts your customers, employees, and your business. ServSafe training provides the highest standard of food safety training and certification, and it is the certification the industry trusts. This 12-hour course will teach participants food safety and its critical role. This course is approved by the American National Standards Institute (ANSI) and meets the North Carolina requirement for food service workers.

- Course Code: 79538  Cost: $75  
  - Date: February 18-February 19, T, 8 am-5 pm;  
    - W, 9 am-1 pm  
  - Location: West Campus, Room 1

**SHRM Exam Prep ✓ (Listed in Professional and Career Development)**  
Prepare for the Professional in Human Resources (PHR®) or Senior Professional in Human Resources (SPHR®) certification exam using the best preparation program available! This intensive 14-week course features the most recent SHRM® Human Resource Learning System and is designed for managers and staff with experience in general management or human resource management. By attending this course, you get the added benefits of an experienced instructor, interaction with peers and a structured classroom environment that enhances learning and helps keep you on track. Additionally you will receive one year of online access to practice exams, case studies and valuable study materials. You will share real-world experiences with other HR professionals that can improve your workplace effectiveness immediately. We offer this course in cooperation with the Society for Human Resource Management (SHRM) and the Winston-Salem SHRM Chapter.

- Course Code: 79899  Cost: $995  
  - Date: January 25-May 3, S, 9 am-Noon  
  - Location: West Campus, Room 36

- Course Code: 79907  Cost: $995  
  - Date: February 4-May 13, T, 6-9 pm  
  - Location: Oak Grove Center, Room 4456

**Six Sigma Green Belt ✓**  
This course is designed to certify participants in the Lean Six Sigma Green Belt program. This certification program will equip Green Belt candidates with tools required to support Lean Six Sigma process improvement projects in their companies and ensure a minimum level of technical competence in the key Six Sigma disciplines. Upon completion, students will be knowledgeable in the five stages of the DMAIC model, able to work within a team environment and be competent to use the fundamental tools in each stage of the Lean Six Sigma process. As a component of the class, statistical software will be used to analyze data. Certification is awarded upon successfully passing a comprehensive exam and completion of a Green Belt project. Cost of class includes student materials.

- Course Code: 79211  Cost: $1,500  
  - Date: January 14-March 13, TTH, 6-9:30 pm  
  - Location: Grady Swisher Center, Room 219

  - Location: West Campus, Room 1

- Course Code: 78870  Cost: $75  
  - Date: April 12, S, 8 am-3 pm  
  - Location: West Campus, Room 1

- Course Code: 78877  Cost: $75  
  - Date: May 6, T, 8 am-3 pm  
  - Location: West Campus, Room 1

**Veterinary Assistant Training: Advanced ✓ JobsNOW**  
This advanced course will expand upon some of the small animal topics discussed in the Veterinary Assistant Training: Beginning course. Additional topics will include small animal diseases, prescription diets, evaluating laboratory tests, behavior, pharmacology and dentistry. Restraint, handling, basic husbandry and diseases of pocket pets, reptiles and birds will be discussed along with various large animal medicine topics. No hands-on opportunities with animals will be offered.  
**Prerequisite:** Completion of the Veterinary Assistant Training: Beginning course or experience as a Veterinary Assistant.

**Safe Driving Alive At 25: West Campus ✓**  
This four-hour defensive driving course is for drivers age 16-24 and is conducted in the classroom only. The purpose is to save lives through education about proper conduct and safe-driving techniques when operating a motor vehicle.  
**Note:** You are eligible to take this class only once within a three-year period. Registration by phone or walk-in only. No online registration is permitted. For more information on this West Campus class, call Forsyth Tech Customer Service at 336.761.1002.

**Defensive Driving 4-Hour ✓**  
This four-hour driver improvement program gives participants practical strategies to reduce violations and collisions. It is conducted in the classroom only.  
**Note:** You are eligible to take this course only once within a three-year period. Registration by phone or walk-in only. No online registration is permitted. For more information, call Forsyth Tech Customer Service at 336.761.1002.

**Defensive Driving 8-Hour ✓**  
This eight-hour program is designed for drivers with serious traffic violations or who have more than one pending traffic violation. It is conducted in the classroom only. The goal of the class is to provide drivers with practical knowledge and techniques to avoid collisions and violations. This course helps drivers choose safe, responsible and lawful driving behaviors. Registration by phone or walk-in only. No online registration is permitted.  
**Note:** You are eligible to take this course only once within a three-year period. For more information, call Forsyth Tech Customer Service at 336.761.1002.

**Motorcycle Safety Education: Basic ✓**  
This course provides an introduction to the fundamentals of safe, responsible motorcycling. Students will gain the knowledge and skills that lead to licensing for motorcycle operation on the streets and highways. This course consists of classroom and on-motorcycle instruction. To preview the student manual, please go to www.msf-usa.org and click on “Library/Safety Tips,” then scroll down to Basic Rider Course Handbook. **Note:** Motorcycles are provided. Students must be at least 16 years of age and have a valid driver's license and the ability to ride a bicycle. Heat and cold weather conditions may be encountered while taking the course. For more information, call Forsyth Tech Customer Service at 336.761.1002.
Business Lessons for Entrepreneurs

This seminar deals with the mental and emotional aspects of starting and running a small business rather than the Xs and Os, such as the legal structure of the business. Small business owners will learn how to find that first client, how to deal with rejection, how to sell to businesses and individuals and most importantly what owning their own business is really like.

Course Code: 79851 Cost: FREE
Date: February 26, W, 1-4 pm
Location: Transportation Center, Room TBA

The Business Plan: Why You Need One, How to Write It, and How to Use It

“Those who fail to plan, plan to fail.” In this seminar, small business owners will learn 1) why taking the time to create a plan for their business is crucial to their success, 2) what comprises a thorough, compelling plan, 3) important mistakes to avoid, and 4) what key tools and information sources are available to help them build a solid, realistic business plan. During the seminar, small business owners will review and evaluate drafts of their business plans.

Creative Marketing for Artists and Crafters

Come and find out why marketing your work is as exciting and creative as the process of making art! Learn the top ten marketing methods from over twenty-five artists—painters, sculptors, folk artists, jewelry makers, musical instrument makers, theatre artists, writers, crafters, etc.—who make their livings from their art. You will come away with a palette of bold, bright ideas and a plan to implement them. Stop suffering from starving artist syndrome and instead become a marketing maven in this fun, invigorating seminar!

Course Code: 79795 Cost: FREE
Date: January 14, T, 6-9 pm
Location: Transportation Center, Room TBA

Developing a Small Business Marketing Plan that Works

In this seminar participants focus on the development of a marketing plan and the importance of market analysis in projecting sales. Participants identify market segments and use market segmentation to project sales. Participants will analyze the connection between a business' marketing plan and cash flow statement and use market analysis to evaluate the ability of a marketing plan to produce sales. Participants will use a variety of sample tools to develop a marketing plan for a sample business.

Effective Budgeting for Grants 101 (Budget Grants)

Focus will be on the critical nature of effective budgeting in the context of the grant development process. What are the programs and initiatives of the organization seeking funding? What is the overall fund development strategy for the project/organization? Have programs and services been reviewed for cost/benefit analysis?

| Course Code: 79838 | Cost: FREE | Date: February 13, TH, 6-9 pm | Location: Transportation Center, Room TBA |

Effective Budgeting for Grants 102

Focus will be on various types of budgeting templates that are used, the relationship between budgeting and accounting, the role of leadership and staff in developing an operating budget/project budget.

| Course Code: 79844 | Cost: FREE | Date: February 20, TH, 6-9 pm | Location: Transportation Center, Room TBA |

Effective Budgeting for Grants 103

Focus will be on developing an actual budget, reviewing the budget and recommendations for increased effectiveness in the budget development process.

| Course Code: 79854 | Cost: FREE | Date: February 27, TH, 6-9 pm | Location: Transportation Center, Room TBA |

Everything You Ever Wanted to Know About Starting a Business

In this seminar participants identify the personal qualities and skills of successful business owners. Participants assess their current skills and knowledge of small business ownership and develop a learning plan to assist them in growing successful enterprises. Participants review the legal and administrative steps necessary to start a business and examine the qualities of a model business.

Planning and Developing Your Unique Business Culture (UBC): Are You Planning for Mediocrity or Extraordinary Success?
What really determines business success and failure? What are the values on which small business owners want their business to reflect—to their staff, customers and the world? What is a “business culture” and why is it important? Can small businesses really help “change the world?” These are just a few of the questions we will answer together in this fast-paced, interactive workshop. Small business owners leave this seminar inspired to think about their business in an entirely new way—and to become true business “leaders” and “innovators.” Small business owners will also identify the type of culture they want their business to thrive on, and learn practical ways to “run your business so that it doesn’t run you.”

Putting the Wow Back Into Customer Service
Sometimes we focus so much on creating the business, we forget that what got us there (to business ownership) is not necessarily what will help us maintain the business. Do you know who your real customers are and how to build their loyalty through “wowing” them with your customer service. The focus of this seminar is on identifying your small business “wow” factors and remembering to focus on your customers.

Course Code: 79803 Cost: FREE
Date: January 23, TH, 1-4 pm
Location: Transportation Center, Room TBA

Searching for a Loan for a Start-up or Business Expansion
In this seminar, participants will receive an introduction to both traditional and non-traditional sources of funding for a business operation. Participants will review the variety of resources available for funding a business start-up or expansion. The review will include information on local funding sources, the SBA loan programs (including the SBA 7a program, Micro Loan Program and the 504 Loan Program), and other non-profit organizations that do small business lending. Participants will assess the assortment of factors that a lender uses to evaluate loan applications and practice completing a loan application for a local small business funding organization.

Social Media for Small Business
Participants will learn what social media channels to participate in, as well as why. We will introduce you to the steps of contributing, collaborating, connecting and cranking (research) to grow your business. Social media has been around far too long for small businesses not to be participating in them today.

Course Code: 79938  Cost: FREE
Date: May 12, M, 8-11 am
Location: Northwest Forsyth Center, Room TBA

Technical/Trade

Electrical: Installation/Troubleshooting

This program consists of four subjects taken during one semester. After completing all four subjects, students will earn an Electrician Helper Certificate. Students successfully completing this program will be able to qualify for entry-level employment with electrical contractors, maintenance companies and apartment complexes.

Note: This is an intro class.
For more information, call 336.734.7728.
Course Code: 79058  Cost: $195
Date: February 17-May 14, MW, 6-9 pm
Location: TBA

Electrical Lineman

The Electrical Lineman Program is designed to train persons that wish to become entry-level electrical line workers for private and public utility companies and related employers. Students will learn academic and field skills necessary for entry-level workers. Safety is stressed in every aspect of the job. Students will also have the opportunity to earn a Career Readiness Certificate.

Course Code: 79581  Cost: $185
Date: January 6-March 4, MTWTH, 8 am-5 pm
Location: Northwest Forsyth Center, Room 111

Course Code: 79584  Cost: $185
Date: March 17-May 12, MTWTH, 8 am-5 pm
Location: Northwest Forsyth Center, Room TBA

HVAC Service Technician Level I

This program consists of eight subjects over two semesters. Students completing all eight subjects will earn an HVAC Service Technician Certificate. Students completing this program should be able to assist/perform basic service or preventative maintenance on residential and light commercial applications.

For more information, call 336.734.7728.
Course Code: 79055  Cost: $205
Date: February 17-May 14, MW, 6-9 pm
Location: TBA

Plumbing: Installation/Troubleshooting

This program consists of four subjects over one semester. Each subject will be covered in six, three-hour sessions. Students completing this course will earn a Plumbing Helper Certificate. Training will include the proper use of plumbing trade hand tools, power tools and other equipment in addition to OSHA safety training. Also included will be design, repair and troubleshooting of various residential and light commercial plumbing systems. Upon completion, students will be qualified to assist an average plumber in day-to-day activities.

Note: This is an intro class.
For more information, call 336.734.7728.
Course Code: 79056  Cost: $195
Date: February 17-May 14, MW, 6-9 pm
Location: Northwest Forsyth Center, Room 113

Repar/ Skills: Facilities

This is an introductory course that will give the student multiple skills in the installation and repair of common facility repairs. This course will also give the skills to repair commonly needed household problems and foster entrepreneurship.

Note: Safety glasses are required.
Course Code: 79294  Cost: $185
Date: March 3-May 7, MTW, 8 am-Noon
Location: TBA

Welding: ARC

This course will instruct students in welding safety of the Shield Metal Arc Welding process (SMAW-Stick), proper techniques and electrode selection for welding plate to meet AWS (vertical-up) welding code. Students will be welding with E6010 and E7018. Upon completion of the class the students should have the skills to pass the 3G/4G weld test to AWS standards.

The course is 96-hours of instructions, lectures and hands-on practice.

Note: Students are required to have their own safety glasses.
Course Code: 79052  Cost: $215
Date: January 22-May 12, MW, 6-9 pm
Location: TBA

Welding: MIG

This course will instruct students in welding safety of the Metal Inert Gas/Metal Flux-Core Welding process (MIG/MFC-Wire), proper techniques, machine setup, inert gas and wire selection for welding both light and heavy plate to meet AWS (vertical-down and flat) welding code. Students will be welding with solid and flux core wires. Upon completion of the class the students should have the skills to pass the 1G/2G & 3G/4G weld test to AWS standards.

The course included 96-hours of instruction, lectures and hands-on practice. After completing this course, students may retake the course at an advanced level.

Note: Students are required to have their own safety glasses.
Course Code: 79054  Cost: $215
Date: January 23-May 13, TTH, 6-9 pm
Location: TBA

Nursing Assistant II Competency Assessment Course (Review Course)

Activity Director ✓
This course is designed to provide basic training to individuals desiring to become an Activity Director in a healthcare related setting, such as long term care or assisted living facilities or adult care homes. This course follows the state approved course outline including 1) an overview of the Activity Director profession, 2) Human Development and the Aging Process, 3) Standards of Practice, 4) Activity Care Planning and 5) Methods of Service Delivery. Persons completing the entire 60 hours of training become qualified to work as an Activity Director in a Nursing Home or Assisted Living Facility.

Prerequisite: High school diploma, high school transcript, GED, or college diploma are required.

Note: Students must bring a copy of proof of high school graduation, college graduation or GED to Customer Service for verification in order to register.

Autism Paraprofessional ✓ NEW!
This course is designed to prepare individuals to provide direct services to children with autism spectrum disorders (ASDs). Care-givers may work in educational, home-based, or community settings. Emphasis is on understanding ASDs, working with families of children with ASDs, managing challenging behaviors associated with ASDs and evidence-based practices for targeting communication, play, self-help, and social skills of children with ASDs. Class will also cover consumer safety and rights and ethical considerations. The course also includes a practicum component, which will be completed at an autism specialty school. Upon satisfactory completion of the course, the student will receive a certificate of completion, which should enhance employment opportunities in the field of autism treatment and education. This course consists of 30 hours of classroom and 48 hours of practicum. The practicum will be during the day (8:45 am-2:45 pm) beginning a few weeks after class starts. Students will sign up for days/times the first day of class.

Note: Currently enrolled curriculum students can receive course credit for EDU248 upon successful completion of this course. Contact Judy Snowden for details at 336.754.7749.

Prerequisite: Picture ID, Social Security card and other required documents to Orientation. Refer to Prerequisites under class descriptions for these documents.

NEW: Healthcare Clinical Fee
Healthcare facilities providing clinical experiences for Forsyth Technical Community College programs require criminal background checks and drug screens on all employees and students working in their facilities. The screening company meets compliance standards of the healthcare agencies and Forsyth Technical Community College.

The screening company shares findings of the screening only with the clinical site and the student. Healthcare facility representatives review the finding on the background check/drug screen and determine whether students are eligible to participate in clinical education.

The cost of the screening begins at $70.00 and is the sole responsibility of the student. Students are to begin the background check/drug screen process before they register for a Health Education class. However, information will not be sent to a clinical site until after the student registers.

If a student is denied by the clinical site, this proactive approach may enable the student to receive a full refund. Criminal background check/drug screen is valid for 12 months and must be current at the time of clinicals.

Note: No written exam required for this course. Upon successful completion, the student will be awarded Heartsaver CPR certification.

The Dorothy L. Lougee Nursing Assistant I Program
This state approved course introduces basic nursing skills required to provide personal care for patients, residents, the elderly or others requiring medical assistance in a healthcare setting. Emphasis is placed on the aging process, communications, patient’s safety, patient’s rights, personal care, vital signs, elimination, nutrition, emergencies, rehabilitation and mental health. CPR certification is included in the class. Through classroom instruction, laboratory work and clinical rotations, students are prepared to take the NC Nurse Aide I Competency Evaluation, a requirement in order to be listed on the NC Nurse Aide I Registry.
Prerequisite: Successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card, high school diploma or high school transcript or GED or college diploma are required. Students must also attend an orientation session and present receipts from the criminal background check and drug screening before they will be allowed to register for class.
Note: In addition to the registration fee, students will be charged an $18 non-refundable insurance fee, which is valid for one year.
Course Code: 79828 Cost: $203
Date: January 7-February 27, MTWTHF, 8 am-2:30 pm
Location: Northwest Forsyth Center, Room 138

Course Code: 79388 Cost: $203
Date: January 14-May 13, TTH, 8-3:30 pm
Location: Grady Swisher Center, Room 236

Economic & Workforce Development Registration: 336.761.1002
Courses in Health and Safety

**The Dorothy L. Lougee Nursing Assistant I Review Program ✓**

This course is designed to update individuals who have been listed within the previous three years on the North Carolina Nurse Aide I Registry but let their certification lapse. This course is also a review for Nursing Assistants registered in another state who are seeking certification as a Nursing Assistant in North Carolina. This course provides individuals with a review of the knowledge, skills and abilities that must be demonstrated on the National Nurse Aide Assessment Program (NNAAP) Examination necessary for listing on the North Carolina Nurse Aide I Registry.

**Prerequisite:** Successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department) and ONE of the following: 1) NC Nursing Assistant I Registry listing (expired within the past 3 years) or 2) Registry listing from another state (within the past 3 years) or 3) certificate of completion from state approved NA I course (in the past year) or 4) RN/LPN (in the past 5 years). A picture ID, Social Security Card and high school diploma or high school transcript or GED or college diploma are required.

**Note:** Students who make 3 attempts to pass the Skills and Written examination within 2 years of completion of an NA I training program are to retake a state approved training program prior to retaking the state exam. This is a NC requirement.

**The Dorothy L. Lougee Nursing Assistant II Program ✓ JobsNOW**

This course provides Basic NA II nursing skills taught in accordance with the North Carolina Board of Nursing. Tasks include oxygen therapy, suctioning, sterile dressing changes, IV fluid assistive activities, ostomy care, gastrointestinal feedings/vasoactive feedings and catheterizations. Classroom, laboratory and clinical learning experiences are included. Upon successful completion of the course and skill/competency evaluation, the student is eligible to apply for listing as a Nurse Aide II by the NC Board of Nursing Nurse Aide Registry.

**Prerequisite:** Current NC Nursing Assistant I Registry listing, successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), picture ID, Social Security Card and high school diploma or high school transcript or GED or college diploma are required. Students must also present receipts from the criminal background check and drug screening before they will be allowed to register for class. Current CPR (AHA) Healthcare Provider certification is required before clinical.

**Note:** In addition to the registration fee, students will be charged an $18 non-refundable insurance fee, which is valid for one year.

**EKG Technician ✓**

This course is designed to prepare students to perform basic EKGs. Students will gain knowledge of cardiac terminology, understand the structure and function of the heart, and become familiar with the anatomy and physiology of the heart. Students will gain a basic understanding of the electrical conduction system and how it affects heart function. Based upon this knowledge, students will understand why an EKG is done. Students will also understand the cardiac cycle, be able to identify common artifacts, demonstrate patient preparation, as well as proper placement of EKG leads. Students will learn how to operate an EKG monitor, run a strip accurately, and mount it properly. Upon successful completion of the course, students will receive a certificate of completion.

**Prerequisite:** High school diploma or high school transcript or GED or college diploma, successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department). Successful completion of NAII, NAII or Phlebotomy is recommended.

**Note:** The EKG Technician course is designed to complement other healthcare certifications such NAII, NAI, EMT, and/or Phlebotomy.

**Emergency Medical Technician Basic ✓ JobsNOW**

This course covers anatomy and physiology, initial patient survey and triage, basic and advanced airway management, oxygen therapy, and treatment of traumatic and medical emergencies. Additional areas of study are CPR, automated external defibrillator and general pharmacology. This course follows the guidelines established by the N.C. Office of Emergency Medical Services (EMS) and is conducted by an approved Basic or Advanced Institution. The lead instructor for the EMT educational program is certified as a N.C. Level I Instructor/Coordinator. The EMT course is designed for those interested in working in public safety (Emergency Medical Service, Fire Service and Police) or in increasing their knowledge in handling emergency situations. Students who successfully complete this course are eligible to take the N.C. Emergency Medical Technician credentialing examination and/or the National Registry examination.

**Prerequisite:** Successful completion of an exam assessing basic reading comprehension skills at the 10th grade reading level.

For more information, call 336.757.3054.

**Introduction to Healthcare ✓**

This course is designed to allow students to explore the healthcare culture and employment opportunities within the healthcare field. It provides students with basic information for a career in healthcare and planning for future goals. Students will also receive human resource development instruction, which will strengthen professional skills needed in the healthcare environment. Topics include teamwork, communications, customer service skills and problem solving. In addition, students will be given a Career Readiness Certification (CRC) assessment and learn how to use this assessment for employment.

**Note:** This course is FREE if you are unemployed or meet specific income criteria.

**Massage: Introduction to Massage ❖**

Learn basic massage strokes including effleurage, petrissage, friction, tapotement and vibration to be used on members of a person’s immediate family and/or friends. This course does not qualify participants to become licensed massage therapists. Please see our college catalog credit program for information regarding this 500+ hour training and eligibility for state licensure.

**Note:** NC Practice Act, Article 36, Section 90-623, License required. (a) A person shall not practice or hold out himself or herself to others as a massage and bodywork therapist without first applying for and receiving from the Board a license to engage in that practice.

**Medication Aide ✓**

This course is designed to meet the training requirements to become qualified as a Medication Aide. It will cover the six rights of medication administration for non-licensed personnel. Topics will include medication administration via the oral, topical and instillation routes, medical asepsis, hand hygiene, terminology and legal implications. Upon completion, students should be prepared to take the competency exam and demonstrate skills necessary to qualify for listing on the North Carolina Medication Aide Registry.

**Prerequisite:** 3-6 months minimum direct patient care experience with a letter of recommendation on letterhead from an RN who supervised student’s work within the past 2 years (a letter of recommendation from NAI or NAII instructor is not sufficient), successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card and one of the following, high school diploma or high school transcript or GED or college diploma are required.

**Note:** To pursue a Medication Aide position in a Skilled Nursing Facility, a current State NAI Registry certification is required.

Bb: AAPC Exam Review ✓
This 50-hour advanced online course provides students the opportunity to prepare for the National CPC Certification exam administered by the American Academy of Professional Coders (www.aapc.com). Medical Terminology, Anatomy & Physiology, ICD-9 Diagnostic Coding, CPT Procedural Coding and HCPCS level II are some of the topics reviewed. Students will utilize interactive online tools and information, including mock exam questions to ensure comprehensive preparation for the exam. This is the final course in the online series for students seeking to take the Certified Professional Coder (CPC) credentialing exam.
Course Code: 79473 Cost: $130
Date: February 3-April 6

Bb: Anatomy & Physiology for Non-Credit Students ✓
This 50-hour online course will introduce basic anatomy, physiology and pathology. Emphasis is placed on the relationships between the human body structure, health and disease. Upon completion, students will be able to identify body system components and functions relating this knowledge to the delivery of healthcare. This course will serve as an excellent primer for students entering further educational training in the medical field as well as deliver essential anatomy and pathophysiology information for medical coders preparing for the transition to ICD-10.
Course Code: 79474 Cost: $130
Date: February 10-April 13

Bb: Medical Assisting Review ✓
This course is designed to allow students the opportunity to refresh information needed in order to take the AAMA certification exam or the AMT exam for registration. This course will cover the materials documented in the AAMA Certification Review. Upon completion, students should be prepared to sit for either the AAMA certification exam and/or the AMT exam for registration based on their personal review of the material. Completion of this course does not in any way determine the pass or fail outcome of the national exams. This is designed as a preparatory review.
Prerequisite: Students must be in the last semester of their AAS medical assistant program, or students may have graduated from a CAAHEP accredited diploma or AAS Medical Assisting program.
Important: Contact Anna Hilton at 336.734.7362 for verification prior to registration.
Note:
• This course requires Internet access, an email address and a web browser.
• The registration deadline for this course is noon one week prior to the start date of the course.
• To receive a full refund, requests should be made prior to the start date of the course. On the start date, students may apply for a 75 percent refund if they have not completed the first assignment. Refunds may be requested online or onsite at the West Campus.
Course Code: 79751 Cost: $130
Date: March 11-April 22
