**anatomy &
physiology**

are now offered online!

*It's official! ICD-10 will be implemented on October 1, 2014, so
start your preparation for the increased clinical specificity requirements
by brushing up on your Anatomy and Physiology now!*

Call 336.761.1002 for more information.

**learn
medical
coding
online!**

Online Blackboard (Bb) courses are now available in:

- > Medical Terminology*
- > Medical Coding – ICD-9*
- > Medical Coding – CPT*
- > AAPC Exam Review Course*

*These courses will prepare you for professional
certification as a Certified Professional Medical Coder.*

For more information, call 336.761.1002.

Welcome to Your New Beginning

A message from Alan Murdock

Vice President, Economic & Workforce Development

The Economic and Workforce Development division at Forsyth Tech encompasses a wide range of programs, and one of our most popular is the General Education Development (GED®). Each year, hundreds of men and women, lacking their high school diploma, come to Forsyth Tech to get their GED. For many, it is the key to a better job and more opportunity.

Beginning January 1st, 2014, however, the path to getting a GED will change. Here are the differences you need to be aware of:

- Currently the GED consists of five tests: Language Arts, Reading; Language Arts, Writing; Mathematics; Science; and Social Studies. The new GED will have four tests: Reasoning through Language Arts; Mathematical Reasoning; Science; and Social Studies. The new tests are expected to be more difficult than the current tests.
- Currently the five tests can be taken on paper or computer. The four new tests will only be available on a computer.
- The current cost to complete all five tests at Forsyth Tech is \$35.00. We expect the cost to take the new tests to rise significantly.

There is one other very important thing you need to know: no current GED test scores will carry over to the new test. So even if you have completed four of the five current tests as of January 1st, 2014, you will still have to start over and complete all four of the new tests to get your GED. For that reason, I urge anyone who has completed part of the GED testing to finish the process before the end of 2013.

If you have questions about the current or new GED program, call us at 336.734.7761.

Alan Murdock

- > GMP Basics: QC Lab Operations

- > Raw Materials in the Pharmaceutical Industry
- > Technical Report Writing
- > Understanding Process Variables
- > Understanding Controlled Environments and Processes
- > Wet Chemistry Methods
- > Writing Effective Standard Operating Procedures (SOP's)

One-Day Short Courses (\$100)

- > Analytical Sample Preparation
- > Basic HPLC & Troubleshooting
- > Fundamentals of FT-IR
- > Introduction to Chemical Processes
- > Method Development Practices
- > Pharma Packaging and Labeling

Two-Day Short Courses (\$165)

- > Basics of Chemical Analysis
- > Fundamentals of Gas Chromatography

Three-Day Short Courses (\$225)

- > Microbiology and Sterile Techniques
- > Working with DNA

For more information regarding BioNetwork courses and to register, please contact Tara Massie at 336.734.7659 or massiet@ncbionetwork.org.

Career Improvement Center

If you lack good reading or math skills, don't have a high school diploma or have trouble speaking English, it can be difficult finding a good job. Forsyth Tech offers programs to help with all of these situations.

1 Improve Your Basic Education Skills

> **Adult Basic Education (ABE)** is designed for adults who need help with reading, writing, speaking, problem-solving and math skills. Adult Basic Education can help you function better in many ways, including on the job. For more information, call 336.734.7761.

> **Adult High School (AHS)** is a distance learning program (meaning you take courses online) that lets you learn at your own pace and on your own schedule. If you left school early and now want to finish, Adult High School is an excellent way to earn your high school diploma and enhance your employment opportunities. There is no cost to the student for Adult High School courses. For more information, call 336.734.7761.

> **General Educational Development (GED)** is a program that allows you to earn a high school equivalency diploma from the State Board of the North Carolina Community College System by taking five tests: Language Arts Writing, Social Studies, Science, Language Arts Reading and Mathematics. To be awarded a high school equivalency diploma, a total minimum score must be obtained. The cost to students to take the GED is \$35. For more information, call 336.734.7761.

How To Enroll in the AHS or GED Program

All AHS/GED students must complete a seven-day orientation session.

Orientation schedule for West Campus requires new students to attend seven days of orientation.

- > Week 1: Monday through Thursday (4 days) at:
 - 9 am (3 hours each day) or
 - 6 pm (3 hours each day)
- > Week 2: Tuesday through Thursday (3 days) at:
 - 9 am (3 hours each day) or
 - 6 pm (3 hours each day)
- > Week 1 of orientation meets in **Room 20** on the West Campus.
- > Week 2 of orientation meets in **Room 29** (9 am-Noon) and **Room 25** (6-9 pm)

Students attend the same session for all seven days. Late arrivals will not be admitted.

All students must bring:

- > Social Security Card (signed, no copies)
- > Government or State issued photo ID (no substitutions accepted)

Adult High School students must provide transcripts

Minors (ages 16 & 17) must have a Minor Release Form and Disciplinary Disclosure Form, which may be picked up in Room 111 - Educational Career Center

For more information call 336.734.7761.

The GED program is offered in Winston-Salem at:

REACT Center, 450 W. Hanes Mill Road, 336.734.7748

Goodwill, 2701 University Parkway, 336.734.7761

Urban League, 201 W. 5th Street, 336.734.7761

West Campus, 1300 Bolton Street, 336.734.7761

For Stokes County, please call 336.593.5402, ext.1104 for Orientation dates and times.

> **English as a Second Language/English Literacy (ESL)** classes are designed to help adults with a limited knowledge of English achieve competence in speaking the language. Speaking English properly will greatly enhance job and career potential.

All new students are required to attend an orientation session.

- West Campus (1800 Bolton Street). Look for signs for directions to rooms.
- May 9, 16 and 23
- Please bring picture ID – (Por favor traiga identificacion)
- No appointment necessary – (No se necesita hacer cita)
- No children – (No se permiten ninos)
- Must be 18 years and older – (18 anos o mas)
- For more information call 336.631.1325

> **Compensatory Education Development (CED)** is a program designed specifically for adults (at least age 17) who have been diagnosed as being mentally handicapped or are considered adults functioning on an equivalent level resulting from a head or brain injury. The CED program consists of the following major curriculum areas: language, community living, math, consumer education, health and vocational education. For CED Entrance Requirements, please contact Pam Glenn at 336.734.7763.

Returning Student Orientation

If you attended Forsyth Tech GED or AHS programs between 2010 and this year, but you have not been registered at Forsyth Tech in six months or more, you can attend our One-Day Returning Student Orientation.

Requirements:

- Attended Forsyth Tech GED/AHS Orientation between 2010 and this year.
- Six months or more have passed since your last registration.
- Have not taken any GED final exams.

Returning Student Orientation Day, Times and Location

- Tuesdays, 1-4 pm
- West Campus, Room 20
- Bring State or Government photo ID and Social Security Card or Tax ID number.

For more information, call 336.734.7761.

Important Announcement

The GED Test will be changing to a computer-based test in January 2014. At that time, any incomplete test scores will be voided and the GED candidate will have to start over. New charges for testing will apply. Questions, call 336.734.7761.

2 Improve Your Employment Search Skills

An important part of finding a job is knowing how to find a job. Forsyth Tech offers the Job Search Boot Camp and two Employability Labs to help you jump start your job search or shift it into high gear.

> Job Search Methods, Resume Writing, Interview Skills, Career Exploration

There is no charge for these services if you are unemployed or working and earning less than double the current poverty guidelines (e.g. earning less than \$22,980 for an individual or \$47,100 for a family of four).

Career Improvement Center

Choose how you would like to improve your employment skills:

Job Search Boot Camp

- > REACT Center (450 Hanes Mill Road), Room 10, 9 am - 1 pm
August 15, September 19, October 17, November 21, December 19

Employability Labs

- > REACT Center (450 Hanes Mill Road), Computer Lab
Mondays and Wednesdays, 9 am-Noon
- > West Campus, Room 27
Tuesdays and Thursdays, 9 am-Noon

Employability Labs offer continuous open entry, meaning you can sign up for the class at any time. Register at Forsyth Tech's West Campus (1300 Bolton Street or at the REACT Center, Winston-Salem). For registration information, call 336.761.1002.

3 Prove You Have The Skills Employers Need

Employers need to know that a prospective employee has the skills and abilities needed to do the job. The best way to do this, beyond a high school diploma or GED, is with a Career Readiness Certificate from Forsyth Tech.

> **The Career Readiness Certificate (CRC)** is a test-based credential that tells employers that you have workplace-ready skills in three key areas. The CRC is a nationally recognized, EEOC-compliant, industry-driven system of job profiling and assessment based on the WorkKeys™ testing program. There are no classes to attend, no books to buy and no homework to do. You simply take three tests – Applied Mathematics, Reading for Information and Locating Information. CRC testing is conducted at Forsyth Tech's West Campus (1300 Bolton Street, Winston-Salem). The cost of the CRC testing is \$30. For more information, call 336.734.7772.

4 Get Vocational or Professional Training

If you're looking for a career with the opportunity for personal and professional advancement, you're going to need specialized training of some kind. Forsyth Tech offers two great ways to get the education you need for a career with a future through vocational training and our credit programs. For more information, call 336.761.1002.

Training is available in these areas:

- | | |
|--|---|
| > Administrative Assistant Training | > Human Resources Management |
| > Culinary Arts Certificate | > HVAC Service Technician |
| > Customer Relations Management in a Call Center Environment | > Interpreting in Health and Human Services |
| > Detention Officer Certification Training | > Introduction to Office Technology |
| > Electrical Lineman | > Landscape Technician |
| > Electrician Helper | > Medical Office I: Introduction to Terminology and Coding |
| > Electrician Helper Level II/Stokes | > Medical Office II: Billing |
| > Emergency Medical Technician Basic | > Medical Unit Secretary |
| > Financial Services and Teller Training | > Nursing Assistant I |
| > Food and Beverage Service Certificate | > Nursing Assistant II |
| > HRD: Introduction to Biotech | > Office Technology |
| > HRD: Introduction to Clerical Assistance | > Pharmacy Assistant |
| > HRD: Introduction to Culinary and Food Services Careers | > Plumbing Helper |
| > HRD: Introduction to Healthcare | > Plumbing Helper Level II/Stokes |
| > HRD: Employment Lab | > Professional Cake Decorating Beginning, Intermediate and Advanced |

- > REAL Modules in Spanish
- > Small Business Certification Program: Stokes County

Forsyth Tech Credit Programs allow you to earn a degree, diploma or certificate in over 200 different professional and vocational areas from Accounting to Welding.

- > **An Associate in Science or Arts (AS or AA)** degree will prepare you to transfer to a four-year school to complete a Bachelor's degree. The AS or AA degree generally takes two years to complete.
- > **Specialized Associate in Applied Science (AAS)** degrees are available in such growing fields as Biotechnology, Nursing, Global Logistics, Early Childhood Education and many more. An AAS degree generally takes two years to complete.
- > **A Diploma or a Certificate** can prepare you to enter such fields as Plumbing, Carpentry, Medical Transcription, Machining Technology and many others. A Diploma or Certificate generally requires one to four semesters to complete.

For more information about Forsyth Tech Credit Programs, visit www.forsythtech.edu.

5 Get Good Advice and Counseling

One of the best things you can do when looking for a job or trying to decide on a career is sit down with someone who can give you good advice and counseling. You can find such professionals at the Forsyth Tech Educational Career/JobLink Center in Winston-Salem and Stokes County Small Business/JobLink Center in Walnut Cove.

The staff at the JobLink Centers can help you with any of the programs mentioned here:

- > Adult High School (AHS), General Educational Development (GED), English as Second Language (ESL)
- > HRD Employment Skills Classes (Human Resource Development)
- > The Career Readiness Certificate
- > Academic programs (over 190 degree, diploma and certificate pathways)

The JobLink Centers also offer:

- > Career counseling, assessments and planning
- > Local labor market information
- > Internet access and personalized email accounts to assist in your job search
- > Information and assistance for college application and financial aid
- > One-on-one business development counseling

If you are looking for a job, a better job or a whole new career, visit any of these JobLink Centers:

Registration Information

What You Need For Registration

Registering for an Economic & Workforce Development course at Forsyth Tech is easy. You can register online, by phone or at one of our four convenient registration locations in Forsyth and Stokes counties listed below under Walk-in Registration. When you register, you must provide all of the following information:

- > Course Registration Number
- > Address
- > Birthdate
- > Social Security Number or Student ID
- > Phone Number
- > Payment

You may register for more than one person, but you must supply all of the above information for each person registered.

Privacy and Your Social Security Number

Forsyth Tech takes precautions to guard against identity theft. Your Social Security number is used by Forsyth Tech only to register you in the course(s) of your choice, to assign your course grades and to develop your transcript.

Payment Options

Unless otherwise noted, you can pay with:

- > Visa (credit/debit card)
- > MasterCard (credit/debit card)
- > Check
- > Cash
- > Money Order

Payment of registration, equipment and/or insurance fees must be made at the time of registration. Fee exemptions, if offered, are noted in the Class Listings. Checks should be made payable to Forsyth Technical Community College.

Keep In Mind

- > Early registration is encouraged – classes fill on a “first come, first served” basis. Registration must be completed before the first class meeting. Late registration is not permitted.
- > Students may no longer register for Continuing Education courses at Forsyth Technical Community College’s Main Campus.

Ways To Register

Walk-In Registration

Walk-in registration is available at five locations:

- > **West Campus Customer Service Center**
1300 Bolton Street, Winston-Salem
Monday - Thursday, 8:30 am-5:30 pm
Friday, 8:30 am-1 pm
- > **Mazie S. Woodruff Center**
4905 Lansing Drive, Winston-Salem
(Payment by check, money order, Visa/Mastercard (credit/debit) only.)
Monday - Friday, 11 am-1:30 pm
- > **Grady P. Swisher Center**
1251 Dudley Products Drive, Kernersville
(Payment by check, money order, Visa/Mastercard (credit/debit) only.)
Monday - Thursday, 8:30 am-4:30 pm
Friday, 8:30 am-2 pm
- > **Forsyth Tech Stokes County Center**
1165 Dodgetown Road, Walnut Cove
(Payment by cash, check or money order only.)
Monday - Thursday, 8 am-5 pm
Friday, 8 am-3 pm
- > **Northwest Forsyth Center**
3111 Big Oaks Drive, King
(Payment by check or money order only.)
Monday - Thursday, 8:30 am-4 pm
Friday, 8:30 am-1:30 pm
- > **Transportation Technology Center**
4255 North Patterson Avenue, Winston-Salem
(Payment by cash or check only.)
Monday - Thursday, 8:30 am-5 pm (Closed Noon-1 pm)
Friday, 8:30 am-1:30 pm

Telephone Registration

To register by phone, call 336.761.1002, Monday - Thursday, 9 am-1:30 pm; Friday, 9 am-Noon. Payment by VISA/MasterCard (credit/debit) only.

Corporate Registration

Companies registering a minimum of five employees and paying for their registration, equipment, lab, insurance or book fees by purchase order or authorization letter may use fax registration. Call 336.734.7736 to request a form. Upon completion, fax it back to 336.760.6173, attention West Campus Business Office. Employees will be registered upon receipt of the completed form. If classes are filled, the company will be notified. If you have additional questions, contact the West Campus Business Office at 336.734.7736.

Posted registration fees were in effect at the time our most recent schedule was printed and are subject to change without notice.

Registration Information

Important Registration Information

Course Repetition Policy

> In 1993, the N.C. legislature enacted a law that requires anyone, including senior citizens, who takes the same occupational extension course more than twice within a five-year period to pay an additional cost of \$6.41-\$7.12 per scheduled hour.

> Here's an example: Computer Basics costs \$70 (First Time), Computer Basics costs \$70 (Second Time), Computer Basics costs \$163.20, (Third Time: 24 class hours x \$6.80 = \$163.20). This example does not reflect scheduled cost.

These fees were in effect at the time our most recent schedule was printed and are subject to change without notice. You are exempt if you are required by law to have certification/licensure.

Refund Policy

> A full refund is given if Forsyth Tech cancels a course.

> If the course has a ✓ symbol, you may get a full registration fee refund by officially withdrawing from the class before the first class meeting. After the class has started, a 75% refund can be obtained by officially withdrawing before the class has met 10% of its scheduled time.

> If the course has a ❖ symbol, you may get a full registration fee refund by officially withdrawing from the class one working day (24 hours) before the first class meeting.

> **PLEASE NOTE:** To request a registration fee refund in accordance with the above policy, you must officially withdraw from a class by completing and submitting a Request for Refund form to the Economic & Workforce Development Customer Service Center on West Campus. Forms are available at the Customer Service Center or you may fill out and submit the online Request for Refund form. Refunds are generally mailed within four to six weeks of receipt of the Request for Refund form and/or notification of class cancellation.

> No other refunds will be given. This includes malpractice insurance fees.

Disabilities Services

> Students, who have a disability and would like to request services and accommodations, must register with Disability Services. They will be required to provide current, official documentation of their disability. Information provided by a student is voluntary and appropriate confidentiality is maintained. Students who need assistance for academic services should call the ADA/Disabilities Services coordinator at 336.734.7155.

Fees

> **Computer Use and Technology Fee** All occupational courses have a \$5 per course computer use and technology fee.

> **Textbooks** For your convenience, three options are provided for purchasing textbooks:

- Online: Go to www.ftcc.bkstr.com. Click GO and find your course. Requires VISA or MasterCard.
- West Campus Bookstore on Bolton Street: Call 336.734.7754 for days and hours of operation.
- In Class: If you are taking a class at the Woodruff or Swisher Center, you may purchase your textbooks at that site the first night of class. Payment by check or money order only.

> **Parking Decals** Parking decals cost \$25 and are nonrefundable. All EWD students who park vehicles on ANY Forsyth Tech campus (Main, Northwest Forsyth Center, Oak Grove Center, Transportation Center, West, Woodruff and Swisher) are required to purchase parking decals for all classes that meet 5 days or more. Parking decals must be purchased in person at the Customer Service Center on West Campus or at the Northwest Forsyth Center, Swisher or Woodruff Centers. Parking decals may be purchased in advance or on the first day/night of class.

Courses in Forsyth County

Computer Technology

Accounting For Business ✓

This course illustrates the basics of finance and accounting: the basic accounting equation, working with T accounts, debits and credits, the accounting cycle and journal transactions, working with the general ledger, generating financial statements and working with adjusting and closing entries.

NOTE: This course requires a textbook.
Course Code: 77821 Cost: \$75
Date: October 21-December 9, M, 6-9 pm
Location: Small Business Center, Suite 105

Computer Basics ✓

This course is designed for the computer novice and uses Microsoft Windows to demonstrate how to operate a computer while teaching basic computer terminology.

NOTE: This course requires a textbook and students will need to bring a USB flash drive to class.
Course Code: 77329 Cost: \$75
Date: August 19-October 14, M, 9 am-Noon
Location: West Campus, Room 1

Course Code: 77453 Cost: \$75
Date: October 15-November 7, TTH, 6-9 pm
Location: The Meadows

Course Code: 77459 Cost: \$75
Date: November 12-December 17, TTH, 9 am-Noon
Location: West Campus, Room 1

Computer Basics II ✓

This course is a continuation of Computer Basics and covers computer terminology, file management, troubleshooting techniques, practical PC maintenance and various other computer-related topics.

Prerequisite: Computer Basics, Microsoft Windows course or understanding/use

NOTE: This course requires a textbook and students will need to bring a USB flash drive to class.
Course Code: 72545 Cost: \$75
Date: August 20-October 8, T, 6-9 pm
Location: West Campus, Room 1

Course Code: 77450 Cost: \$75
Date: October 21-November 13, MW, 9 am-Noon
Location: West Campus, Room 122

Excel 2010 Introduction Refresher ✓

Are your Excel skills a little rusty? If so, then this one week, 12-hour course is for you.

This course introduces students to Excel 2010's improved tools to analyze data, write formulas, graph data and sort data. Basic skills are taught in this introductory class using the new ribbon system for selecting tools. This makes using Excel 2010 much easier with instinctive design and simple point and click functionality. At the end of the course, students will be able to use this program confidently at home or on the job.

Prerequisite: A basic understanding of Microsoft Excel and Microsoft Windows Operating System

NOTE: This course requires a textbook and students will need to bring a USB flash drive to class.

Course Code: 77408 Cost: \$75
Date: August 19-August 22, MTWTH, 9 am-Noon
Location: Small Business Center, Suite 105

Excel 2010 Intermediate Refresher ✓

This 12-hour course is a continuation of Excel 2010 Introduction Refresher. Students will learn more advanced Excel 2010 tools such as filtering, merge and center, wrap text, conditional formulas, linking spreadsheets, including additional shortcuts to make spreadsheet preparation easier and faster. At the end of the course, students will be able to use this program confidently at home or on the job.

Prerequisite: Excel 2010 Basic, Excel 2010 Introduction Refresher or advanced knowledge of previous versions of Microsoft Excel

NOTE: This course requires a textbook and students will need to bring a USB flash drive to class.
Course Code: 77417 Cost: \$75
Date: September 9-September 12, MTWTH, 9 am-Noon
Location: Small Business Center, Suite 105

Excel 2010 Introduction ✓

In this 24-hour course, students will discover dozens of shortcuts and tricks for quickly and efficiently setting up fully formatted worksheets. Students will also learn the secrets behind writing powerful formulas, using functions, sorting and analyzing data, creating custom charts, creating three-dimensional workbooks, building links, creating macros and customizing tool bar buttons.

Prerequisite: A basic understanding of the Microsoft Windows operating system

NOTE: This course requires a textbook and students will need to bring a USB flash drive to class.
Course Code: 77418 Cost: \$75
Date: September 10-October 29, T, 6-9 pm
Location: Grady Swisher Center, Room 203

Courses in Forsyth County

Bird Watching: Beginning ❖

You will be introduced to the hobby of bird watching and taught how to identify common birds by sight, sound and habitat. Learn about birds' natural history and habitats as well as the seasonal cycles of observed species.

NOTE: Participants are encouraged to bring binoculars. Pencil and paper are required.

Course Code: 77251 Cost: \$65
Date: September 7-October 12, S, 9 am-Noon
Location: West Campus, Room 12

Cake Decorating: Beginning ❖

You will have hands-on experience preparing, decorating and completing original cake designs. This course will help you develop your creativity and ability in the basics of cake decorating.

NOTE: Students will need to bring wax paper, tips and prepared butter cream icing to the first class. Students may purchase their own supplies from the supply list or purchase a kit the first night of class for approximately \$50.

For more information and a list of needed supplies, call 336.761.1002.

Course Code: 77228 Cost: \$50
Date: September 3-September 24, T, 6-9 pm
Location: West Campus, Room 15

Cake Decorating: Cupcakes ❖

Join the fun and learn to make creative critters, flowers and more! Make your parties extra special with creative cupcakes made from rolled candies, molded fondant and buttercream icing. Cake pops are perfect little treats that are easy to make and fun to create. Students will make animals, flowers, butterflies and produce creative cupcakes and cake pops.

NOTE: Students must bring supplies the first night of class. Please ask for supply list at registration.

Course Code: 77229 Cost: \$45
Date: October 1-October 29, T, 6-8 pm
Location: West Campus, Room 15

Calligraphy ❖

Learn how to write in style with Calligraphy. In a class designed for the beginner, the italic alphabet is a popular introduction to the art of the broad edged pen. Students will be offered a step-by-step approach to the basic technique, letter forms, word, line and page spacing of this beautiful and graceful calligraphic hand. The Italic alphabet lends itself to a wide variety of applications. The course can also be used as a refresher.

NOTE: Students should bring quality copy paper, a 12" ruler, pencil, notepaper, and eraser. The instructor will give more information regarding additional supplies.

Course Code: 77322 Cost: \$65
Date: September 16-November 4, M, 6-8 pm
Location: South Fork Recreation Center

Crocheting ❖

Learn the basic stitches in crocheting, beginning with a simple project such as a pot holder.

NOTE: Supplies needed are crochet hooks (size H), 1 ball of cotton yarn and scissors.

Course Code: 77252 Cost: \$65
Date: September 4-October 9, W, 1-4 pm
Location: South Fork Recreation Center

Course Code: 77253 Cost: \$65
Date: October 23-December 4, W, 1-4 pm
Location: South Fork Recreation Center

Digital Photography Beginning ❖

This course introduces students to the basics of digital photography. Learn how to set your camera for any shooting situation and become familiar with a list of terms used every day in digital photography and printing. The end result will be better pictures, a greater knowledge of digital photography and a better understanding of how to capture that magical moment forever.

NOTE: It is highly recommended that students bring their digital camera and owner's manual to class along with a notebook and pen or pencil.

Course Code: 77302 Cost: \$35
Date: September 7, S-9 am-Noon
Location: West Campus, Room 122

Course Code: 77304 Cost: \$35
Date: September 14, S, 9 am-Noon
Location: West Campus, Room 122

Course Code: 77306 Cost: \$35
Date: October 5, S, 9 am-Noon
Location: West Campus, Room 122

Course Code: 77307 Cost: \$35
Date: October 12, S, 9 am-Noon
Location: West Campus, Room 122

Digital Photography Intermediate ❖

This course is a continuation of the Digital Photography Beginning class and is divided into two phases. In the first phase, learn how to start a digital picture/file archive folder system, along with the best way to get your digital files transferred from your camera to your computer prior to burning a photo CD. The second phase teaches the basics of digital manipulation. Learn to size, crop and color adjust digital images.

Prerequisite: Digital Photography Beginning

Course Code: 77305 Cost: \$35
Date: September 21, S, 9 am-Noon
Location: West Campus, Room 122

Course Code: 77308 Cost: \$35
Date: November 2, S, 9 am-Noon
Location: West Campus, Room 122

Drawing: Basic Technique/Color ❖

This two-fold class offers basic black and white drawing techniques for the beginner or for those wishing to get back to drawing basics. The black and white drawing is suitable for all levels of experience. This class also continues the established basic colored pencil techniques course for those ready to learn about color and this versatile medium. Those wishing to focus on colored pencil should have some previous drawing experience.

NOTE: When buying supplies students should buy either Basic Drawing Supplies or Drawing in Color Supplies but not both.

Course Code: 77393 Cost: \$65
Date: August 22-October 10, TH, 9 am-Noon
Location: Miller Park Recreation Center

Course Code: 77394 Cost: \$65
Date: October 24-December 5, TH, 9 am-Noon
Location: Miller Park Recreation Center

Flower Arranging ❖

This course explores the different elements of design with hands-on experience using fresh flowers. Learn to make gorgeous flower arrangements using flowers from your yard, grocery store or a local florist. Learn all the tricks from the professionals to make stunning designs. Course Code: 76841 Cost: \$75
Date: September 10-October 17, TTH, 4:30-6:30 pm
Location: TBA

Professional and Career Development

Administrative Assistant Training ✓

This program is not only for administrative assistants, secretaries and executive support staff who wish to upgrade or enhance their skills for new roles and expanded responsibilities, but also for those who wish to pursue these types of careers. Today's administrative assistant requires a wide variety of skills such as project management, computer applications, organization, research, communication, customer service, electronic record keeping and event planning. To receive a certificate in this area, students must complete a series of four courses. Students will also have the opportunity to acquire a Career Readiness Certification (CRC) as part of the program.

NOTE: A DiSC profile is required for the first class and can be purchased in the bookstore.

Course Code: 77065 Cost: \$130
Date: September 17-December 10, T, 6-9 pm
Location: Oak Grove Center, Room 4451

AutoCAD ✓

This course begins with an introduction to Computer Aided Drafting and AutoCAD's drawing menus and toolbars. The class progresses to intermediate and advanced drawing, editing techniques and also includes an introduction to 3-D Computer Aided Drafting.

Prerequisite: A basic understanding of the Microsoft Windows operating system

Course Code: 76899 Cost: \$130
Date: September 18-December 18, W, 6-9 pm
Location: West Campus, Room 1

Bartending ✓

This course offers an introduction to the professional art of Mixology. It will emphasize the Alcoholic Beverage Control requirement, "Dram Shop" liabilities, employment opportunities, the use of wines, glassware and drink recipes. Students completing this course should be able to identify a minimum of 35 recipes, using proper amounts, mixes, glassware and garnishes. Students will use tools and equipment of the trade. Each student will compile a recipe book of alcoholic and non-alcoholic drinks.

NOTE: Person must be 21 or older to register.
Course Code: 77415 Cost: \$75
Date: September 9-October 28, M, 6-9 pm
Location: West Campus, Room 15

Culinary Arts Certificate ✓ JobsNow

Also known as the Triad Community Kitchen, this hands-on course provides instruction and certification in ServSafe sanitation, basic culinary skills, knife skills, basic baking skills, kitchen safety, mass food production and "cook chill" technology. Students will also receive job preparedness and retention instruction. This course includes a one-week internship and job placement assistance. This course is offered in collaboration with the Second Harvest Food Bank of Northwest North Carolina's Triad Community Kitchen and Goodwill Industries of Northwest North Carolina.

Prerequisite: Achieve a minimum score of 8th grade reading and 5th grade math on the Placement Tests.

NOTE: There is an additional fee of \$188, payable to the Second Harvest Food Bank to cover drug screening, criminal background check and ServSafe certification. Payment is due in full by the first day of class.

Course Code: 77327 Cost: \$185
Date: August 16-November 15, MTWTFE,
8:30 am-3 pm
Location: Second Harvest Food Bank

Course Code: 77449 Cost: \$185
Date: September 24-December 19, MTWTFE,
8:30 am-3 pm
Location: Second Harvest Food Bank

DMV: Dealer Pre-License ✓

Safe Driving

Alive At 25: West Campus ❖

This four-hour defensive driving course is for drivers age 16-24 and is conducted in the classroom only. The purpose is to save lives through education about proper conduct and safe-driving techniques when operating a motor vehicle.

NOTE: You are eligible to take this class only once within a three-year period. Registration by phone or walk-in only. No online registration is permitted.

For more information on this West Campus class, call Forsyth Tech Customer Service at 336.761.1002.

Defensive Driving 4-Hour ❖

This four-hour driver improvement program gives participants practical strategies to reduce violations and collisions. It is conducted in the classroom only.

NOTE: You are eligible to take this course only once within a three-year period. Registration by phone or walk-in only.

For more information, call Forsyth Tech Customer Service at 336.761.1002.

Defensive Driving 8-Hour ❖

This eight-hour program is designed for drivers with serious traffic violations or who have more than one pending traffic violation. It is conducted in the classroom only. The goal of the class is to provide drivers with practical knowledge and techniques to avoid collisions and violations. This course helps drivers choose safe, responsible and lawful driving behaviors. Registration by phone or walk-in only.

NOTE: You are eligible to take this course only once within a three-year period.

For more information, call Forsyth Tech Customer Service at 336.761.1002.

Motorcycle Safety Education: Basic ❖

This course provides an introduction to the fundamentals of safe, responsible motorcycling. Students will gain the knowledge and skills that lead to licensing for motorcycle operation on the streets and highways. This course consists of classroom and on-motorcycle instruction. To preview the student manual, please go to www.msf-usa.org and click on "Library/Safety Tips," then scroll down to Basic Rider Course Handbook.

NOTE: Motorcycles are provided. Students must be at least 16 years of age and have a valid driver's license and the ability to ride a bicycle. Heat and cold weather conditions may be encountered while taking the course.

For more information, call Forsyth Tech Customer Service at 336.761.1002.

Searching for a Loan for a Start-up or Business Expansion

In this seminar, participants will receive an introduction to both traditional and non-traditional sources of funding for a business operation. Participants will review the variety of resources available for funding a business start-up or expansion. The review will include information on local funding sources, the SBA loan programs (including the SBA 7a program, Micro Loan Program and the 504 Loan Program), and other non-profit organizations that do small business lending. Participants will assess the assortment of factors that a lender uses to evaluate loan applications and practice completing a loan application for a local small business funding organization.

Course Code: 77786 Cost: FREE
Date: September 18, W, 6-9 pm
Location: Small Business Center, Suite 105

Course Code: 77884 Cost: FREE
Date: December 11, W, 6-9 pm
Location: Small Business Center, Suite 105

Selling Process for Small Business (Talk the Talk)

"People buy from people they know, like and trust". Small business owners will learn the first step in the selling process is to make the customer feel comfortable. Participants will take a DISC personality assessment to identify their selling style and use it to better understand how to talk with customers.

Setting Up Your Facebook Page for Small Business

If your business targets consumers, Facebook pages provide a great resource to connect, engage and build relationships that provide opportunities to drive customers to your store and website. We will help you get started, setup your page, add administrators and insert your logo in order to begin building connections that drive business opportunities thru social media. This seminar is limited to 14 participants.

Prerequisite: Access to your email from any computer and a personal Facebook account

Course Code: 77897 Cost: FREE

Date: September 30, M, 6-9 pm

Location: Small Business Center, Suite 105

Small Business Owner Elevator Sales Pitch ('So what?')

Sales people will talk for hours about all the wonderful things their product or service can do. Usually that approach gets prospects running for the door. Participants will learn how to craft and deliver a 30-second core story that quickly establishes value in the mind of the right person...the prospect.

Course Code: 77900 Cost: FREE

Date: September 9, M, 6-9 pm

Location: Small Business Center, Suite 105

Small Business Owners Selling Tactics (Know your Enemy)

Buyers hold the checkbook so it's important that small business owners know what's important to them. Sales people often make the mistake of assuming that prospects only want the lowest price. But is that all there is? Participants will learn how buyers buy and what goes through the buyer's mind as they consider a product or service. Understanding the buyer is a key skill for all sales people.

Course Code: 77893 Cost: FREE

Date: August 26, M, 6-9 pm

Location: Small Business Center, Suite 105

Small Business Owners Steps to Making the Sale (Finding Buyers)

Small business owners have great products and services, but now what? How do they find buyers? Participants will learn several ways to find, meet, capture buyers and make the sale.

Course Code: 77889 Cost: FREE

Date: September 16, M, 6-9 pm

Location: Small Business Center, Suite 105

Social Media for Small Business

Participants will learn what social media channels to participate in, as well as why. We will introduce you to the steps of contributing, collaborating, connecting and cramming (research) to grow your business. Social media has been around far too long for small businesses not to be participating in them today.

> There is no cost.

Orientation:

> Required for Nursing Assistant I only

> When/Where

- West Campus, Tuesdays 9 am-1 pm and 5-9 pm;

Must bring photo ID, Social Security card and other required documents to Orientation. Refer to Prerequisites under class descriptions for these documents.

NEW: Healthcare Clinical Fee

Healthcare facilities providing clinical experiences for Forsyth Technical Community College programs require criminal background checks and drug screens on all employees and students working in their facilities. The screening company meets compliance standards of the healthcare agencies and Forsyth Technical Community College.

The screening company shares findings of the screening only with the clinical site and the student. Healthcare facility representatives review the finding on the background check/drug screen and determine whether students are eligible to participate in clinical education.

The cost of the screening begins at \$75.00 and is the sole responsibility of the student. Students are to begin the background check/drug screen process before they register for a Health Education class. However, information will not be sent to a clinical site until after the student registers.

If a student is denied by the clinical site, this proactive approach may enable the student to receive a full refund. Criminal background check/drug screen is valid for 12 months and must be current at the time of clinicals.

Health and Safety

Activity Director ✓

This course is designed to provide basic training to individuals desiring to become an Activity Director in a healthcare related setting, such as long term care or assisted living facilities or adult care homes. This course follows the state approved course outline including (1) an overview of the Activity Director profession, (2) Human Development and the Aging Process, (3) Standards of Practice, (4) Activity Care Planning and (5) Methods of Service Delivery. Persons completing the entire 60 hours of training become qualified to work as an Activity Director in a Nursing Home or Assisted Living Facility.

Prerequisite: High school diploma/GED/transcript

NOTE: Students must bring a copy of high school diploma/GED/transcript to Customer Service for verification in order to register.

Course Code: 77423 Cost: \$185
Date: September 23-November 7, MTH, 6-9 pm;
S, 9 am-3:30 pm
Location: Northwest Forsyth Center, Room 217

Autism Paraprofessional ✓ NEW!

This course is designed to prepare individuals to provide direct services to children with autism spectrum disorders (ASDs.) Care givers may work in educational, home-based, or community settings. Emphasis is on understanding ASDs, working with families of children with ASDs, managing challenging behaviors associated with ASDs and evidence-based practices for targeting communication, play, self-help and social skills of children with ASDs. Class will also cover consumer safety, rights and ethical considerations. The course also includes a practicum component, which will be completed at an au-

tism specialty school. Upon satisfactory completion of the course, the student will receive a certificate of completion, which should enhance employment opportunities in the field of autism treatment and education. This course consists of 30-hours of classroom instruction and 48-hours of practicum. The practicum will be during the day (8:45 am-2:45 pm) beginning October 1. Students will sign up for days/times the first day of class.

Prerequisite: Successful completion of an exam assessing basic reading comprehension skills at a minimum of tenth grade level and math skills at a minimum of sixth grade level, a picture ID, Social Security Card and high school diploma or high school transcript or GED or college diploma are required. Students must also present receipts from the criminal background check before they will be allowed to register for class (no drug screening required).

NOTE: In addition to the registration fee, students will be charged an \$18 non-refundable insurance fee, which is valid for one year.

For additional course information contact e-mail snowden@forsythtech.edu or 336.734.7749.

Course Code: 77692 Cost: \$203
Date: September 4-November 26, W, 6-9 pm
Location: West Campus, Room 7

Cardiopulmonary Resuscitation: Healthcare Provider-Initial ❖

This American Heart Association Healthcare Provider course teaches students to recognize the signs and symptoms of heart attacks, strokes and how to perform CPR for adults, infants and children. It is the only acceptable certification for Health Education classes and it meets the requirements of clinical facilities utilized by Forsyth Technical Community College.

NOTE: This course requires a textbook that must be read by the class date.

The Dorothy L. Lougee Nursing Assistant I Review Program ✓

This course is designed to update individuals who have been listed within the previous three years on the North Carolina Nurse Aide I Registry but let their certification lapse. This course is also a review for Nursing Assistants registered in another state who are seeking certification as a Nursing Assistant in North Carolina. This course provides individuals with a review of the knowledge, skills and abilities that must be demonstrated on the National Nurse Aide Assessment Program (NNAAP) Examination necessary for listing on the North Carolina Nurse Aide I Registry.

Prerequisite: Successful completion of an exam assessing basic reading comprehension skills at a minimum of a tenth grade level, math skills at a sixth grade level and ONE of the following: 1) NC Nursing Assistant I Registry listing (expired within the past 3 years) OR 2) Registry listing from another state (within the past 3 years) OR 3) certificate of completion from state approved NA I course (in the past year) OR 4) RN/LPN (in the past 5 years). A picture ID, Social Security Card and high school diploma or high school transcript or GED or college diploma are required.

NOTE: Students who make 3 attempts to pass the Skills and Written examination within 2 years of completion of an NA I training program are to retake a state approved training program prior to retaking the state exam. This is a NC requirement.

Course Code: 69465 Cost: \$130
Date: September 9-September 27, MTHF, 8 am-Noon
Location: West Campus, Room 11

The Dorothy L. Lougee Nursing Assistant I Program ✓ JobsNOW

This state approved course introduces basic nursing skills required to provide personal care for patients, residents, the elderly or others requiring medical assistance in a healthcare setting. Emphasis is placed on the aging process, communications, patient safety, patient's rights, personal care, vital signs, elimination, nutrition, emergencies, rehabilitation and mental health. CPR certification is included in the class. Through classroom instruction, laboratory work and clinical rotations, students are prepared to take the NC Nurse Aide I Competency Evaluation, a requirement in order to be listed on the NC Nurse Aide I Registry.

Prerequisite: Successful completion of an exam assessing basic reading comprehension skills at a minimum of a tenth grade level, math skills at a sixth grade level and attend an orientation session. A picture ID, Social Security Card, a high school diploma or high school transcript, or GED or college diploma are required. Students must also present receipts from the criminal background check and drug screening before they will be allowed to register for class.

NOTE: In addition to the registration fee, students will be charged an \$18 non-refundable insurance fee, which is valid for one year.

Location: Northwest Forsyth Center, Room 138

EKG Technician ✓

This course is designed to prepare students to perform basic EKGs. Students will gain knowledge of cardiac terminology, understand the structure and function of the heart and become familiar with the anatomy and physiology of the heart. Students will gain a basic understanding of the electrical conduction system and how it affects heart function. Based upon this knowledge, students will understand why an EKG is done. Students will also understand the cardiac cycle, be able to identify common artifacts and demonstrate patient preparation as well as proper placement of EKG leads. Students will learn how to operate an EKG monitor, run a strip accurately and mount it properly. This course prepares students to take the ASPT National Certification Exam.

Prerequisite: High school diploma or high school transcript or GED or college diploma, successful completion of an exam assessing basic reading comprehension skills at a minimum of a tenth grade level and math skills at a minimum of a sixth grade level. Successful completion of NAI, NAII or Phlebotomy is **recommended**.

NOTE: The EKG Technician course is designed to complement other healthcare certifications such as NAI, NAII, EMT and/or Phlebotomy.

Course Code: 73151 Cost: \$130

Date: November 5-December 14, TTH, 6-9:30 pm

Location: West Campus, Room 32B

Emergency Medical Technician Basic ✓ JobsNOW

This course covers anatomy and physiology, initial patient survey and triage, basic and advanced airway management, oxygen therapy, and treatment of traumatic and medical emergencies. Additional areas of study are CPR with automated external defibrillator and general pharmacology. This course follows the guidelines established by the N.C. Office of Emergency Medical Services (EMS) and is conducted by an approved Basic or Advanced Institution. The lead instructor for the EMT educational program is certified as a N.C. Level I Instructor/Coordinator. The EMT course is designed for those interested in working in public safety (Emergency Medical Service, Fire Service and Police) or in increasing their knowledge in handling emergency situations. Students who successfully complete this course are eligible to take the N.C. Emergency Medical Technician credentialing examination and/or the National Registry examination. **Prerequisite:** Successful completion of an exam assessing basic reading comprehension skills at the 10th grade reading level.

For more information, call 336.757.3054.

Course Code: 76915 Cost: \$180

Date: August 14-December 18, MW, 6-10 pm

Location: West Campus, Room 32B

Course Code: 76988 Cost: \$185

Date: September 19-January 28, 6-10 pm

Location: Northwest Forsyth Center, Room 215

Date: November 12-March 25, TTH, 8 am-Noon

Location: West Campus, Room 32B

Heartsaver Infant/Child Adult CPR/AED/First Aid ❖

This course is the basic CPR course designed by American Heart Association. It includes instruction in Heartsaver CPR for infants, children and adults. Instruction for First Aid techniques in obstructed airway, life-threatening emergencies, injuries and medical emergencies. The course is designed for the lay public or the workplace. Upon successful completion, the student will be awarded Healthcare Provider CPR and First Aid certification.

NOTE: This course requires a textbook that must be read by the class date.

For additional course information contact e-mail mcalhoun@forsythtech.edu or call 336.757.3091.

Course Code: 77539 Cost: \$50

Date: October 12, S, 8 am-3 pm

Location: West Campus, Room 14

Introduction to Healthcare ✓

This course is designed to allow students to explore the healthcare culture and employment opportunities within the healthcare field. It provides students with basic information for a career in healthcare and planning for future goals. Students will also receive human resource development instruction, which will strengthen professional skills needed in the healthcare environment. Topics include teamwork, communications, customer service

skills and problem solving. In addition, students will be given a Career Readiness Certification (CRC) assessment and learn how to use this assessment for employment.

NOTE: This course is FREE if you are unemployed or meet specific income criteria.

Course Code: 73356 Cost: \$70

Date: October 8-October 31, TTH, 5:30-8:30 pm

Location: Goodwill, Room 123B

Course Code: 73357 Cost: \$70

Date: December 2-December 17, MTTH, 5:30-8:30 pm

Location: Grady Swisher Center, Room 219

Massage: Introduction to Massage ❖

Learn basic massage strokes including effleurage, petrissage, friction, tapotement and vibration to be used on members of a person's immediate family and/or friends. This course does not qualify participants to become licensed massage therapists. Please see our college catalog credit program for information regarding this 500+ hour training and eligibility for state licensure.

NOTE: NC Practice Act, Article 36, Section 90-623. License required. (a) A person shall not practice or hold out himself or herself to others as a massage and bodywork therapist without first applying for and receiving from the Board a license to engage in that practice.

Course Code: 77120 Cost: \$70

Date: November 7-December 5, TH, 6:30-9 pm

Location: Grady Swisher Center, Room 146

Medication Aide ✓

This course is designed to meet the training requirements to become qualified as a Medication Aide. It will cover the six rights of medication administration for non-licensed personnel. Topics will include medication administration via the oral, topical and instillation routes, medical asepsis, hand hygiene, terminology and legal implications. Upon completion, students should be prepared to take the competency exam and demonstrate skills necessary to qualify for listing on the North Carolina Medication Aide Registry.

Prerequisite: 3-6 months minimum direct patient care experience with a letter of recommendation on letterhead from an RN who supervised student's work within the past 2 years (a letter of recommendation from NAI or NAII instructor is not sufficient), successful completion of an exam assessing basic reading comprehension skills at a minimum of a tenth grade level and math skills at a minimum of a sixth grade level. A picture ID, Social Security Card, and high school diploma or high school transcript, or GED or college diploma are required.

NOTE: To pursue a Medication Aide position in a Skilled Nursing Facility, a current State NAI Registry certification is required.

Course Code: 77469 Cost: \$75

Date: September 10-September 19, TWTH, 5:30-9:30 pm

Location: West Campus, Room 11

Course Code: 77470 Cost: \$75

Date: November 12-November 21, TWTH, 5:30-9:30 pm

Location: West Campus, Room 11

Blackboard (Bb)

Information

- Blackboard classes are conducted online, so students must be computer literate and have access to a computer with internet access, a web browser, and the ability to open Microsoft Word and PowerPoint documents.
- Registration for classes can be done by calling the Customer Service Center at 336.761.1002, or by registering in person at the West Campus at 1300 Bolton Street. Some classes with pre-requisites may require you to register in person to provide proof that the pre-requisite has been fulfilled.
- The *registration deadline for all Blackboard courses is three business days prior to the start date* of the course.
- Upon registering, make certain to *provide customer service with your updated email address and phone number* at the time of registration. This will be essential to provide you with further instructions and access information.
- Orientation for all Bb courses is to be done the first time students login to their course. *The course cannot be accessed until the start date.*
- Required textbooks can be purchased at the West Campus bookstore. The number for the bookstore is 336.734.7754, and the general hours of operation are Mon.–Fri., 8:30 a.m. until 2:00 p.m. and Mon.–Thurs. 4:00 p.m. until 6:30 p.m.
- Certificates for each course will be mailed to students *after the course end date.*
- Please contact Customer Service with any questions at 336.761.1002 or email questions to onlinebb@forsythtech.edu.

Bb: AAPC Exam Review ✓

This 50-hour advanced online course provides students the opportunity to prepare for the National CPC Certification exam administered by the American Academy of Professional Coders (www.aapc.com). Medical Terminology, Anatomy & Physiology, ICD-9 Diagnostic Coding, CPT Procedural Coding and HCPCS Level II are some of the topics reviewed. Students will utilize interactive online tools and information, including mock exam questions to ensure comprehensive preparation for the exam. This is the final course in the online series for students seeking to take the Certified Professional Coder (CPC) credentialing exam.

Prerequisites: Bb: Medical Coding - ICD-9 and Bb: Medical Coding – CPT

For more information call 336-734-7706 or call customer service 336-761-1002.

Course Code: 76973 Cost: \$130

Date: September 3-October 28

Bb: Anatomy & Physiology for Non-Credit Students ✓

This 50-hour online course will introduce basic anatomy, physiology and pathology. Emphasis is placed on the relationships between the human body structure, health and disease. Upon completion, students will be able to identify body system components and functions relating this knowledge to the delivery of healthcare. This course will serve as an excellent primer for students entering further educational training in the medical field as well as deliver essential anatomy & pathophysiology information for medical coders preparing for the transition to ICD-10.

For more information call 336-734-7706 or call customer service 336-761-1002.

Course Code: 76982 Cost: \$130

Date: September 16-November 10

Bb: Medical Assisting Review ✓

This course is designed to allow students the opportunity to refresh information needed in order to take the AAMA certification exam or the AMT exam for registration. This course will cover the materials documented in the AAMA Certification Review. Upon completion, students should be prepared to sit for either the AAMA certification exam and/or the AMT exam for registration based on their personal review of the material. Completion of this course does not in any way determine the pass or fail outcome of the national exams. This is designed as a preparatory review.

Prerequisite: Students must be in the last semester of their AAS medical assistant program, or students may have graduated from a CAAHEP accredited diploma or AAS Medical Assisting program.

Important: Contact Anna Hilton at 336.734.7362 or ahilton@forsythtech.edu for verification prior to registration.

NOTE:

- This course requires Internet access, an email address and a web browser.
- The registration deadline for this course is noon one week prior to the start date of the course.
- To receive a full refund, requests should be made prior to the start date of the course. On the start date, students may apply for a 75 percent refund if they have not completed the first assignment. Refunds may be requested online or onsite at the West Campus.

Course Code: 73500 Cost: \$130

Date: October 7-November 15

Blackboard Courses

Bb: Medical Billing ✓

This 64-hour online course will introduce students to the basics of medical billing and insurance, including insurance terminology, private payers and government programs, general insurance claim procedures, standard forms, patient record keeping, patient billing and collections, as well as potential billing problems & mistakes to avoid. Students will also have the opportunity for hands-on experience with billing software.

Prerequisites: High school diploma or GED, Bb: Medical Coding – ICD-9 and Bb: Medical Coding – CPT or Students may also complete Medical Office I to serve in place of the two Blackboard (Bb) prerequisites above for this course.

For more information call 336.734.7706 or call customer service 336.761.1002.

Course Code: 76979 Cost: \$185
Date: September 16-December 1

Bb: Medical Coding – CPT ✓

This 64-hour advanced online course provides students the opportunity to learn the proper way to review medical charts and physician documentation to assign appropriate CPT procedural codes. Students will benefit from interactive study materials and advanced coding scenarios/exercises. This course is designed as part of a series for students interested in becoming a Certified Professional Coder (CPC).

Prerequisites: Bb: Medical Terminology and High school diploma or GED.

For more information call 336.734.7706 or call customer service 336.761.1002.

Course Code: 76976 Cost: \$185
Date: September 16-November 24

Bb: Medical Coding – ICD-9 ✓

This 64-hour advanced online course will provide students a sound knowledge of medical coding rules and regulations, coding errors to be avoided, as well as the ability to review and assign accurate ICD-9 diagnostic codes across a wide range of clinical cases. The course is designed as part of a series to prepare students interested in becoming a Certified Professional Coder (CPC).

Prerequisites: Bb: Medical Terminology and High school diploma or GED.

For more information call 336.734.7706 or call customer service 336.761.1002.

Course Code: 76984 Cost: \$185
Date: September 23-December 8

Bb: Medical Terminology ✓

This 64-hour advanced online course is designed to give students a solid foundation in medical terminology through class/instructor interactions as well as enhanced interactive study materials. The student will learn prefixes, suffixes, root words and terms that relate to anatomy, physiology and review of body systems. Upon completion, students should be able to pronounce, spell and define medical terms as related to selected body systems and their pathological disorders.

Prerequisite: High school diploma or GED (No prior medical terminology classes required.)

For more information call 336.734.7706 or call customer service 336.761.1002.

Course Code: 76975 Cost: \$185
Date: September 9-November 24

Bb: National Standards, Professional Skills and Ethical Practices for Interpreters ✓

This course introduces the principles and standards for professional interpretation as established by the National Council on Interpreting in Healthcare. This course is also designed to build practical skills and job seeking tools. Students explore cultural awareness as it applies to Interpreting in Health and Human Services.

Course Code: 76971 Cost: \$130
Date: August 19-September 22

Bb: Case Studies Interpreter Lab ✓

In this lab, students will interpret medical case studies from English to Spanish and Spanish to English. This lab consists of computer-based training and is designed to improve consecutive and simultaneous interpreting skills. This class emphasizes listening and oral skills in both languages.

Prerequisite: Must be enrolled in/or have completed Spanish/English Medical Terminology and National Standards, Professional Skills and Ethical Practices for Interpreters to take this course.

Course Code: 76987 Cost: \$130
Date: November 4-December 15

Bb: Case Studies Translator Lab ✓

In this lab, students will translate medical case studies from English to Spanish and Spanish to English. This lab consists of computer-based training and is designed to develop and improve grammar, reading and writing skills in both languages.

Prerequisite: Must be enrolled in/or have completed Spanish/English Medical Terminology and National Standards, Professional Skills and Ethical Practices for Interpreters to take this course.

Course Code: 76986 Cost: \$130
Date: September 23-November 3

Bb: Spanish/English Medical Terminology ✓

This course is an introduction to the principles of medical terminology for interpreters and translators in the medical field. This course teaches the meaning and pronunciation of specific medical terms, including prefixes, suffixes, root words and abbreviations. The student will study body systems and all medical terms will be taught in both languages.

Course Code: 76972 Cost: \$185
Date: August 19-November 24

Bb: Spanish I ✓

This is a beginning course designed to introduce you to the four basic skills of language acquisition - listening, reading, writing and speaking in Spanish.

NOTE: Registered students will have access to the new Mechtild Montgomery Language Lab.

Course Code: 77917 Cost: \$75
Date: August 19-October 13

Bb: Spanish II ✓

This course is a continuation of Spanish I and is designed to further develop your listening, reading, writing and speaking skills in Spanish.

Prerequisite: Spanish I or equivalent Spanish-language exposure.

NOTE: Registered students will have access to the new Mechtild Montgomery Language Lab.

Course Code: 77960 Cost: \$75
Date: October 21-December 15

Attention students-

the GED
is changing in 2014
so finish now to save time & money!

If you've taken one or more GED subject tests but not all of them, we urge you to complete your tests this year. If you don't, you will have to start over after January 2014. Beginning next year the new GED exam will have changes in content and cost more, so complete yours now!

For GED information in Forsyth County, call 336.734.7761 or
in Stokes County, call 336.593.5402 x1104.
