Save money—cater your own party!

Our Introduction to Catering course will teach you everything you need to know to cater your next event.

See page 18 for details.
Lisa Farris thought her life was set, and then it took an unexpected turn. “I had the American dream,” she says. “Married 17 years, three kids, a home...but I learned the hard way; just because you have a marriage does not mean it will last forever.”

In 2005, Lisa found herself divorced and needing to find a job. She worked part-time jobs and lived with relatives to get by. Due to the level of education most employers require, she knew she would need some kind of training to have a real future.

She spoke to advisors at Goodwill in Winston-Salem. “I told them I liked helping people,” she says, and they suggested Forsyth Tech’s Personal Care Assistant (PCA) and Certified Nursing Assistant (CNA) courses.

She began taking the classes and surprised herself with how successful she was. “There were things I did not think I would be able to do when I took the class, but then when I took my test I did fine.” She credits the instructors she had from Forsyth Tech. “The nurses who taught us were awesome,” she says. “They really gave us all the skills we needed.”

In addition to her academic courses, Lisa also took Human Resource Development courses to improve her employability and job search skills. After passing all of her classes, she was able to get a fulltime position as a CNA at Oak Forest Health and Rehabilitation. “I love it,” she says.

She’s also thinking about her next step. “I don’t know if I want to be a nurse or go into something like physical therapy or radiology.” But she does know she wants to go farther and achieve more. “I now have goals I want to reach in life because I know there is no limit to what I can do if I just set my mind to it,” she says. “I tell everyone about Forsyth Tech and Goodwill and how they helped me to accomplish all I have.”

Let Forsyth Tech help you achieve your goals. Look through this catalog and find the course that could start you on a path to a new life, just like Lisa Farris!
Increasing Business Success

Starting and operating a small business is hard work. Forsyth Tech, through its Small Business Centers in Forsyth and Stokes counties, provides:

- Confidential one-on-one business counseling
- Small business seminars and roundtables
- Online entrepreneurship training
- Computer classes (Accounting for Business & QuickBooks Pro)

Some of our recent and upcoming seminars include:

- Clueless About Accounting
- eBay Your Way to Success: Selling Items on eBay
- Enhancing Business Success
- Google Apps for Small Business
- Grant Seeking/Grant Writing
- How to Find Customers
- How To Write a Convincing Business Plan
- iPads/Tablets for Small Business
- Keeping Small Business Records and Paying Your Taxes
- Networking for Small Business
- Social Media for Small Business
- Thinking Of Starting Your Own Business

Interested persons should register and obtain additional information by visiting: www.forsythtech.edu and type “small business center” in the search field.

You will be able to:

- Join our email distribution list and LinkedIn discussion group
- Register for upcoming seminars and online training
- Register for an appointment with a business counselor who is available to assist you with your business challenges
- Obtain information that may be helpful to you

Contact us at sbc@forsythtech.edu or 336.757.3810 to arrange a visit to our home in Innovation Quarter.
If you lack good reading or math skills, don’t have a high school diploma or have trouble speaking English, it can be difficult finding a good job. Forsyth Tech offers programs to help with all of these situations.

1. Improve Your Basic Education Skills

> Adult Basic Education (ABE) is designed for adults who need help with reading, writing, speaking, problem-solving and math skills. Adult Basic Education can help you function better in many ways, including on the job. For more information, call 336.734.7761.

> Adult High School (AHS) is a distance learning program (meaning you take courses online) that lets you learn at your own pace and on your own schedule. If you left school early and now want to finish, Adult High School is an excellent way to earn your high school diploma and enhance your employment opportunities. There is no cost to the student for Adult High School courses. For more information, call 336.734.7761.

> High School Equivalency (HSE) is a program that prepares you to take the GED®. In the HSE program, you will prepare for the following subjects: Language Arts, Math, Science and Social Studies. For more information, call 336.734.7761.

How to Enroll in the ABE, AHS or HSE Program

ABE/HSE classes are offered throughout the community. AHS classes are only offered online.

All new and returning ABE, AHS or HSE students must complete an orientation session.

All students must bring:
- Social Security Card (signed, no copies)
- Government or State issued photo ID (no substitutions accepted)
- Minor Release Form and Government or State issued photo ID (no substitutions accepted)
- West Campus, Room 27
- React Center, Computer Lab

English as a Second Language/English Literacy (ESL) classes are designed to help adults, with a limited knowledge of English, achieve competence in speaking the language. Speaking English properly will greatly enhance your job and career potential.

Classes begin Monday, January 19, 2015

All new students are required to attend an orientation session.

- West Campus (1300 Bolton Street). Look for signs to direct you to the appropriate room.
- January 8, 15, and 22
- 9 am, 3:30 pm and 6 pm
- Please bring picture ID- (Por favor traiga identificación)
- No appointment necessary- (No se necesita hacer cita)
- No children- (No se permiten niños)
- Must be 18 years and older (Debe tener 18 años o más)
- For more information, call 336.734.7984

> Compensatory Education Development (CED) is a program designed specifically for adults (at least age 17) who have been diagnosed as being mentally handicapped or are considered adults functioning on an equivalent level resulting from a head or brain injury. The CED program consists of the following major curriculum areas: language, community living, math, consumer education, health and vocational education. For CED Entrance Requirements, please contact Pam Glenn at 336.734.7763

> English as a Second Language/English Literacy (ESL) classes are designed to help adults, with a limited knowledge of English, achieve competence in speaking the language. Speaking English properly will greatly enhance your job and career potential.

2. Improve Your Employment Search Skills

An important part of finding a job is in knowing how to find a job. Forsyth Tech offers classes (known as Human Resource Development) to help you jump start your job search or shift it into high gear.

> Job Search Methods, Resume Writing, Interview Skills and many more.

There is no charge for these services if you are unemployed or working and earning less than double the current poverty guidelines (e.g. earning less than $23,340 for an individual or $47,700 for a family of four).

Choose the location most convenient for you:

Employability Lab

- West Campus, Room 27
  - January 13-May 7, TTH, 9 am –Noon
- React Center, Computer Lab
  - January 12-May 6, MW, 9 am –Noon

For more information, please visit www.forsythtech.edu/ccc/continuing-education/employment-skills/ or call 336.761.1002

3. Prove You Have The Skills Employers Need

Employers need to know that a prospective employee has the skills and abilities needed to do the job. The best way to do this, beyond a high school diploma or GED®, is with a Career Readiness Certificate from Forsyth Tech.
The Career Readiness Certificate (CRC) is a test-based credential that tells employers that you have workplace-ready skills in three key areas. The CRC is a nationally recognized, EEOC-compliant, industry-driven system of job profiling and assessment based on the WorkKeys® testing program. There are no classes to attend, no books to buy and no homework to do. You simply take three tests — Applied Mathematics, Reading for Information and Locating Information. CRC testing is conducted at Forsyth Tech’s West Campus (1300 Bolton Street, Winston-Salem). The cost of the CRC testing is $30. For more information, call 336.734.7772.

KeyTrain™ is an open entry lab for individuals who want to prepare for the Career Readiness Certification Assessments. Individuals can take practice lessons before taking the WorkKeys® assessments. KeyTrain™ is a comprehensive, yet easy-to-use system for improving the basic skills measured by the WorkKeys® Assessment System. Using KeyTrain™, one can assess their potential WorkKeys® score, review topics in each WorkKeys® skill area and practice problems similar to those on an actual WorkKeys® assessment. For more information, call 336.734.7748.

Specialized Associate in Applied Science (AAS) degrees are available in growing fields such as Biotechnology, Nursing, Global Logistics, Early Childhood Education and many more. An AAS degree generally takes two years to complete.

A Diploma or a Certificate can prepare you to enter such fields as Plumbing, Carpentry, Medical Transcription, Machining Technology and many others. A Diploma or Certificate generally requires one to four semesters to complete.

For more information about Forsyth Tech Credit Programs, visit www.forsythtech.edu.

Get Good Advice and Counseling

One of the best things you can do when looking for a job or trying to decide on a career is sit down with someone who can give you good advice and counseling. You can find such professionals at the Forsyth Tech Educational Career/JobLink Center in Winston-Salem and Stokes County Small Business/JobLink Center in Walnut Cove.

The staff at the JobLink Centers can help you with any of the programs mentioned here:

- HRD Employment Skills Classes (Human Resource Development)
- KeyTrain™ Lab (Except Urban League)
- The Career Readiness Certificate (CRC)

The JobLink Centers also offer:

- Career counseling, assessments and planning
- Local labor market information
- Internet access and personalized email accounts to assist in your job search
- Resume and job application assistance

If you are looking for a job, a better job or a whole new career, visit any of these JobLink Centers:

- Forsyth Tech Educational Career/JobLink Center
  1300 Bolton Street
  Winston-Salem, NC
  336.734.7748

  336.591.5807

- Urban League
  201 West 5th Street
  Winston-Salem, NC
  336.725.5614
What You Need For Registration

Registering for an Economic & Workforce Development course at Forsyth Tech is easy. You can register by phone or at one of our six convenient registration locations in Forsyth and Stokes counties listed under Walk-in Registration.

When you register, you must provide all of the following information:

- Course Registration Number
- Address
- Birthdate
- Social Security Number or Student ID
- Phone Number
- Payment

You may register more than one person, but you must supply all of the above information for each person being registered.

Privacy and Your Social Security Number

Forsyth Tech takes precautions to guard against identity theft. Your Social Security number is used by Forsyth Tech only to register you in the course(s) of your choice, to assign your course grades and to develop your transcript.

Payment Options

Unless otherwise noted, you can pay with:

- Visa (credit/debit card)
- MasterCard (credit/debit card)
- Check
- Cash
- Money Order

Payment of registration, equipment and/or insurance fees must be made at the time of registration. Fee exemptions, if offered, are noted in the Course Listings. Checks should be made payable to Forsyth Technical Community College.

Keep In Mind

- Early registration is encouraged — classes fill on a “first come, first served” basis. Registration must be completed before the first class meeting. Late registration is not permitted.
- Students may no longer register for Continuing Education courses at Forsyth Technical Community College’s Main Campus.

Ways To Register

  Monday - Thursday, 8:30 am-5 pm (Closed Noon-1 pm)
  Friday, 8:30 am-1:30 pm

Telephone Registration

To register by phone, call 336.761.1002
Monday - Thursday, 9 am-4 pm; Friday, 9 am-Noon.
Payment by Visa/MasterCard (credit/debit) only.

Corporate Registration

Companies registering a minimum of five employees and paying for their registration, equipment, lab, insurance or book fees by purchase order or authorization letter may use fax registration. Call 336.734.7736 to request a form. Upon completion, fax it back to 336.760.6173, attention West Campus Business Office. Employees will be registered upon receipt of the completed form. If classes are filled, the company will be notified. If you have additional questions, contact the West Campus Business Office at 336.734.7736.

*Posted registration fees were in effect at the time our most recent schedule was printed and are subject to change without notice.*
Imported Registration Information

Course Repetition Policy
> In 1993, the N.C. legislature enacted a law that requires anyone, including senior citizens, who takes the same occupational extension course more than twice within a five-year period to pay an additional cost of $6.34-$7.03 per scheduled hour.
> Here’s an example: Computer Basics costs $70 (First Time), Computer Basics costs $70 (Second Time), Computer Basics costs $152.16, (Third Time: 24 class hours x $6.34 = $152.16). This example does not reflect scheduled cost.

These fees were in effect at the time our most recent schedule was printed and are subject to change without notice. You are exempt if you are required by law to have certification/licensure.

Refund Policy
> A full refund is given if Forsyth Tech cancels a course.
> If the course has a ✓ symbol, you may get a full registration fee refund by officially withdrawing from the class before the first class meeting. After the class has started, a 75% refund can be obtained by officially withdrawing before the class has met 10% of its scheduled time.
> If the course has a ✗ symbol, you may get a full registration fee refund by officially withdrawing from the class one working day (24 hours) before the first class meeting.
> PLEASE NOTE: To request a registration fee refund in accordance with the above policy, you must officially withdraw from a class by completing and submitting a Request for Refund form to the Economic & Workforce Development Customer Service Center on West Campus. Forms are available at the Customer Service Center or you may fill out and submit the online Request for Refund form. Refunds are generally mailed within four to six weeks of receipt of the Request for Refund form and/or notification of class cancellation.
> No other refunds will be given. This includes malpractice insurance fees.

Disabilities Services
> Students, who have a disability and would like to request services and accommodations, must register with Disability Services. They will be required to provide current, official documentation of their disability. Information provided by a student is voluntary and appropriate confidentiality is maintained. Students who need assistance for academic services should call the ADA/Disabilities Services coordinator at 336.734.7155.

Fees
> **Computer Use and Technology Fee** All occupational courses have a $5 per course computer use and technology fee.
> **Textbooks** For your convenience, two options are provided for purchasing textbooks:
  - Online: Go to www.ftcc.blstr.com. Click GO and find your course. Requires VISA or MasterCard.
  - West Campus Bookstore on Bolton Street: Call 336.734.7754 for days and hours of operation.
> **Parking Decals** Parking decals cost $25 and are nonrefundable. All EWD students who park vehicles on ANY Forsyth Tech campus (Main, Northwest Forsyth Center, Oak Grove Center, Stokes County Center, Transportation Center, West, Woodruff and Swisher) are required to purchase parking decals for all classes that meet 5 days or more. Parking decals must be purchased in person at the Customer Service Center on West Campus or at the Northwest Forsyth, Stokes, Swisher, Transportation Technology or Woodruff Centers. Parking decals may be purchased in advance or on the first day/night of class.
**Computer Technology**

**Computer Fundamentals**

Become a confident, self-sufficient PC user. This course is designed for the computer novice with little to no basic computer experience. This course uses Microsoft Windows 7 to demonstrate how to operate and use a computer. Topics include: hardware, software, operating systems, internet, email, file management, security, computer terminology and an introduction to the Microsoft Office 2010 Suite.

**Prerequisite:** Computer Fundamentals, Microsoft Windows course, or understanding/use.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90458 Cost: $75
- Date: Jan 13-Feb 10, TTH, 9 am-Noon
- Location: West Campus, Room 1

- Course Code: 90481 Cost: $75
- Date: Feb 23-Mar 18, MW, 9 am-Noon
- Location: West Campus, Room 1

**Computer Beyond The Fundamentals**

This course reaches beyond the computer fundamentals of using a mouse and learning the desktop. Students will review and enhance material covered in Computer Fundamentals as well as, troubleshooting techniques, practical PC maintenance, and various other computer-related topics.

**Prerequisite:** Computer Fundamentals, Microsoft Windows course, or understanding/use.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90556 Cost: $75
- Date: Apr 6-29, MW, 9 am-Noon
- Location: West Campus, Room 1

**Excel 2010 Introduction**

In this 24-hour course, students will discover dozens of shortcuts and tricks for quickly and efficiently setting up fully formatted worksheets. Students will also learn the secrets behind writing powerful formulas, using functions, sorting and analyzing data, creating custom charts, creating three-dimensional workbooks, freezing panes, and splitting a spreadsheet.

**Prerequisite:** A basic understanding of Microsoft Excel and the Microsoft Windows operating system.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90508 Cost: $75
- Date: Mar 14-21, S, 11 am-2 pm
- Location: West Campus, Room 1

- Course Code: 90566 Cost: $75
- Date: Apr 7-May 26, T, 1-4 pm
- Location: West Campus, Room 122

**Excel 2010 Pivot Tables**

This course will focus on creating basic pivot tables manually and using the recommended Pivot Table button. Use of the auto-filter and slicers to modify/filter tables will be demonstrated, and students will also learn how to create a Pivot Chart from a Pivot Table.

**Prerequisite:** A sound working knowledge of Microsoft Excel is required.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90504 Cost: $68
- Date: Feb 18-25, W, 1-4 pm
- Location: West Campus, Room 1

- Course Code: 90514 Cost: $68
- Date: Mar 1-1-21, S, 11 am-2 pm
- Location: West Campus, Room 1

**Excel 2013 Introduction**

Learn to use Microsoft’s powerful spreadsheet application that is an essential tool for today’s workplace. This course introduces students to the creation and editing of worksheets and charts, simple character formatting and printing. Discover Excel’s simple formulas and functions and understand the difference between absolute and relative cell addresses. Learn how to create three-dimensional workbooks and create custom charts and graphs.

**Prerequisite:** A basic understanding of Excel and the Microsoft Windows 8 or 8.1 operating system.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90733 Cost: $75
- Date: Jan 21, W, 9 am-3 pm
- Location: Innovation Quarter, Room 244

**Microsoft Office 2010**

In this 24-hour course, students will learn how Microsoft Office 2010 offers flexible and powerful new ways to deliver their best work at the office, at home, or at school. In addition to exploring the new tools offered by Office 2010, this introductory course will teach the students the basics of Word, Excel, PowerPoint and some Access.

**Prerequisite:** A basic understanding of the Microsoft Windows operating system.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90498 Cost: $75
- Date: Mar 2-18, MWF, 11 am-2 pm
- Location: West Campus, Room 122

**Microsoft Office 2013 Introduction**

Enhance your skills, get organized, and increase your marketability in the workforce by becoming more proficient in Microsoft Office 2013. This class will introduce you to Word, Excel, Access and PowerPoint while using the 2013 version of Microsoft Office.

**Prerequisite:** A basic understanding of the Microsoft Windows 8 or 8.1 operating system.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90461 Cost: $75
- Date: Jan 12-Feb 9, MW, 6-9 pm
- Location: Grady Swisher Center, Room 219

**Excel 2013 Boot Camp – Level 1**

Learn to use Microsoft’s powerful spreadsheet application that is an essential tool for today’s workplace. This course introduces students to the creation and editing of worksheets and charts, simple character formatting and printing. Discover Excel’s simple formulas and functions and understand the difference between absolute and relative cell addresses. Learn how to create three-dimensional workbooks and create custom charts and graphs. This class moves very fast covering a lot of information and not recommended for the technologically faint of heart.

**Prerequisite:** A basic understanding of Excel and the Microsoft Windows 8 or 8.1 operating system.

**Note:** This course requires a textbook and students will need to bring a USB flash drive to class.

- Course Code: 90733 Cost: $75
- Date: Jan 21, W, 9 am-3 pm
- Location: Innovation Quarter, Room 244
Office Technology 
This course covers the basics of the Windows operating system, Microsoft Office software programs (Word, Excel, PowerPoint and Access), keyboarding skills, and employability skills. In Word, students will learn how to create and edit documents, create tables and use Mail Merge. In Excel, students will learn how to create and format Excel worksheets, write formulas, use built-in functions and create charts. In PowerPoint, students will acquire the skills necessary to create, edit and deliver effective presentations, which include transitions, animations, clip art and music. In Access, students will learn the basics of database design and usage, focusing on records, tables, forms and reports. After completion of this course, students will be prepared for an entry-level office position.
Prerequisite: Know how to operate a computer and a mouse.
Note: This course requires a textbook and students will need to bring a USB flash drive to class.

Window 8 Workshop 8.1
This 6 hour workshop is an introduction to the Windows 8.1 operating system. Students will explore the Windows 8.1 environment and learn general computer concepts, file management, multi-tasking techniques and how to customize Windows 8.1 look to suit individual needs and preferences. Class is hands on and will require student to bring laptop computer to class.
Prerequisite: A basic understanding of the Microsoft Windows operating system.
Note: Students will need to bring their Windows 8.1 laptop computer and extra power source to class
Course Code: 90475 Cost: $75
Date: Feb 4-22, MTW, 9 am-1 pm
Location: Goodwill, Room 302

Quickbooks Pro 2014 Level I
This course will introduce basic accounting principles and teaches participants how to keep track of transactions and finances.
Course Code: 90727 Cost: $75
Date: Jan 14-28, W, 6:30-8:30 pm
Location: Grady P Swisher, Room 203

Quickbooks Pro 2014 Level II
This course continues Level I of QuickBook with more in-depth hands-on practice.
Prerequisite: Quickbooks Pro 2014 Level I
Course Code: 90745 Cost: $75
Date: Feb 4-11, W, 6-8:30 pm
Location: Grady P Swisher, Room 203

Photography: DSLR II  NEW!

Now that you have completed the DSLR class, are you ready to take your skill to the next level? Then DSLR II is the class for you. This class is divided into two parts. One, a classroom phase held Wednesday evenings and the second, a shooting phase held Saturday afternoons. During the classroom phase students will receive technical information about the DSLR cameras, receive instructions in advanced digital manipulation skills using Photoshop CS6 extended and suggested shooting set-ups for the Saturday location shooting phases. During off campus shooting assignments, students will learn how to work with many different techniques using their DSLR digital camera including the use of different lenses, fast and slow shutter speeds, long and short depths of field as well as white balance setting, fill flash, reflected lighting techniques and how to combine any of the above in order to produce a top quality digital image. Students will be given the opportunity to photograph a variety of different subjects from people and animals to architectural building details and landscape photography. Using the combination of supervised instruction, digital manipulation and shooting techniques along with your own creativity and imagination, the sky is truly the limit in your digital photography.

Prerequisite: DSLR I.

Note: All students must have a DSLR camera. In addition students should bring the following to class: lenses, a tripod and owner’s manual, paper and pencil for note taking, a USB flash drive with at least 2 gigabytes of memory, a card reader for their media card and (if you have one) an external flash and sync cord. Some shooting assignments will involve strenuous walking/hiking.

Course Code: 89400  Cost: $85
Date: Jan 26-Mar 16, M, 6-9 pm
Location: West Campus, Room 34

Course Code: 89401  Cost: $85
Date: Mar 21-May 16, S, 9 am-Noon
Location: West Campus, Room 34

Quilt Making: All Levels  NEW!

This quilt making class is for beginner and intermediate levels. Students will learn the wonderful form of artistic expression through fabric and sewing. Beginners will make a 9-patch quilt. Location: South Fork Recreation Center

**Parenting**

**Parenting: icrazy! Social Media**
NEW!
There is a communication explosion and your child is a part of it! Facebook, Twitter, Instagram, SnapChat, Tumblr, are just a few of the avenues your child will use to communicate with friends and new acquaintances. What are the positive and negative effects of social media? How can I know my child is using social media in a safe manner? What is my role as a parent when it comes to social media? What are the warning signs that signal my child is in turmoil, and when is intervention necessary? These are excellent questions that can be answered by a counselor with over 30 years’ experience. Only three hours to gain priceless information that will help you be a better parent. Is there anything else more important?

Course Code: 90717 Cost: $35
Date: Apr 16, TH, 6-9 pm
Location: Oak Grove Center, Room 450

**Parenting: Middle School Years**
NEW!
Your child or someone you love is about to enter the middle school years. Take a deep breath, and equip yourself with the necessary tools to help you navigate these uncharted waters in our parenting class taught by a professional counselor.

Middle School can be challenging for both parents and children. Parents need to understand the physical, social and emotional changes that their child will experience during these years. Be ready for the mood swings, understand all the social media the students are using, and get a handle on guidelines and accountability. This class will discuss warning signs to look for in your child and when intervention is necessary. Three hours of your life to give you the essential tools to understand your middle school child. What could be more important or valuable?

Course Code: 90720 Cost: $35
Date: Apr 28, T, 6-9 pm
Location: Oak Grove Center, Room 456

Leadership 101

Great leaders are individuals who are passionate about and confident in the work they do, and they inspire others to do so in the process. Students will come away from the course with an ability to confidently lead through rapidly changing and unpredictable situations and with a toolkit of new skills for working in groups, giving and receiving feedback, and problem solving. The five week program will consist of the following sessions:
- Leadership 101
- 1st Time Manager
- Meeting Management
- Team Building
- Toughest Supervisor Challenges

- Course Code: 90884  Cost: $130
  - Date: Jan 7-Apr 8, W, 6-9 pm
  - Location: REACT Center, Room 9

Women In Leadership

Whether you are in a leadership role today or hope to be in one tomorrow, there are management skills that will help you be successful. This seven week series of classes will cover a wide range of leadership topics including communication and management styles, mentoring, presentations, and professional paths. Participants will also complete a DISC personal assessment to help improve work productivity, teamwork and communication.

- Course Code: 91068  Cost: $199
  - Date: Jan 23-Mar 6, F, 8:30-11:30 am
  - Location: Innovation Quarter, Room 2247

Administrative Assistant Training

This program is not only for administrative assistants, secretaries and executive support staff who wish to upgrade or enhance their skills for new roles and expanded responsibilities, but also for those who wish to pursue these types of careers. Today’s administrative assistant requires a wide variety of skills such as project management, computer applications, organization, research, communication, customer service, electronic record keeping and event planning. To receive a certificate in this area, students must complete a series of four courses. Students will also have the opportunity to acquire a Career Readiness Certification (CRC) as part of the program.

- Course Code: 90884  Cost: $130
  - Date: Jan 7-Apr 8, W, 6-9 pm
  - Location: REACT Center, Room 9

Electrical Lineman JobsNOW

The Electrical Lineman Program is designed to train persons that wish to become entry-level electrical line workers for private and public utility companies and related employers. Students will learn academic and field skills necessary for entry-level workers. Safety is stressed in every aspect of the job. Students will also have the opportunity to earn a Career Readiness Certificate. This program is approved for national certification by the National Center for Construction Education and Research (NCCER). NCCER’s standardized training provides an industry-wide standard of recognition, career advancement opportunities, and a personal sense of accomplishment, professionalism, and pride for workers. Individuals interested in Electrical Lineman training must first complete a Job Readiness & Interviewing Skills course prior to enrolling in the Electrical Lineman course.

For more info, call 336.761.1002

National Certification for Electrical Lineman

Forsyth Tech added a national certification for its Electrical Lineman program starting in 2014. The certification is through the National Center for Construction Education and Research (NCCER). NCCER’s standardized training provides an industry-wide standard of recognition, career advancement opportunities, and a personal sense of accomplishment, professionalism, and pride for workers. Individuals interested in Electrical Lineman training must first complete a Job Readiness & Interviewing Skills course prior to enrolling in the Electrical Lineman course.

Electrical Contractors License Exam Prep

This course prepares students for the Electrical Contractors License Exam for the state of North Carolina.

Course Code: 89194 Cost: $130
Date: Feb 4-Apr 22, W, 6-9 pm
Location: West Campus, Room 29

Electrical Contractors License Renewal/Unit 1

This course is approved for Electrical Contractors License Renewal/CEU and covers Chapters 1 & 2, Article 90, NEC Expert 2005 (Grounded Systems).

Course Code: 89316 Cost: $75
Date: May 2-9, S, 8 am-Noon
Location: West Campus, Room 17

Electrical Contractors License Renewal/Unit 2

This course is approved for Electrical Contractors License Renewal and covers Chapter 3, Wiring Methods and Materials.

Course Code: 89309 Cost: $75
Date: Apr 11-18, S, 8 am-Noon
Location: West Campus, Room 17

Electrical Contractors License Renewal/Unit 3

This course is approved for continuing education for electrical contractors and covers Chapter 4, General Equipment, NEC Expert 2005 (Motors & Controls) and a test.

Course Code: 89301 Cost: $75
Date: Mar 7-14, S, 8 am-Noon
Location: West Campus, Room 17

Electrical Contractors License Renewal/Unit 4

This class provides electrical contractors with updated information on the latest changes to the National Electrical Code, the North Carolina Electrical Laws, and local utility company requirements. It covers NEC Chapters 5 (Special Occupancies) and 6 (Special Equipment).

Course Code: 89258 Cost: $75
Date: Feb 7-14, S, 8 am-Noon
Location: West Campus, Room 17

Electrical: Installation/Troubleshooting JobsNOW

This program consists of four subjects taken during one semester. After completing all four subjects, students will earn an Electrician Helper Certificate. Students successfully completing this program will be able to qualify for entry-level employment with electrical contractors, maintenance companies and apartment complexes.

Note: This is an intro class.
For more information, call 336.734.7726.

Course Code: 89334 Cost: $195
Date: Feb 9-Jun 15, MW, 6-9 pm
Location: Goodwill, Room 108

Facility Maintenance Technician JobsNOW

This is a 240-hour course that instructs the student in various technical skills that includes: Carpentry, Electrical, HVAC, Plumbing, OSHA Safety and HRD skills. In partnership with the National Apartment Association, students will also learn customer service and apartment maintenance skills, including major appliance repair and pool operation. Certificates will include Refrigerant certification (CFC), Aquatic Facilities Technician (CPO) and Certified Apartment Maintenance Technician (CAMT).

Course Code: 89259 Cost: $185
Date: Feb 9-May 4, MTWTH, 8:30 am-12:30 pm
Location: Goodwill, Room 108
Courses in Forsyth County

HVAC Service Technician Level II

This is the second semester of a two-semester HVAC program. Subjects will include mechanical cooling, electronic controls, CFC certification, electromechanical refrigerant controls and refrigeration troubleshooting.

**Prerequisite:** Students must have completed HVAC Service Technician Level I to register for this course.

- **Course Code:** 90424  **Cost:** $215
- **Date:** Feb 2-Apr 22, MW, 6-9 pm
- **Location:** Northwest Forsyth Center, Room 113

Note: Students must also pass the Refrigerant Controls Exam and obtain a refrigeration license.

**Course Code:** 90426  **Cost:** $295
- **Date:** Apr 11-May 12, TTH, 6-9 pm
- **Location:** Northwest Forsyth Center, Room 113

Note: This course is available for credit for the degree.

**Course Code:** 90450  **Cost:** $215
- **Date:** Feb 17-May 12, MW, 6-9 pm
- **Location:** Goodwill, Room 108

Welding: MIG

This course will instruct students in welding safety of the Shield Metal Arc Welding process (SMAW-Stick). Emphasis is on the blueprint reading, metallurgy, welding inspection and destructive and non-destructive testing. Course content will include metal inert gas (MIG) and metal flux core (MFC-Wire). Course content will be specific to a particular welding process such as SMAW (stick), GMAW (MIG) and GTAW (TIG). Upon completion, students will have the knowledge base to sit for various industry-specific certifications.

- **Course Code:** 90778  **Cost:** $225
- **Date:** Jan 5-May 27, MTWTH, 8:30 am-12:30 pm
- **Location:** Goodwill, Room 011

Note: Students should have a GAZ mask and practice for this course.

Veterinary Assistant Training: Beginning

Course topics will include small animal anatomy and physiology, reproduction, nutrition, restraint and handling along with infectious and metabolic diseases. Other small animal topics include neoplasia, toxicities, preventive health and wellness, first aid, diagnostics, and surgical room procedures. Course content will be specific to a particular field such as small animal, large animal, zoo, or exotic.

- **Course Code:** 90640  **Cost:** $130
- **Date:** Feb 4-May 6, W, 6:30-9 pm
- **Location:** REACT Center, Room 10

Note: Students are required to have their own safety glasses.

Welding: ARC

This course will instruct students in welding safety of the Shield Metal Arc Welding process (SMAW-Stick), proper techniques and electrode selection for welding plate to meet AWS (vertical-up) welding code. Students will be welding with E6010 and E7018. Upon completion of the class, students will have the skills to pass the 3G/4G weld test to AWS standards.

- **Course Code:** 90779  **Cost:** $225
- **Date:** Jan 6-May 7, TTH, 6-9 pm
- **Location:** Goodwill, Room 011

Note: Students are required to have their own safety glasses.

Welding: Industrial

This course provides instruction on the principles and practices of welding. Emphasis is on the blueprint reading, metallurgy, welding inspection and destructive and non-destructive testing. Course content will be specific to a particular welding process such as SMAW (stick), GMAW (MIG) and GTAW (TIG). Upon completion, students will have the knowledge base to sit for various industry-specific certifications.

- **Course Code:** 90778  **Cost:** $225
- **Date:** Jan 5-May 27, MTWTH, 8:30 am-12:30 pm
- **Location:** Goodwill, Room 011

Note: Students should have a GAZ mask and practice for this course.

Welding: ARC

This course will instruct students in welding safety of the Shield Metal Arc Welding process (SMAW-Stick), proper techniques and electrode selection for welding plate to meet AWS (vertical-up) welding code. Students will be welding with E6010 and E7018. Upon completion of the class, students will have the skills to pass the 3G/4G weld test to AWS standards.

- **Course Code:** 90779  **Cost:** $225
- **Date:** Jan 6-May 7, TTH, 6-9 pm
- **Location:** Goodwill, Room 011

Note: Students are required to have their own safety glasses.

Location: Northwest Forsyth Center, Room TBA

Course Code: 90772 Cost: $69
Date: May 5-7, TTH, 1-4 pm
Location: Northwest Forsyth Center, Room TBA

Personal Enrichment

Basic Freshwater Fishing ❖
A local hero of mine once said “water was made to fish and drink”. This course has one outstanding objective-teaching participants how to fish. Emphasis of this course will specifically involve basic fishing techniques for bass and pan fish. Participants will be provided with both lecture and hands on experience in all basic areas of freshwater fishing. After completing the course the participant will have the knowledge and skills necessary to begin to pursue the enjoyable pastime of fishing.

Note: Please ask for supplies list when registering.
Course Code: 90897 Cost: $60
Date: Feb 6-Mar 13, F, 6:30-9:30 pm
Location: Stokes County Center, Room 103

Safe Driving

Alive At 25: Stokes County ❖
This four-hour defensive driving course is for drivers age 16-24 and is conducted in the classroom only. The purpose is to save lives through education about proper conduct and safe-driving techniques when operating a motor vehicle.

Note: You are eligible to take this class only once within a three-year period.
For more information on this class, call Forsyth Tech's Stokes County Office at 336.593.5402 ext. 1104
Course Code: 90471 Cost: $65
Date: Feb 26, TH, 6-10 pm
Location: Stokes County Center, Room 113

Technical/Trade

Electrical Lineman ❖  JobsNOW
The Electrical Lineman Program is designed to train persons that wish to become entry-level electrical line workers for private and public utility companies and related employers. Students will learn academic and field skills necessary for entry-level workers. Safety is stressed in every aspect of the job. Students will also have the opportunity to earn a Career Readiness Certificate. This program is approved for national certification by the National Center for Construction Education and Research and for Pre-Apprentice credit by the NC Department of Commerce. Students may also earn a flagger and OSHA 10 certificate.

Course Code: 90833 Cost: $185
Date: Jan 5-Mar 9, MTWTH, 8 am-5 pm
Location: Northwest Forsyth Center, Room 213

Course Code: 90834 Cost: $185
Date: Mar 12-May 14, MTWTH, 8 am-5 pm

Now Offered! Nursing Assistant Classes!

Nursing Assistant I & II Classes are being held at the Northwest Forsyth Center.
Please visit our Health & Safety Section on pages 27-28 for available dates and times.

❖ Refund Policy Applies (see page 7)  ✓ Refund Policy Applies (see page 7)
HVAC Service Technician Level II ✓ JobsNOW
This is the second semester of a two-semester HVAC program. Subjects will include mechanical cooling, electronic controls, CFC certification, electromechanical refrigerant controls and refrigeration troubleshooting.

Prerequisite: Students must have completed HVAC Service Technician Level I to register for this course.

Course Code: 90424  Cost: $215

Date: Feb 2-Apr 22, MW, 6-9 pm
Location: Northwest Forsyth Center, Room 113

Precision Measuring Instruments ✓
This course is designed to provide the basic skills in the use and care of precision measuring tools desired by product manufacturers of their prospective entry-level employees. Hands-on training with these tools is the primary objective. Some of the measuring tools to be discussed and practiced include calipers, micrometers, rules, tapes, combination square, telescoping gages and depth gaging.

Course Code: 90450  Cost: $75

Date: Apr 2-21, TTH, 6-9 pm
Location: Northwest Forsyth Center, Room 113

Understanding Blueprints ✓
This course is designed to develop your abilities to read and interpret engineering drawings. The foundation for this is achieved through the study of such topics as multi-view drawings, sectional views, geometric dimensions and tolerances, and part feature specifications.

Note: A textbook is required.

Course Code: 90426  Cost: $75

Date: Mar 7-28, S, 8 am-Noon
Location: West Campus, Room 12

Welding: ARC ✓ JobsNOW
This course will instruct students in welding safety of the Shield Metal Arc Welding process (SMAW-Stick), proper techniques and electrode selection for welding plate to meet AWS (vertical-up) welding code. Students will be welding with E6010 and E7018. Upon completion of the class the students should have the skills to pass the 3G/4G weld test to AWS standards.

The course is 96-hours of instruction, lecture and practice.

Note: Students are required to have their own safety glasses.

Course Code: 90453  Cost: $225

Date: Jan 26-Jun 1, MW, 6-9 pm
Location: Sertoma

Welding: MIG ✓ JobsNOW
This course will instruct students in welding safety of the Metal Inert Gas/Metal Flux-Core Welding process (MIG/MFC-Wire), proper techniques, machine setup, inert gas and wire selection for welding both light and heavy plate to meet AWS (vertical-down and flat) welding code. Students will be welding with solid and flux core wires. Upon completion of the class the students should have the skills to pass the 1G/2G & 1F weld test to AWS standards. The course is 96-hours including instruction, lecture and practice. After completing this course, students may retake the course at an advanced level.

Note: Students are required to have their own safety glasses.

Course Code: 90452  Cost: $225

Date: Jan 20-May 21, TTH, 6-9 pm
Location: Sertoma
Courses in Stokes County

Health Education Prerequisites

**Testing:** Math and Reading Placement Tests must be completed before Nursing Assistant I orientation, and before registering for the following classes: Nursing Assistant II, Nursing Assistant I Review, EKG Technician, Medication Aide, and Phlebotomy.

- **Where/When**
  - West Campus: Times vary. Please call 761.1002 for days and times.
  - Stokes County Center: Mondays at 10 am and the first Wednesday each month at 5:30 pm
  - Goodwill: Third Wednesday each month at 1 pm

  *No appointment necessary. Must bring a picture ID and Social Security card.*

- **Required Scores**
  - Math: 6th grade level
  - Reading: 10th grade level

- **Orientation:**
  - **Required** for Nursing Assistant I only

- **Where/When**
  - West Campus, various Tuesdays, call 336.761.1002 for schedule.

  *Must bring photo ID, Social Security card and other required documents to Orientation. Refer to Prerequisites under class descriptions for these documents.*

NEW: Healthcare Clinical Fee

Healthcare facilities providing clinical experiences for Forsyth Technical Community College programs require criminal background checks and drug screens on all employees and students working in their facilities. The screening company meets compliance standards of the healthcare agencies and Forsyth Technical Community College.

The screening company shares findings of the screening only with the clinical site and the student. Healthcare facility representatives review the finding on the background check/drug screen and determine whether students are eligible to participate in clinical education.

The cost of the screening begins at $70.00 and is the sole responsibility of the student. Students are to begin the background check/drug screen process before they register for a Health Education class. However, information will not be sent to a clinical site until after the student registers.

If a student is denied by the clinical site, this proactive approach may enable the student to receive a full refund. Criminal background check/drug screen is valid for 12 months and must be current at the time of clinicals.

---

ACLS—Advance Cardiac Life Support ✓

This AHA ACLS course is designed for the advanced medical professional. This class is an advanced, instructor-led classroom course that highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac-arrest care. Instruction is provided for airway management and related pharmacology. In this course, skills are taught in group sessions, group learning and testing stations where case-based scenarios are presented. Upon successful completion of the ACLS Course students will receive an AHA ACLS provider course completion card, valid for two years.

**Pre-requisite:** Current AHA Healthcare Provider CPR Certification

**Note:** This Course requires a textbook.

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu

- Course Code: 90862 Cost: $75
  - Date: Mar 12-13, THF, 8 am-5 pm
  - Location: West Campus, Room 14

  - Date: Apr 16-17, THF, 8 am-5 pm
  - Location: West Campus, Room 14

---

Activity Director ✓

This course is designed to provide basic training to individuals desiring to become an Activity Director in a healthcare related setting, such as long term care, assisted living facilities or adult care homes. This course follows the state approved course outline including:

1. an overview of the Activity Director profession, 
2. Human Development and the Aging Process,
3. Standards of Practice,
4. Activity Care Planning, and
5. Methods of Service Delivery.

Persons completing the entire 60 hours of training become qualified to work as an Activity Director in a Nursing Home or Assisted Living Facility.

**Prerequisite:** High school diploma or high school transcript or GED® or college diploma are required.

**Note:** Students must bring a copy of proof of high school or college graduation or GED® to Customer Service for verification in order to register.

For additional course information, contact Graham Hyder at 336-734-7733 or ghyder@forsythtech.edu.

Heartsaver CPR and/or First Aid for Public School System Employees

This course is for public school employees and is fee exempt. Instruction is designed to teach participants that are not healthcare providers the basic steps of CPR, use of an AED (Automated External Defibrillator) and FBAO (Foreign Body Airway Obstruction) for victims of all ages. Students will receive instruction to recognize emergency situations involving heart attack, choking, respiratory and cardiac arrest in adults, children and infant victims. Instruction will be provided to manage life-threatening environmental emergencies, injuries and medical emergencies such as; seizures, diabetes, heat stroke and snake bites. Participants must provide proof of affiliation with a public school system. Upon successful completion of this course the AHA Heartsaver CPR/First Aid certification card will be awarded.

Note: If you need CPR and First Aid, you must sign up for each course separately.

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu.

CPR only

Course Code: 90886 Cost: Fee Exempt
Date: Feb 28, S, 8 am-Noon
Location: West Campus, Room 14

First Aid Only

Course Code: 89075 Cost: Fee Exempt
Date: Feb 28, S, 1-4 pm
Location: West Campus, Room 14

Medication Aide

This course is designed to meet the training requirements to become qualified as a Medication Aide. It will cover the six rights of medication administration for non-licensed personnel. Topics will include medication administration via the oral, topical and instillation routes, medical asepsis, hand hygiene, terminology and legal implications. Upon completion, students should be prepared to take the competency exam and demonstrate skills necessary to qualify for listing on the North Carolina Medication Aide Registry.

Prerequisite: Three to six months minimum direct patient care experience with a letter of recommendation on letterhead from an RN who supervised the student's work within the past 2 years (a letter of recommendation from NAII or NAII instructor is not sufficient), successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card and high school diploma or high school transcript or GED® or college diploma are required.

Note: To pursue a Medication Aide position in a Skilled Nursing Facility, a current State NAII Registry certification is required.

For dates and times offered or additional course information, contact Graham Hyder at 336-734-7733 or ghyder@forsythtech.edu.

PALS-Pediatric Advance Life Support

The American Heart Association Healthcare Provider PALS course is an instructor-led course using a series of simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support and team dynamics. The goal of the PALS Course is to improve the quality of care provided to seriously ill or injured children, resulting in improved outcomes. The PALS Course is for healthcare providers who respond to emergencies in infants and children. These include personnel in emergency response, emergency medicine, intensive care and critical care units such as physicians, nurses, paramedics and others who need a PALS course completion card for job or other requirements. PALS is a continuing education course for EMS providers of all levels and other health care providers. Upon successful completion of the PALS Course, students will receive an AHA PALS Provider course completion card which is valid for two years.

Prerequisite: Must have a current HCP CPR certification card.

Note: This course has a required book that must be read prior to class.

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu.

Course Code: 90886 Cost: $75
Date: May 7-8, THF, 8 am-5 pm
Location: West Campus, Room 14

EKG Cardiographic Technician

Graduates of this course will be prepared to function as a monitor technician, stress test technician, EKG technician, and to put on holter monitors. Students will study anatomy and physiology of the heart, cardiac terminology, and practice stress testing, holter monitoring, basic rhythm interpretation and 12-lead EKG skills.

Courses in Health and Safety

Economic & Workforce Development Registration: 336.761.1002
Courses in Health and Safety

**Phlebotomy ✓ New!**
This training prepares the student to draw blood specimens from patients for the purpose of testing and analyzing blood. A phlebotomist’s job includes maintenance of equipment used in obtaining blood specimens, the use of appropriate communication skills when working with patients, the selection of venipuncture sites, the care of blood specimens and the entry of the testing process into the computer, as well as clerical duties associated with record keeping. This course consists of theory and clinical experiences which will be available in the hospital, outpatient clinics and central processing areas.

**IMPORTANT!** Students will have to practice venipuncture which includes being stuck and sticking others.

**Prerequisite:** Successful completion of Math and Reading placement tests (or equivalent approved by Forsyth Technical Community College), a picture ID, Social Security card, high school diploma, high school transcript or GED® or college diploma/college transcript, receipts from Criminal Background Check/Drug Screening. Students must also provide documentation of one of the following: Current Nursing Assistant I or Nursing Assistant II registry listing or Certificate of Completion from a NC approved Nursing Assistant I or Nursing Assistant II Program (completed within the past two years) OR Direct patient care experience (i.e. Nurse, CMA, EMT, Med Office Assistant) with a letter of recommendation on letterhead from a clinical professional who supervised this care (within the past 2 years).

Additional requirements: Current CPR (American Heart Association) Healthcare Provider Certification and completed immunization form must be turned in on the first day of class.

**Note:** Students will attend one of 2 clinical rotations. Both will meet Monday through Friday during the day (8 hour shifts). Students will work out the exact schedule with their instructor the first week of class.

For dates and times offered or additional course information, contact Graham Hyder at 336-734-7733 or ghyder@forsythtech.edu.

**The Dorothy L. Lougee Nursing Assistant I Program ✓ JobsNOW**
This state approved course introduces basic nursing skills required to provide personal care for patients, residents, the elderly or others requiring medical assistance in a healthcare setting. Emphasis is placed on the aging process, communications, patient safety, patient’s rights, personal care, vital signs, elimination, nutrition, emergencies, rehabilitation and mental health. CPR certification is included in the class. Through classroom instruction, laboratory work and clinical rotations, students are prepared to take the NC Nurse Aide I Competency Evaluation. Passing this evaluation leads to being listed on the NC Nurse Aide I Registry.

**Prerequisite:** Successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security card, a high school diploma, high school transcript or GED® or college diploma are required. Students must also attend an orientation session and present receipts from the criminal background check and drug screening before they will be allowed to register for class.

**Note:** In addition to the registration fee, students will be charged an $18 non-refundable insurance fee, which is valid for one year.

**Date:** Feb 10–Apr 30, TWTH, 3–8:30 pm
**Location:** Grady P. Swisher, Room 236

**The Dorothy L. Lougee Nursing Assistant I Refresher Program ✓ JobsNOW**
This course is designed to update individuals who have been listed within the previous two years on the North Carolina Nurse Aide I Registry but let their certification lapse. This course is also a refresher for Nursing Assistants registered in another state (current or lapsed within the previous two years) who are seeking certification as a Nursing Assistant in North Carolina. This course provides individuals with a review of the knowledge, skills and abilities that must be demonstrated on the National Nurse Aide Assessment Program (NNAAP) Examination. This course does not have a clinical component.

**Prerequisite:** Successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card, and high school diploma/high school transcript or GED® or college diploma/college transcript are required. Candidates must also bring documentation of ONE of the following to the Health Education Department: 1) NC Nursing Assistant I listing (certification has lapsed in the past 2 years) OR 2) Nursing Assistant registry from another state (certification has lapsed in the past 2 years) OR 3) Nursing Assistant registry from another state (current). Eight students are required for this class.

For dates and times offered or additional course information, contact Graham Hyder at 336-734-7733 or ghyder@forsythtech.edu.
The Dorothy L. Lougee Nursing Assistant II Program - JobsNOW

This course provides Basic NA II nursing skills taught in accordance with the North Carolina Board of Nursing. Tasks include oxygen therapy, suctioning, sterile dressing changes, IV fluid assistive activities, ostomy care, gastrostomy feedings/nasogastric feedings and catheterizations. Classroom, laboratory and clinical learning experiences are included. Upon successful completion of the course and skill/competency evaluation, the student is eligible to apply for listing as a Nurse Aide II by the NC Board of Nursing Nurse Aide Registry.

**Prerequisite:** Current NC Nursing Assistant I Registry listing, successful completion of Math and Reading placement tests (or equivalent approved by Health Education Department), picture ID, Social Security Card and high school diploma or high school transcript or GED® or college diploma are required. Students must also present receipts from the criminal background check and drug screening before they will be allowed to register for class. Current CPR (AHA) Healthcare Provider certification is required before clinical.

**Note:** In addition to the registration fee, students will be charged an $18 non-refundable insurance fee, which is valid for one year.

- **Course Code:** 90754  Cost: $203
- **Date:** Jan 7-Mar 6, WTH, 8 am- 4:30 pm & F, 8 am- Noon
- **Location:** Northwest Forsyth Center, Room 138

- **Course Code:** 90731  Cost: $203
- **Date:** Jan 26-Mar 12, MTTHF, 8 am- 2:30 pm
- **Location:** West Campus, Room 11

- **Course Code:** 90911  Cost: $203
- **Date:** Mar 9-May 18, MTW, 8 am- 1:30 pm
- **Location:** Goodwill, Room 106

The Dorothy L. Lougee Nursing Assistant II Refresher Program - JobsNOW

This course is designed to assess and validate NAII Skills competencies for candidates whose NAII certification lapsed in the previous 24 months. Class time focuses on assessing and validating competency for the skills identified on the NC Board of Nursing Approved NAII Task List. The list includes Oxygen Therapy, Sterile Dressing Changes, Wound Irrigations, Nasogastric and Gastrostomy Care, Ostomy Care, Fecal Disimpacting, Tracheostomy Care, Urinary Catheterizations, and IV Assistive Activities. Successful graduates will submit applications for listing on the NAII Registry. No further testing will be required.

**Prerequisite:** Current NC NAI registry listing, copy of NC Board of Nursing NAI registry listing showing the expiration date within the previous 24 months, picture ID and Social Security Card (with matching names). Also required is documentation on letterhead from the HR Department or the supervising nurse stating you are eligible for NAII competency assessment in one of two ways:

1. You worked at least 8 hours for compensation during the previous 24 months performing nursing care activities under the supervision of a Registered Nurse and that you have no substantiated findings of abuse, neglect, or misappropriation of funds on the DHSR Nurse Aide Registry. “Nursing care activities” are normally performed by a nurse but one that can be delegated to unlicensed personnel by licensed nurses. OR
2. You have had a continuous 24 month period during which patient care activities were performed for compensation. “Patient care activities” are personal care activities that can be performed by unlicensed personnel.

For dates and times offered or additional course information, contact Graham Hyder at 336-734-7733 or ghyder@forsythtech.edu

For more information, contact Judy Snowden at 336.734.7749 or jsnowden@forsythtech.edu

Coming Soon!

**Autism Paraprofessional**

This course is designed to prepare individuals to provide direct services to children with autism spectrum disorders (ASDs). Caregivers may work in educational, home-based, or community settings. Emphasis is on understanding ASDs, working with families of children with ASDs, managing challenging behaviors associated with ASDs, and evidence-based practices for targeting communication, play, self-help, and social skills of children with ASDs. Class will also cover consumer safety and rights and ethical considerations. The course includes practicum hours in a local autism specialty school. Upon satisfactory completion of the course, the student will receive a certificate of completion, which should enhance employment opportunities in the field of autism treatment and education.

**SPECIAL NOTE:** Currently enrolled curriculum students can receive course credit for EDU248 upon successful completion of this course.

For more information, contact Judy Snowden at 336.734.7749 or jsnowden@forsythtech.edu

Blackboard (Bb)

Information
- Blackboard classes are conducted online, so students must be computer literate and have access to a computer with internet access, a web browser, and the ability to open Microsoft Word and PowerPoint documents.
- Registration for classes can be done by calling the Customer Service Center at 336.761.1002 or by registering in person at the West Campus at 1300 Bolton Street. Some classes with pre-requisites may require you to register in person to provide proof that the pre-requisite has been fulfilled.
- The registration deadline for all Blackboard courses is three business days prior to the start date of the course.

- Make certain to provide customer service with your updated email address and phone number at the time of registration. This will be essential to provide you with further instructions and access information.
- Orientation for all Bb courses is to be done the first time students login to their course. The course cannot be accessed until the start date.
- Required textbooks can be purchased at the West Campus bookstore. The number for the bookstore is 336.734.7754. Please call for hours of operation.
- Certificates for each course will be mailed to students after the course end date.
- Please contact Customer Service with any questions at 336.761.1002 or email questions to onlinebb@fosythtech.edu.

Bb: AAPP Exam Review
This 50-hour advanced online course provides students the opportunity to prepare for the National CPC Certification exam administered by the American Academy of Professional Coders (www.aapp.com). Medical Terminology, Anatomy & Physiology, ICD-9 Diagnoses Coding, CPT Procedural Coding and HCPCS level II are some of the topics reviewed. Students will utilize interactive online tools and information, including mock exam questions to ensure comprehensive preparation for the exam. This is the final course in the online series for students seeking to take the Certified Professional Coder (CPC) credentialing exam.
Course Code: 90131
Date: Feb 17-Mar 29
Cost: $185

Bb: Anatomy & Physiology for Non-Credit Students
This 50-hour online course will introduce basic anatomy, physiology and pathology. Emphasis is placed on the relationships between the human body structure, health and disease. Upon completion, students will be able to identify body system components and functions relating this knowledge to the delivery of healthcare. This course will serve as an excellent primer for students entering further educational training in the medical field as well as deliver essential anatomy and pathophysiology information for medical coders preparing for the transition to ICD-10.
Course Code: 89644
Date: Feb 10-Apr 12
Cost: $130

Bb: Case Studies Interpreter Lab
In this lab, students will interpret medical case studies from English to Spanish and Spanish to English. This lab consists of computer-based training and is designed to improve consecutive and simultaneous interpreting skills. This class emphasizes listening and oral skills in both languages.
Prerequisite: Must be enrolled in/or have completed Spanish/English Medical Terminology and National Standards, Professional Skills and Ethical Practices for Interpreters to take this course.
Course Code: 89998
Date: Mar 24-May 3
Cost: $130

Bb: Case Studies Translator Lab
This course is designed to allow Interpreters to take this course.
Course Code: 89998
Date: Mar 24-May 3
Cost: $130

Bb: Medical Coding – CPT
This 64-hour advanced online course provides students the opportunity to learn the proper way to review medical charts and physician documentation to assign appropriate CPT procedural codes. Students will benefit from interactive study materials and advanced coding scenarios/exercises. This course is designed as part of a series for students interested in becoming a Certified Professional Coder (CPC).
Course Code: 89728
Date: Mar 3-May 17
Cost: $185

Coming Soon!
Bb: Medical Assisting Review
This course is designed to allow students the opportunity to refresh information needed in order to take the AAMA certification exam or the AMT exam for registration.
This course will cover the materials documented in the AAMA Certification Review. Upon completion, students should be prepared to sit for either the AAMA certification exam and/or the AMT exam for registration based on their personal review of the material. This is designed as a preparatory review only.

For more information call Graham Hyder at 336.734.7733 or Judy Snowden at 336.734.7749.
Online Courses

**Bb: Medical Coding – ICD9**
This 64-hour advanced online course will provide students a sound knowledge of medical coding rules and regulations, coding errors to be avoided, as well as the ability to review and assign accurate ICD-9 diagnostic codes across a wide range of clinical cases. The course is designed as part of a series to prepare students interested in becoming a Certified Professional Coder (CPC).

- Course Code: 89729  Cost: $185
- Date: Mar 3-May 17

**Bb: Medical Terminology**
This 64-hour advanced online course is designed to give students a solid foundation in medical terminology through class/instructor interactions as well as enhanced interactive study materials. The student will learn prefixes, suffixes, root words and terms that relates to anatomy, physiology and review of body systems. Upon completion, students should be able to pronounce, spell and define medical terms as related to selected body systems and their pathological disorders.

- Course Code: 89632  Cost: $185
- Date: Feb 3-Apr 19

**Bb: National Standards, Professional Skills and Ethical Practices for Interpreters**
This course introduces the principles and standards for professional interpretation as established by the National Council on Interpreting in Healthcare. This course is also designed to build practical skills and job seeking tools. Students explore cultural awareness as it applies to Interpreting in Health and Human Services.

- Course Code: 89538  Cost: $75
- Date: Jan 13-Feb 8

**Bb: Spanish/English Medical Terminology**
This course is an introduction to the principles of medical terminology for interpreters and translators in the medical field. This course teaches the meaning and pronunciation of specific medical terms, including prefixes, suffixes, root words and abbreviations. The student will study body systems and all medical terms will be taught in both languages.

- Course Code: 89556  Cost: $185
- Date: Jan 13-Apr 19

**Bb: Spanish I**
This is a beginning Spanish course designed to introduce students to the four basic skills of language acquisition - listening, reading, writing and speaking.

- Note: Registered students will have access to the new Mechthild Montgomery Language Lab.
- Course Code: 89735  Cost: $75
- Date: Mar 3-Apr 26

Forsyth Technical Community College  
EWD Registration Form  
Revised 7/8/14
Attention Business Owners & Executives:
Forsyth Tech has courses to improve your company’s productivity!

Forsyth Tech Process Improvement Courses instill the principles of Six Sigma quality control and lean manufacturing into your employees. No matter what your industry, these proven techniques can help eliminate waste and lower costs while improving quality and efficiency.

Available courses include:
- Lean Six Sigma Yellow Belt
- Lean Product Development
- Lean Office
- Statistical Process Control
- A3 Problem Solving
- Lean Manufacturing
- Value Stream Mapping
- Pull vs. Push Production
- Root Cause Analysis
- Kaizen Events
- Mistake Proofing/Poka Yoke
- Lean Six Sigma Green Belt

For more information on Process Improvement Courses, please contact Barry Self at dself@forsythtech.edu or 336.734.7766.

Visit us online at www.ForsythTech.edu to learn more about Forsyth Tech!
