Welcome to Your New Beginning

On The Pathway To Success Keeping The Lights On

Travis Dezarn, Electrical Lineman

Right Place, Right Time

Growing up, Travis Dezarn had a friend whose father was a lineman for Duke Energy. As Travis got older and started thinking about getting a job, lineman seemed like a great choice. "I was looking for something that was challenging and where I could be outdoors," he says. So when Forsyth Tech started their Electrical Lineman program at the Northwest Forsyth Center in King, Travis' hometown, he signed up immediately. He was in the first graduating class in 2010, nineteen years old, and eager to start his career.

The Power Of Positive Thinking

He had a job within a week of graduation, employed at Pike Electric on a transmission construction crew. He says the skills and training he got at Forsyth Tech gave him a leg up. "I felt like I was ahead of the people who hadn't gone through the program," he says. Within two years Travis had moved on to Duke Energy, his dream job. "That was my final goal, to work at Duke."

A Rewarding Career

Today he is a Transmission Line Tech 2 with Duke Energy in Winston-Salem. And that's really all he wants to do. "I don't plan on doing anything other than line work," he says. "It's challenging and very demanding, but it's so rewarding turning lights back on for people. The brotherhood and friendships that you build in this career are like none other." He's also back at Forsyth Tech, working on a degree in Business Management to help him move up in the company.

A Solid Foundation

Travis gives the Electrical Lineman program a lot of credit for where he is. "Forsyth Tech played a big role in my success," he says. "They focus on safety, following the rules, preparing every day and knowing what tasks you're doing, good communication – that's stuff they stress, and stuff that I'm still doing today. The knowledge that you get in the field during your career is built on top of the foundation you get at Forsyth Tech."

Interested in the Electrical Lineman program or another program that can help you reach your goals? This catalog is full of them! Start reading, and find your pathway to success at Forsyth Tech!

Forsyth Tech Instructor Profile

Ashley Anderson- Computer Technology

Ashley Anderson has a Masters in Management Information Systems and Bachelor of Science in Business Administration from The University of North Carolina at Greensboro. Ashley has been delivering technology skills instruction for the past several years. Here at Forsyth Tech, Ashley was the first instructor to participate in a special initiative between AT&T and WinstonNet that provided students who successfully completed the requirements, to qualify for a refurbished laptop bundle at a discount, to aid in closing the digital divide.

Viaggio in Italia? Prendere Italiano per i viaggiatori!*

See page 6 for details

**Traveling to Italy? Take Italian For Travelers!*

Get the basic communication skills you need from experienced traveler Frank Ancona. Beginner and intermediate courses available.

New Class!

Forsyth Tech Instructor Profile **Frank Ancona-Italian**

Italian instructor Frank Ancona is a second-generation Italian-American whose grandparents came from Castellammare del Golfo in Sicily. Growing up in an upstairs apartment from his grandparents, Frank developed a passion for his heritage. Frank studied Italian under Professoressa Carmen Brunol at Pasadena City College graduating with co-majors in Italian and Business. He is a founding member and the facilitator of the Triad Friends of Italy (www.triadfriendsofitaly.com) which works to promote an understanding of Italian culture and history, help people discover their family roots, and inform non-Italians of Italian contributions to the history and culture of the United States. Frank is a teacher at Parkland Magnet High School and is the teacher sponsor of the school's Italian club teaching Italian language and culture to students. Frank gave private lessons in Italian in the San Gabriel Valley of Southern California.

Courses in Forsyth County

PC Security & Maintenance ❖ NEW!

Learn the fundamentals of maintenance and security issues for your computer! In this course, you will learn how to set user accounts and establish security, how to create strong passwords, and how to keep your computer programs up to date. Learn how to manage files, create backups and what to do in the event of system failure. Learn the best practices to help prevent and combat viruses, malware and identity theft. West Campus, Room 1

PowerPoint 2013 ❖

You will learn how to use Microsoft PowerPoint 2010 to create, edit, save, run and print impressive slide presentations filled with formatted text, images, video, audio, animation, charts and links to the web. Whether you are a beginner or an experienced user, this 8-hour course will teach you how to turn simple slides into an exciting presentation that will grab and hold your audience's attention from start to finish. At the end of the course, you will be able to use this program confidently at home or on the job. All materials will be provided.

Course Code: 107588, \$125, Moudden
7/26-7/28, TTH, 8:30 am-12:30 pm
Innovation Quarter, Room 2441

Presentations with PowerPoint & Prezi ❖

This course allows you to get a feel for creating presentations using both PowerPoint and Prezi. You will be the judge to determine which presentation tool, PowerPoint or Prezi, is the most effective for delivering your idea. PowerPoint is part of the Microsoft Office suite and a mainstay presentation program. Prezi is the dynamic new kid on the block that is "Cloud based" and allows your presentations to be available anywhere the Internet is available. You will learn how to setup a Prezi account, navigate, build and present your Prezi presentation. In PowerPoint you will learn tips and tricks to give your presentation an edge.

Course Code: 104324, \$35, Foster
7/12-7/19, TTH, 6-9 pm
Oak Grove Center, Room 4455

“I was ready to take just any job in order to "do something". However, I now have more confidence and resources in order to get a job that I will feel joyful about and be successful in.”

– Tammy Reilly,
Administrative Assistant

Foreign Language

Italian: for Travelers ❖ NEW!

Are you planning a trip abroad? The Italian for Travelers course is designed as both an introduction to the Italian language and as a help to those whose only interest is being able to get around in Italy on formal or simple, self-guided tours. The 8-week course will cover Italian pronunciation, use of verbs in the present tense that are useful for visiting major sites, an introduction to Italian history and culture, and the connection between Italy and countries in the New World with special emphasis on the impact of Italians on U.S. history and culture. Frank Ancona, the instructor, is a second generation Italian. He has worked in Italy, and his grandparents are from Sicily.

South Fork Recreation Center

Intro to Digital Photography I ❖

Are you a novice with a point-and-shoot camera or a professional photographer using a top-of-the-line DSLR camera? This course is designed for you! Learn and understand everyday terms used in Digital Photography such as photographic composition, shutter speed, f-stop (depth of field), ISO, and white balance. Gain knowledge regarding situational shooting scenarios from indoor and outdoor photography to portraits and action shots. This course will teach you how to use the setting on the camera and when to use them in order to capture that magical moment forever. Say goodbye to the automatic setting on your camera and say hello to great pictures!

Note: You must have a good working knowledge of computers and be comfortable with using the mouse and keyboard at the same time. Be sure to bring the camera's owner manual, paper and pencil with you to class!

Course Code: 103668, \$35, Smith
5/14, S, 1-4 pm
West Campus, Room 122

Course Code: 103671, \$35, Smith
6/4, S, 9 am-Noon
West Campus, Room 122

Intro to Digital Photography II ❖

This course is a continuation of the Intro to Digital Photography I class and is divided into two phases. Phase One: Learn how to start a digital picture/file archive folder system, along with the best way to get your digital files transferred from your camera to your computer and how to burn a photo CD. Phase Two: Teaches the basics of digital manipulation. Learn to size, crop and color adjust digital images.

Prerequisite: Intro to Digital Photography I.

Note: You must have a good working knowledge of computers and be comfortable with using the mouse and the keyboard at the same time. Be sure to bring the camera's owner manual, paper and pencil with you to class!

Course Code: 103672, \$35, Smith
6/11, S, 9 am-Noon
West Campus, Room 122

Kudzu Basket Weaving Workshop ❖

Learn how to use local vines to make beautiful baskets. You will leave class with a completed basket.

Note: Please bring a pair of sharp hand clippers.

Course Code: 103614, \$35, Buchanan

Get the FYI on your DSLR camera!

Go beyond simple point-and-shoot – our Photography DSLR course will show how to use the settings on your camera to capture a great digital image and also manipulate the image using Photoshop.

***Students must take prerequisite Beginning and Intermediate Digital Photography!**

Photography: DSLR I ❖ Ⓜ

Want to get more out of your digital camera? Are you curious to know how to use Photoshop to make good photos great? This 8-week class is for the novice all the way to the advanced shooter. Learn all the bells and whistles and menu commands on your DSLR camera and more importantly when to use them. Each class will have two phases: a technical phase where you will learn camera and shooting techniques, and a manipulation phase where you will learn how to manipulate your digital images using Photoshop CS6 Extended. Your photos will be discussed and critiqued in class. Class content will include but will not be limited to: action/sport, still, portrait, wedding, landscape and architectural photography. After taking this class, you will be able to shoot in any situation resulting in professional quality photos.

Note: You must have a DSLR camera. In addition you should bring the following to class: paper, pencil, DSLR camera with lenses and owner's manual, a USB flash drive with at least two gigabytes of memory. You will find it useful to bring a card reader to class.

Prerequisite: Intro to Digital Photography II.

Course Code: 103673, \$95, Smith
6/13-8/8, M, 6-9 pm
Transportation Center, Room 146 🚗

Painting: Acrylic ❖

Learn the application, mixing, and blending of color and a variety of techniques used in acrylic painting. Learn how to create a composition such as landscapes, seascapes and still life.

Note: You will need to purchase additional supplies costing approximately \$10-\$50.

Course Code: 103615, \$65, Conaway
6/2-7/28, TH, 9:30 am-12:30 pm
South Fork Recreation Center

Painting: Watercolor ❖

Gain a basic understanding of watercolor painting of still life and landscapes through lecture and accomplishments.

Note: You will need to purchase additional supplies.

Course Code: 103618, \$55, Bess
5/25-6/29, W, 1-4 pm

South Fork Recreation Center

Course Code: 103619, \$65, Conaway
6/3-7/29, F, 9:30 am-12:30 pm
South Fork Recreation Center

Painting: Oil All Levels ❖

Explore the fundamentals of painting with oils. Learn how to stretch a canvas, prepare an under painting, and use color mixing to create intensities to paint outstanding compositions. Advanced student artists will receive constructive critique to strengthen their skills and technique in painting with this traditional medium.

Note: Please ask for supply list upon registration.

Course Code: 103617, \$65
Pettinat-Longinotti

6/1-7/27, W, 9 am-Noon
West Campus, Room 14 🚗

Picture Framing and Matting ❖

This class is for beginners and continuing participants. Class covers each step in the process of matting and framing. You will complete several projects to take home.

Note: You must provide your own supplies; the cost depends on the project. The first class is a demonstration for beginners, and you will receive information about where to get supplies.

Course Code: 103620, \$85, Golden
6/6-8/1, M, 6-9 pm
West Campus, Room 34 🚗

Courses in Forsyth County

Silversmithing ❖

This metalworking course for beginning and continuing participants focuses on fabricating jewelry. Ring design, soldering, bezel construction and stone setting are included. Continuing participants may bring their own projects to complete.

Note: You may need to purchase additional supplies costing \$15 or more.

Course Code: 103623, \$75, Rubin

5/18-6/22, W, 6-9 pm

West Campus, Room 34 🚗

Stained Glass - All Levels ❖

Beginners explore the qualities of stained glass methods with copper foil or leaded techniques learning fabrication processes of cutting glass, foiling, leading and soldering. Intermediate and advanced participants may explore painting with vitreous paints or fused glass elements as a component to their projects, filigree and/or sandblasting.

Note: A supply list will be provided at the first class. Supply cost depends on individual project and may range from \$50-\$100.

Course Code: 103624, \$85

Pettinati-Longinotti

6/2-7/28, TH, 9 am-Noon

Professional and Career Development

AutoCad and AutoDesk

Revit MEP ❖ NEW!

Autodesk Revit MEP is a building information modeling (BIM) software created by Autodesk for professionals who engage in MEP (mechanical, electrical, and plumbing) engineering, the three engineering disciplines that Revit MEP addresses. By utilizing BIM, Revit MEP, you will be able to leverage dynamic information in intelligent models, allowing complex building systems to be accurately designed and documented in a shorter amount of time. Each intelligent model created with Revit MEP represents an entire project and is stored in a single database file. This allows changes made in one part of the model to be automatically propagated to other parts of the model, thus enhancing the workflow for Revit MEP users.

Motorcycle Safety Education: Basic Rider Course (BRC) ❖

In this course you will learn the basic skills of motorcycle operation, effective braking and obstacle operation, as well as safe riding strategies. The Basic Rider Course has been updated and now includes an eCourse (online) that is a prerequisite for the riding exercises. The eCourse will be conducted during the first Thursday night class. MSF requires all students to satisfactorily complete the eCourse in order to participate in the riding portion of the class.

Note: Must have a valid email address and know how to operate a computer. Class is physically and mentally demanding. Ride exercises will be conducted in extreme heat, cold, and rain. If you are unable to meet the physical or coordination requirements, you may be required to discontinue the riding portion of the course with no refund provided.

For more information about the eCourse, please visit: <http://www.msf-usa.org/eCourse.aspx>

This class is held at West Campus. For available dates and times, call Forsyth Tech Customer Service at 336.761.1002.

Technical/Trade

Auto Safety Inspection ✓

Are you an auto technician or auto service employee who is interested in a certification as an automobile safety inspector? The course taught will ensure that you understand the rules, regulations, and test equipment procedures needed to inspect a vehicle properly. This training will prepare you to pass the qualifications exam. On passing the exam, you will be qualified to do inspections at a properly licensed inspection station. The DMV will complete your background check before the certificate becomes official. (You should check with the local DMV at 336.767.8809, to insure that you are eligible to obtain this license).

Forsyth Tech Instructor Profile

Lee Jackson- Motorcycle Safety & Auto Safety Inspection

Lee Jackson has been riding and working on motorcycles for over 40 years. Riding motorcycles and teaching students to ride is Lee's passion. Lee has spent the last 40 years working in the automotive industry and has joked that he is born, bred and raised to run an automotive repair shop. When the opportunity arose to become an instructor for the NC Safety and OBD II classes, Lee felt it fit like a glove. "I am very blessed to be able to teach the hobby I love"

Forsyth Tech Instructor Profile

Electrical Lineman Program

Steve Carpenter

Steve is an Electrical Lineman Instructor at Forsyth Tech with over 29 years of service in the industry. Steve has worked in various roles within the electrical lineman industry including overhead construction, transmission and maintenance, and primary/secondary underground construction. Steve is an NCCER certified instructor and is part of the (EMC) Blue Ridge Electric Membership Cooperative.

Wayne Hart

Wayne Hart has worked in the electric and gas industry for over 25 years. During his 14-year career at Pike Electric, Wayne served as Line Construction Foreman, Safety Supervisor, and Manager of Career Development. Wayne is an NCCER certified instructor and has experience in hazardous communication and chemical safety, as well as work simplification training.

George Speight Jr.

George Speight has been a Lead Line Instructor for Forsyth Tech's Electrical Line Academy since 2010. George enjoys serving as a mentor for student development and being actively involved in recruiting local companies for student employment. George is an NCCER certified instructor and is also Line and Bucket Truck Operator Certified.

Tim Webb

Tim Webb is a full-time Electrical Lineman Academy Instructor with 5 years of service at Forsyth Tech. Tim is a certified flagger instructor and also a certified NCCER instructor. Tim has vast experience in overhead and underground distribution. Tim brings a wealth of experience including 25 years of service with Pike Electrical and 5 years of service with Shaw Energy Solutions.

Increasing Business Success

Starting and operating a small business is hard work. Forsyth Tech, through its Small Business Centers in Forsyth and Stokes counties, provides:

- Confidential one-on-one business counseling
- Small business seminars and roundtables
- Online entrepreneurship training
- Computer classes (Accounting for Business & QuickBooks Pro)

Some of our recent and upcoming seminars include:

- Clueless About Accounting
- eBay Your Way to Success: Selling Items on eBay
- Enhancing Business Success
- Google Apps for Small Business
- Grant Seeking/Grant Writing
- How to Find Customers
- How To Write a Convincing Business Plan
- iPads/Tablets for Small Business
- Keeping Small Business Records and Paying Your Taxes
- Networking for Small Business
- Social Media for Small Business
- Thinking Of Starting Your Own Business

Interested persons should register and obtain additional information by visiting: www.forsythtech.edu and type “small business center” in the search field.

You will be able to:

- Join our email distribution list and LinkedIn discussion group
- Register for upcoming seminars and online training
- Register for an appointment with a business counselor who is available to assist you with your business challenges
- Obtain information that may be helpful to you

Contact us at sbc@forsythtech.edu or 336.757.3810 to arrange a visit to our home in Innovation Quarter.

Ed2Go®

What You Need for Registration

Registering for a summer enrichment class at Forsyth Tech is easy. Once you have received confirmation that your application packet is complete, you may register by phone or in person at Forsyth Tech's West Campus, which is located at 1300 Bolton Street, Winston-Salem.

Ways to Register

Walk-In Registration

Walk-in registration is only available at:
West Campus Customer Service
1300 Bolton Street, Winston-Salem

Monday – Thursday, 8:30 am – 5:30 pm; Friday, 8:30 am – 1:30 pm

Telephone Registration

To register by phone, call 336.761.1002

Monday – Thursday, 9 am – 4 pm; Friday, 9 am – Noon.

Refund Policy

A full refund is given if Forsyth Tech cancels a class. If a class is canceled by Forsyth Tech, parents will be notified by phone and/or e-mail and will receive a 100% refund. Students who withdraw 24 hours prior to the first class session are eligible for a 100% refund, provided they complete and submit a Request for Refund form to the Customer Service Center on West Campus, located at 1300 Bolton Street.

Payment Options

You can pay with:

- Visa (credit/debit card)
- MasterCard (credit/debit card)
- Check (made payable to Forsyth Technical Community College)
- Cash
- Money Order

Keep In Mind

Early registration is encouraged.

- Classes fill on a "first come, first served" basis.
- Classes may be canceled as early as one week prior to the start date due to low enrollment.

Registration must be completed before the first class meeting.

Late registration is not permitted.

Payment only by Visa/Mastercard (credit/debit) is allowed when registering by phone.

NOTE: To request a registration fee refund in accordance with the above policy, you must officially withdraw from a class by completing and submitting a Request for Refund form to the Customer Service Center on West Campus, located at 1300 Bolton Street. Forms are available at the Customer Service Center or you may fill out and submit the online Request for Refund form. Refunds are generally mailed within four to six weeks of receipt of the Request for Refund form and/or notification of class cancellation.

No other refunds will be given.

If you have questions, please call the Customer Service Center at 336.761.1002.

Courses in Stokes County

Home/Horticulture

Landscape Designs ✓📖

Do you have an area in your yard that needs help? Are you looking for curb appeal? This course will help you design your personal space. In four classes you will gain understanding in site requirements, maintenance, and seasonal enjoyment of plant life.

Note: Please bring 1/4" graph paper, pencil, eraser and a straight edge ruler.

Course Code: 104046, \$75
6/7-6/16, TTH, 5:30-8:30 pm
Stokes County Center, Room 103

Organic Gardening ✓

Organic Gardening is growing a garden without the use of synthetic chemicals. Emphasis on site selection, soil preparation, growing techniques, crop selection, cultural practices and pest control will be taught. Today, there is an interest in consuming fresh, locally grown organic produce. Learn the 'art' of growing plants using organic practices.

Course Code: 104040, \$75
5/23-6/6, MW, 5:30-8:30 pm
Stokes County Center, Room 103

Townhouse Landscape/Gardening ✓

This course is designed to address the need for small space landscaping with the growing demand for apartment and condo living. The course will address such things as design, courtyard areas, under deck landscaping, plant selection and maintenance.

Course Code: 104047, \$75
6/27-7/13, MW, 5:30-8:30 pm
Stokes County Center, Room 103

New Course for 2016!
National Standards & Ethical Principles for Interpreters

Take this convenient course from home!

In this course, which is open to ALL languages, you will explore cultural awareness as it applies to Interpreting in Health and Human Services.

For more information call 336.761.1002

Interpreting in Health & Human Services

Case Studies Interpreter Lab and Professional Skills ✓📖 (Online only)

In this lab, you will interpret medical case studies from English to Spanish and Spanish to English. This lab consists of computer-based training and is designed to improve consecutive and simultaneous interpreting skills. This class emphasizes listening and oral skills in both languages. This course is also designed to build practical skills and job seeking tools.

Prerequisite: Must be enrolled in/or have completed Spanish/English Medical Terminology and National Standards for Interpreters to take this course.

Course Code: 103689, \$130, Burrell
5/24-7/24, ONLINE

Case Studies Translator Lab ✓📖 (Online only)

In this lab, you will translate medical case studies from English to Spanish and Spanish to English. This lab consists of computer-based training and is designed to develop and improve grammar, reading and writing skills in both languages.

Prerequisite: Must be enrolled in/or have completed Spanish/English Medical Terminology and National Standards & Ethical Principles for Interpreters to take this course.

Course Code: 103687, \$130, Knapp
8/2-9/11, ONLINE

English/Spanish Advanced Grammar for Interpreters and Translators 📖 (Online only)

This course prepares you to improve your written proficiency in Spanish and English in order to function at the highest possible level as a professional interpreter and translator. The course will expand your knowledge in those two language skill areas before taking Case Studies Translator lab class.

Note: This class is mandatory for all students enrolled in the Interpreting in Health and Human Services Program.

Course Code: 103685, \$130, Knapp
6/14-7/31, ONLINE

National Standards & Ethical Principles for Interpreters ✓📖 (Online only)

Are you interested in learning more about the principles and standards for professional interpretation as established by the National Council on Interpreting in Healthcare? In this course, you will explore cultural awareness as it applies to Interpreting in Health and Human Services.

Course Code: 103681, \$75, Burrell
5/17-6/12, ONLINE

Spanish/English Medical Terminology ✓📖 (Online only)

This course is an introduction to the principles of medical terminology for interpreters and translators in the medical field. This course teaches the meaning and pronunciation of specific medical terms, including prefixes, suffixes, root words and abbreviations. You will study body systems and all medical terms will be taught in both languages.

Course Code: 103692, \$185, Burrell
5/17-8/21, ONLINE

Medical Clerical

Professional Coding Certification

These courses prepare you to take the Certified Professional Coder (CPC®) exam. Please visit www.aapc.com to learn more about this certification.

AAPC Exam Review ✓📖 (Online only)

This 50-hour advanced online course provides you the opportunity to prepare for the National CPC® Certification exam administered by the American Academy of Professional Coders (www.aapc.com). Medical Terminology, Anatomy & Physiology, ICD-9 Diagnostic Coding, CPT Procedural Coding and HCPCS level II are some of the topics reviewed. You will utilize interactive online tools and information, including mock exam questions to ensure comprehensive preparation for the exam. This is the final course in the online series for students seeking to take the Certified Professional Coder (CPC®) credentialing exam.

Course Code: 103696, \$130, Fithian
6/7-7/31, ONLINE

Please Register Early to Reserve Your Place in a Class!

Sometimes excellent courses are canceled when too many people wait until the last minute to register. We need a minimum number of enrollments before a class can run. To avoid the inconvenience of not being able to attend the class you want, register today—don't wait!

Now Offered! Nursing Assistant Classes!

Nursing Assistant I & II Classes are being held at Grady Swisher Center, Goodwill, Northwest Forsyth Center, & West Campus.

Please visit our Health & Safety Section on pages 37-38 for available dates and times.

Orientation:

> **Required** for Nursing Assistant I only

> Where/When

- Northwest Forsyth Center, call 336.761.1002 for schedule
- West Campus, various Tuesdays, call 336.761.1002 for schedule.

Must bring photo ID, Social Security card and other required documents to Orientation. Refer to Prerequisites under class descriptions for these documents.

Healthcare Clinical Fee

Healthcare facilities providing clinical experiences for Forsyth Technical Community College programs require criminal background checks and drug screens on all employees and students working in their facilities. The screening company meets compliance standards of the healthcare agencies and Forsyth Technical Community College.

The screening company shares findings of the screening only with the clinical site and the student. Healthcare facility representatives review the finding on the background check/drug screen and determine whether students are eligible to participate in clinical education.

The cost of the screening begins at \$70.00 and is the sole responsibility of the student. Students are to begin the background check/drug screen process before they register for a Health Education class. However, information will not be sent to a clinical site until after the student registers.

Students are encouraged to register early for classes in order for the background check/drug screen to be completed and sent for a determination. If denied before the class begins, the student is entitled to a full refund. If denied after the class begins refunds are subject to Forsyth Tech's refund policy (refer to page 47).

Health & Safety

ACLS—Advance Cardiac Life Support ✓

Are you an advanced medical professional looking for AHA ACLS training? This advanced, instructor-led classroom course highlights the importance of team dynamics and communication, systems of care and immediate post-cardiac-arrest care. Instruction is provided for airway management and related pharmacology. You will learn using group sessions, group learning and testing stations where case-based scenarios are presented. Upon successful completion, you will receive an AHA ACLS provider course completion card which is valid for two years.

Prerequisite: Current AHA Healthcare Provider CPR Certification

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu

Course Code: 104286, \$81
8/12-8/13, FS, 8 am-5 pm
West Campus, Room 14

Activity Director ✓

Receive your basic training to become an Activity Director in a healthcare related setting, such as long term care, assisted living facilities or adult care homes! This course follows the state approved course outline including (1) an overview of the Activity Director profession, (2) Human Development and the Aging Process, (3) Standards of Practice, (4) Activity Care Planning, and (5) Methods of Service Delivery. When the entire 60 hours of

training has been completed, you will be qualified to work as an Activity Director in a Nursing Home or Assisted Living Facility.

Prerequisite: A high school diploma/GED®/transcript or college diploma/transcript are required.

Note: You must bring a copy of proof of high school or college graduation or GED® to Customer Service for verification in order to register.

For additional course information, contact Graham Hyder at 336-734-7733 or ghyder@forsythtech.edu.

Course Code: 103107, \$185, Tillman
8/2-10/11, TTH, 6-9 pm
West Campus, Room 7

Courses in Health and Safety

Autism Paraprofessional ✓

Would you like to learn how to provide services to children with autism spectrum disorders (ASDs)? Caregivers may work in educational, home-based, or community settings. Emphasis is on understanding ASDs, working with families of children with ASDs, managing challenging behaviors associated with ASDs and evidence-based practices for targeting communication, play, self-help, and social skills of children with ASDs. Class will also cover consumer safety and rights and ethical considerations. The course includes practicum hours in a local autism specialty school. Upon satisfactory completion of the course, you will receive a certificate of completion, which should enhance employment opportunities in the field of autism treatment and education.

Prerequisite: A picture ID, social security card and high school diploma/GED®/transcript or college diploma/transcript are required. You must also present the receipt from the criminal background check before you will be allowed to register for class (no drug screening required).

Note: Included in the registration fee is an \$18 non-refundable insurance fee, which is valid for one year

SPECIAL NOTE: When you successfully complete the course, you may qualify for a stipend to help pay with expenses! In addition, if you are currently enrolled in curriculum classes, you may receive course credit for EDU248 upon successful completion of this course.

Contact Judy Snowden at 336.734.7749 or jsnowden@forsythtech.edu for more information.

CPR: AHA Healthcare Provider-Initial ❖📖

Are you a healthcare provider who needs to be CPR certified? Get it at Forsyth Tech! This American Heart Association Healthcare Provider course teaches you to recognize the signs and symptoms of sudden cardiac arrest and strokes and how to perform CPR for adults, infants and children and use of an AED (Automated External Defibrillator) and FBAO (Foreign Body Airway Obstruction) for victims of all ages. The BLS Healthcare Provider course is designed to provide you, as a healthcare professional, with the ability to recognize several life-threatening emergencies, provide CPR, use an AED, and relieve choking in a safe, timely and effective manner. The course is intended for certified or noncertified, licensed or non-licensed healthcare professionals or medical students. On the day of the course, upon completion you will receive an American Heart Association Certification card good for two years.

Note: This course has a required book that must be read prior to class.

CPR: Heartsaver Provider Initial ❖

If you are not a healthcare provider, this is the course for you! This course follows the current American Heart Association guidelines and is designed to teach you the basic steps of CPR, use of an AED (Automated External Defibrillator) and FBAO (Foreign Body Airway Obstruction) for victims of all ages. You will receive instruction to recognize emergency situations involving heart attack, choking, respiratory and cardiac arrest in adults, children and infant victims. No written exam is required for this course.

On the day of the course, upon successful completion, you will be awarded the American Heart Association Heartsaver CPR certification which is valid for two years.

Who should take the Heartsaver class? Those with limited or no medical training including daycare workers, summer camp counselors, coaches, fitness instructors, social workers, nannies, parents, grandparents, babysitters, construction workers and general public.

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu

Course Code: 102357, \$30
6/14, T, 5:30-9 pm
West Campus, Room 14

“My instructor mentored me by guiding me in the right direction and providing me with the skills to be successful as an Activity Director.”

– Tamara Gaines
Activity Director

Learn to save lives!

When a person is in sudden cardiac arrest minutes makes the difference between a patient's life and death, whether you are in a hospital or in an out of hospital environment. Be prepared to overcome the unexpected in these life and death situations by properly administering CPR.

Forsyth Tech is an official American Heart Association Community Training Center, offering courses in CPR and First Aid, Healthcare Provider CPR, Advanced Cardiac Life Support and Pediatric Advanced Life Support. Students will receive a certification card at the end of the course.

Be ready – come to Forsyth Tech and learn to save a life!

See page 32 for details.

Heartsaver CPR and First Aid for Public School System Employees ✓

Don't wait for an emergency to happen! Receive training to be qualified to provide immediate emergency assistance for your students and loved ones. You will learn the basic steps of CPR, use of an AED (Automated External Defibrillator) and FBAO (Foreign Body Airway Obstruction) for victims of all ages. You will receive instruction to recognize emergency situations involving heart attack, choking, respiratory and cardiac arrest in adults, children and infant victims. Instruction will be provided to manage life-threatening environmental emergencies, injuries and medical emergencies such as; seizures, diabetes, heat stroke and snake bites. You must provide proof of affiliation with a public school system for the class to be fee exempt. On the day of the course, upon successful completion, you will receive your AHA Heartsaver CPR/First Aid card which is valid for two years.

Note: These courses are fee exempt for Public School System Employees.

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu

Courses in Health and Safety

Emergency Medical Technician Basic ✓ CareersNOW

Interested in working in public safety (Emergency Medical Service, Fire Service and Police) or in increasing your knowledge in handling emergency situations? This course will cover anatomy and physiology, initial patient survey and triage, basic and advanced airway management, oxygen therapy, and treatment of traumatic and medical emergencies. Additional areas of study are CPR with automated external defibrillator and general pharmacology. We follow the guidelines established by the N.C. Office of Emergency Medical Services (EMS) and is conducted by an approved Basic or Advanced Institution. The lead instructor for the EMT educational program is certified as a N.C. Level I Instructor/Coordinator. When you successfully complete this course, you will be eligible to take the N.C. Emergency Medical Technician credentialing examination and/or the National Registry examination.

Prerequisite: Successful completion of an exam assessing basic reading comprehension skills at the 10th grade reading level.

For more information, call 336.757.3054

Note: Some Saturday classes are required
Course Code: 100708, \$185
6/1-7/29, MTWTFE, 9 am-2:30 pm
Northwest Forsyth Center, Room 215

Medication Aide ❖

Would you like to receive training to become qualified as a Medication Aide? This course teaches the six rights of medication administration for non-licensed personnel. Topics will include medication administration via the oral, topical and instillation routes, medical asepsis, hand hygiene, terminology and legal implications. Upon completion, students should be prepared to take the competency exam and demonstrate skills necessary to qualify for listing on the North Carolina Medication Aide Registry.

Prerequisite: Documentation of successful completion of a state approved NAI course in the past two years OR 3-6 months minimum direct patient care experience with a letter of recommendation on letterhead from an RN who supervised the student's work within the past two years, successful completion of math and reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card and high school diploma/GED/transcript or college diploma/transcript are required.

Note: To pursue a Medication Aide position in a Skilled Nursing Facility, a current State NAI Registry certification is required.

For dates and times offered or additional course information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu.

PALS-Pediatric Advance Life Support ✓

Are you a healthcare provider interested in preparing to respond to emergencies for infants and children? The American Heart Association Healthcare Provider PALS course is an instructor-led course using a series of simulated pediatric emergencies to reinforce the important concepts of a systematic approach to pediatric assessment, basic life support and team dynamics. The goal of the PALS Course is to improve the quality of care provided to seriously ill or injured children, resulting in improved outcomes. The PALS Course is for healthcare providers who respond to emergencies in infants and children. These include personnel in emergency response, emergency medicine, intensive care and critical care units such as physicians, nurses, paramedics and others who need a PALS course completion card for job or other requirements. PALS is a continuing education course for EMS providers of all levels and other health care providers. On the day of the course, upon successful completion, you will receive an AHA PALS provider course completion card which is valid for two years.

Prerequisite: Must have a current AHA HCP CPR certification card.

Note: This course has a required book that must be read prior to class.

For additional course information, contact Marilyn Calhoun at 336.757.3091 or mcalhoun@forsythtech.edu
Course Code: 104290, \$81
7/22-7/23, FS, 8 am-5 pm
West Campus, Room 14

Phlebotomy ✓

Train for a job where you draw blood specimens from patients for the purpose of testing and analyzing blood. A phlebotomist's job includes maintenance of equipment used in obtaining blood specimens, the use of appropriate communication skills when working with patients, the selection of venipuncture sites, the care of blood specimens and the entry of the testing process into the computer, as well as clerical duties associated with record keeping. This course consists of theory and clinical experiences which will be available in the hospital, outpatient clinics and central processing areas.

Important: You will practice venipuncture which includes being stuck and sticking others.

Prerequisite: Successful completion of math and reading placement tests (or approved equivalent), picture ID and social security card (with matching names), high school diploma/GED®/transcript or college diploma/transcript, receipts from criminal background check/drug screening. Students must also provide documentation of one of the following: Current Nursing Assistant I or Nursing Assistant II registry listing OR Certificate of Completion from an NC-approved Nursing Assistant I or Nursing Assistant II Program (completed within the past two years) OR direct patient care experience (i.e. Nurse, CMA, EMT, Med Office Assistant) with a letter of recommendation on letterhead from a clinical professional who supervised this care (within the past two years).

Additional requirements: Current CPR (American Heart Association) Healthcare Provider Certification and completed immunization form must be turned in on the first day of class.

Note: You will attend one of two clinical rotations. Both will meet Monday through Friday during the day (8-hour shifts). You will work out the exact schedule with your instructor the first week of class. Included in the registration fee is an \$18 non-refundable insurance fee, which is valid for one year

For dates and time offered or additional course information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu.

Medical Assisting Review ✓

(Online only)

This course is designed to allow students the opportunity to review information needed in order to take the AAMA certification exam or the AMT exam for registration. This course will cover the materials documented in the AAMA Certification Review. Upon completion, students should be prepared to sit for either the AAMA certification exam and/or the AMT exam for registration based on their personal review of the material. Completion of this course does not in any way determine the pass or fail outcome of the national exams. This is designed as a preparatory review only.

Prerequisite: Students must be in the last semester of their accredited AAS medical assistant program or students must have graduated from a CAAHEP accredited diploma program or accredited AAS Medical Assisting program.

Important: Prior to registration, students must confirm that they are in/graduated from an accredited program.

For course content information, contact Anna Hilton at 336.734.7362 or ahilton@forsythtech.edu.

For registration information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu.

Note:

- 1) This course requires Internet access, an email address and a web browser.
- 2) The registration deadline for this course is noon one week prior to the start date of the course.
- 3) To receive a full refund, requests should be made prior to the start date of the course. On the start date, students may apply for a 75 percent refund if they have not completed the first assignment. Refunds may be requested online or onsite at the West Campus.

Courses in Health and Safety

Telemetry Cardiovascular Technician ✓ **NEW!**

Prepare for a job as a Telemetry Technician with EKG training! The course will cover the anatomy and physiology of the heart as it relates to cardiac rhythm interpretations, principles of EKG, rhythm recognition of sinus, atrial, junctional, ventricular, pacemaker, and heart block rhythms. Skills will include operating EKG equipment, printing and mounting cardiac rhythm strips, as well as interpreting over 30 cardiac rhythms produced from 12- and 6-lead telemetry monitors. A 24-hour clinical component is included. Upon successful completion of the course, you will receive a certificate of course completion and should be prepared to take an EKG Exam for National Certification.

Prerequisites: Successful completion of math and reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card, and high school diploma/high school transcript or GED® or college diploma/college transcript are required. Students must also provide documentation of previous direct patient care experience and/or education (i.e. CNAI, CNAII, Military Corpsman/Medic, EMT, CMA) within the last 3 years. Documentation of this education/experience must be presented to the Health Education Department (certificate of course completion, transcript, letter of recommendation, and/or other formal documentation to confirm experience).

Note: Included in the registration fee is an \$18 non-refundable insurance fee, which is valid for one year.

For additional course information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu.

West Campus, Room 5 🚗

Forsyth Tech Instructor Profile **Scott Phillips— Telemetry Cardiovascular Technician**

Scott Phillips has worked in EKG/Telemetry monitoring since 2009 when he was hired as the supervisor of 30 EKG/Telemetry technicians for Novant Health Forsyth Medical Center. With a Bachelor's in Communications and a Masters in Higher Education, Scott went on to become the first non-nurse educator in Novant Health. He was recently promoted to the telemetry monitoring unit manager. In his tenure as the staff educator, Scott developed, and now conducts, an Orientation Care Pathway for new hires in telemetry monitoring and has taught nurses and CNAs.

“I was able to enroll in a NAI class at Goodwill/FT with confidence and quickly earned my state certification.”

– Tina Halabi Speech

Courses in Health and Safety

The Dorothy L. Lougee Nursing Assistant I Program ✓ CareersNOW

Do you want to learn basic nursing skills required to provide personal care for patients, residents, the elderly or others requiring medical assistance in a healthcare setting? Then this course is for you! Emphasis is placed on the aging process, communications, patient safety, patient's rights, personal care, vital signs, elimination, nutrition, emergencies, rehabilitation and mental health. CPR certification is included in the class. Through classroom instruction, laboratory work and clinical rotations, you are prepared to take the NC Nurse Aide I Competency Evaluation. Passing this evaluation leads to being listed on the NC Nurse Aide I Registry.

Prerequisite: Successful completion of math and reading placement tests (or equivalent approved by Health Education Department), a picture ID, social security card, a high school diploma/GED®/transcript or college diploma/transcript are required. You must also attend an orientation session and present receipts from the criminal background check and drug screening before you will be allowed to register for class.

Note: Included in the registration fee is an \$18 non-refundable insurance fee, which is valid for one year. The State of North Carolina no longer allows individuals to challenge the N.C. Nurse Aide I exam and requires candidates to first complete a state approved NC training program. The only exceptions to this rule are: 1) Persons currently listed on any state's Nurse Aide I registry 2) U.S. military who have completed medical corpsman training 3) Retired or non-practicing nurses. Questions regarding the new ruling or for more information on the new ruling, contact the N.C. NAI Registry.

The Dorothy L. Lougee Nursing Assistant I Refresher Program ✓

Has your North Carolina Nurse Aide I Registry lapsed within the previous two years? Have you been registered in another state (current or lapsed within the previous two years) and are seeking certification as a Nursing Assistant in North Carolina? This course will provide you with a review of the knowledge, skills and abilities that must be demonstrated on the National Nurse Aide Assessment Program (NNAAP) Examination. This course does not have a clinical component.

Prerequisite: Successful completion of math and reading placement tests (or equivalent approved by Health Education Department), a picture ID, Social Security Card, and high school diploma/high school transcript or GED® or college diploma/college transcript are required. Candidates must also bring documentation of ONE of the following to the Health Education Department: 1) NC Nursing Assistant I listing (certification has lapsed in the past two years) OR 2) Nursing Assistant registry from another state (certification has lapsed in the past two years) OR 3) Nursing Assistant registry from another state (current).

For dates and times offered or additional course information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu.

Coming Soon! NURSING ASSISTANT I-HYBRID

This hybrid course will be a combination of face-to-face and online learning.

For more information contact Judy Snowden at 336.734.7749 or jsnowden@forsythtech.edu

Forsyth Tech Instructor Profile

Nancy Vargas—Nursing

Nancy was born in High Point, NC and attended nursing school at the University of Alabama. Nancy has been teaching for 17 years and her background includes medical, surgical and orthopedic nursing. Nancy's hobbies include growing and caring for vegetables, sheep/goats, pets and houseplants. She enjoys listening to the Beatles and her favorite cartoon character is Nemo. Her favorite quote is "The best criticism of the bad is the practice of the better" (Richard Rohr).

The Dorothy L. Lougee Nursing Assistant II Program ✓ CareersNOW

Are you a current NC Nursing Assistant I? Would you like to take the next step in your career as a Nursing Assistant? This course provides basic NAII nursing skills taught in accordance with the North Carolina Board of Nursing. Tasks include oxygen therapy, suctioning, sterile dressing changes, IV fluid assistive activities, ostomy care, gastrostomy feedings/nasogastric feedings and catheterizations. Classroom, laboratory and clinical learning experiences are included. Upon successful completion of the course and skill/competency evaluation, you will be eligible to apply for listing as a Nurse Aide II by the NC Board of Nursing Nurse Aide Registry.

Prerequisite: Current NC Nursing Assistant I Registry listing, documentation of successful completion in a state approved NAI program OR a letter of recommendation from an RN who has supervised you for a minimum of 3-6 months within the last two years, successful completion of math and reading placement tests, picture ID, Social Security Card and high school diploma/GED®/transcript or college diploma/transcript are required. You must also present receipts from the criminal background check and drug screening before you will be allowed to register for class. Current CPR (AHA) Healthcare Provider certification is required before clinical.

Note: Included in the registration fee is an \$18 non-refundable insurance fee, which is valid for one year.

For dates and times offered or additional course information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu

The Dorothy L. Lougee Nursing Assistant II Refresher Program ✓

Has your NAII certification lapsed in the previous two years? This course is designed to assess and validate NAII Skills competencies for candidates whose NAII certification lapsed in the last two years. Class time focuses on assessing and validating competency for the skills identified on the NC Board of Nursing Approved NAII Task List. The list includes Oxygen Therapy, Sterile Dressing Changes, Wound Irrigations, Nasogastric and Gastrostomy Care, Ostomy Care, Fecal Disimpacting, Tracheostomy Care, Urinary Catheterizations, and IV Assistive Activities. When you successfully graduate from the course, you will qualify to submit an application for listing on the NAII Registry. No further testing will be required.

Prerequisite: Current NC NAI registry listing, copy of NC Board of Nursing NAII registry listing showing the expiration date within the previous 24 months, picture ID and Social Security Card (with matching names). Also required is documentation on letterhead from the HR Department or the supervising nurse stating you are eligible for NAII competency assessment in one of two ways:

1. You worked at least 8 hours for compensation during the previous 24 months performing nursing care activities under the supervision of a Registered Nurse and that you have no substantiated findings of abuse, neglect, or misappropriation of funds on the DHSR Nurse Aide Registry. "Nursing care activities" are normally performed by a nurse but ones that can be delegated to unlicensed personnel by licensed nurses OR
2. You have had a continuous 24 month period during which patient care activities were performed for compensation. Patient care activities" are personal care activities that can be performed by unlicensed personnel.

Note: This 10-hour course requires a minimum of five students for the class to be held.

For dates and times offered or additional course information, contact Graham Hyder at 336.734.7733 or ghyder@forsythtech.edu.

Please Register Early to Reserve Your Place in a Class!

Sometimes excellent courses are canceled when too many people wait until the last minute to register. We need a minimum number of enrollments before a class can run. To avoid the inconvenience of not being able to attend the class you want, register today—don't wait!

Forsyth Tech offers classes to **develop** your employees

Do you need economical training solutions in single session workshops or a multi-session series of workshops which can cover a wide range of topics for enhancing the skills of employees?

The Corporate Training Department at Forsyth Tech Can Help!

We offer a variety of options ranging from how to build leadership skills to forming workforce skills and topics ranging from how to provide extraordinary customer service to delivering amazing employee day-to-day performance. Forsyth Tech Corporate Training can customize a training plan built to meet your team's specific educational or developmental needs to drive your business!

Meet Our Trainers!

Sherri Kong enjoys working with teams to build communication and collaboration skills. Since 2013, she has worked with Corporate Training to facilitate training for the City of Winston-Salem, Winston-Salem Police Department, Hanesbrands, Murray Supply, Inmar, Deere-Hitachi and Herbalife.

Sherri received her Bachelor's degree in Spanish and History from UNC-Chapel Hill. She also has her MA in Communication Studies from UNC-Greensboro and MS in Human Resource Development from NC State University. Sherri is a certified facilitator in Crucial Conversations, DiSC, DDI, Achieve Global and is also certified to administer CCL assessments.

Outside of work, Sherri enjoys traveling, trail running, rollerblading, and has recently fallen in love with the sport of dog sledding. She is bilingual and spent two years teaching English in Peru.

David Pritchett has over 20 years of education experience in the corporate world and school systems. He brings a wealth of knowledge in the Manufacturing, Safety, Team Building, Leadership and Customer Service fields. A certified DiSC instructor, he has worked with many companies across the region, to improve profitability and company cultures. David graduated from Middle Tennessee State University with a degree in Speech Communication. In his spare time, he officiates NCAA baseball and high school basketball games and enjoys golfing, cycling and reading.

Jacinta White joined the Corporate Training team as a trainer February 2015. Previously, she served as Program Director of the 9-month Flagship Program at Leadership Winston-Salem. Jacinta is the owner of "The Word Project", where she facilitates art workshops for individual and community healing, and publishes "Snapdragon: A Journal of Art & Healing". She is also a published, award-winning poet.

Having received her BA in Speech Communications from UNC-Greensboro and earned a Master of Public Administration degree from Georgia State University, Jacinta has lived in the Triad area for 10 years. Her certifications include TimeSlips Facilitator, Alzheimer's Poetry Facilitator, DDI and DiSC.

Jacinta is involved in the community and serves on the Advisory Council for Shugart Women's Center and is a member of the Women's Fund of Winston-Salem.

Call Rob Hinshaw at 336.757.3707 to ask questions or to schedule training classes for your team!

We welcome Rob Hinshaw's return to Forsyth Tech as Director of Corporate Training. Rob has consulted with Fortune 500 companies to small businesses on training, development, and leadership for many years. While previously at Forsyth Tech, he was a corporate trainer and coordinator of the SHRM PHR/SPHR Certification Prep program and managing select Customized Training Clients. He most recently was the Manager of People Development at Advanced Home Care where he redesigned New Talent Orientation, designed leadership programs for Executive Leaders, and provided learning & development consultation to operational and support teams. He is thrilled to be returning to Forsyth Tech.

Prove you have the Skills Employers Need

Employers need to know that a prospective employee has the skills and abilities needed to do the job. The best way to do this, beyond a high school diploma or GED®, is with a Career Readiness Certificate from Forsyth Tech.

The Career Readiness Certificate (CRC) is a test-based credential now required by many of our local employers. The CRC is a nationally recognized, EEOC-compliant, industry-driven system of job profiling and assessment based on the WorkKeys™ assessment program. CRC testing is conducted at Forsyth Tech's West Campus (1300 Bolton Street, Winston-Salem). The cost of the CRC testing is \$30. For more information, call 336.734.7748

Keytrain® is an open entry lab for individuals who want to prepare for the Career Readiness Certification Assessments. Call 336.737.7748 to schedule your appointment today!

Our Mission Statement

“Forsyth Technical Community College provides students with flexible educational pathways to a competitive workforce for the community and global economy.”

Registration Information

What You Need For Registration

Registering for an Economic & Workforce Development course at Forsyth Tech is easy. You can register by phone or at one of our six convenient registration locations in Forsyth and Stokes counties listed under Walk-in Registration. When you register, you must provide all of the following information:

- > Course Registration Number
- > Address
- > Birthdate
- > Social Security Number or Student ID
- > Phone Number
- > Payment

You may register more than one person, but you must supply all of the above information for each person being registered.

Privacy and Your Social Security Number

Forsyth Tech takes precautions to guard against identity theft. Your Social Security number is used by Forsyth Tech only to register you in the course(s) of your choice, to assign your course grades and to develop your transcript.

Payment Options

Unless otherwise noted, you can pay with:

- > Visa (credit/debit card)
- > MasterCard (credit/debit card)
- > Check
- > Cash
- > Money Order

Payment of registration, equipment and/or insurance fees must be made at the time of registration. Fee exemptions, if offered, are noted in the Course Listings. Checks should be made payable to Forsyth Technical Community College.

Keep In Mind

- > Early registration is encouraged.
 - Classes fill on a “first come, first served” basis.
 - Classes may be canceled as early as one week prior to the start date due to low enrollment. Every effort will be made to notify registrants if a class has been canceled. However, it is your responsibility to update your address and phone number with our customer service center at 336.761.1002.
- > Registration must be completed before the first class meeting. Late registration is not permitted.
- > Students may no longer register for Continuing Education courses at Forsyth Technical Community College’s Main Campus.

Registration Information

Telephone Registration

To register by phone, call 336.761.1002
Monday - Thursday, 9 am-4 pm; Friday, 9 am-Noon.

Payment by VISA/MasterCard (credit/debit) only.

Corporate Registration

Companies registering a minimum of five employees and paying for their registration, equipment, lab, insurance or book fees by purchase order or authorization letter may use fax registration. Call 336.734.7736 to request a form. Upon completion, fax it back to 336.760.6173, attention West Campus Business Office. Employees will be registered upon receipt of the completed form. If classes are filled, the company will be notified. If you have additional questions, contact the West Campus Business Office at 336.734.7736.

Posted registration fees were in effect at the time our most recent schedule was printed and are subject to change without notice.

Important Registration Information

Refund Policy

- > A full refund is given if Forsyth Tech cancels a course.
- > If the course has a ✓ symbol, you may get a full registration fee refund by officially withdrawing from the class before the first class meeting. After the class has started, a 75% refund can be obtained by officially withdrawing before the class has met 10% of its scheduled time.
- > If the course has a ❖ symbol, you may get a full registration fee refund by officially withdrawing from the class one working day (24 hours) before the first class meeting.
- > **PLEASE NOTE:** To request a registration fee refund in accordance with the above policy, you must officially withdraw from a class by completing and submitting a Request for Refund form to the Economic & Workforce Development Customer Service Center on West Campus. Forms are available at the Customer Service Center or you may fill out and submit the online Request for Refund form. Refunds are generally mailed within four to six weeks of receipt of the Request for Refund form and/or notification of class cancellation.
- > No other refunds will be given. This includes malpractice insurance fees.

Disabilities Services

> Students, who have a disability and would like to request services and accommodations, must register with Disability Services. You will be required to provide current, official documentation of your disability. Information provided by a student is voluntary and appropriate confidentiality is maintained. Students who need assistance for academic services should call the ADA/Disabilities Services coordinator at 336.734.7155.

Fees

> **Computer Use and Technology Fee**

All occupational courses have a \$5 per course computer use and technology fee.

> **Textbooks**

For your convenience, two options are provided for purchasing textbooks:

- Online: Go to www.ftcc.bkstr.com. Click GO and find your course. Requires VISA or MasterCard.
- West Campus Bookstore on Bolton Street: Call 336.734.7754 for days and hours of operation.

> **Parking Decals**

Parking decals cost \$25 and are nonrefundable. All EWD students who park vehicles on ANY Forsyth Tech campus (Main, Northwest Forsyth Center, Oak Grove Center, Stokes County Center, Transportation Center, West, Woodruff and Swisher) are required to purchase parking decals for all classes that meet 5 days or more. Parking decals must be purchased in person at the Customer Service Center on West Campus or at the Northwest Forsyth Center, Swisher, Woodruff, Stokes or Transportation Technology Centers. Parking decals may be purchased in advance or on the first day of class during normal business hours.

Lean Production Simulator (LPS) Class

Teach your employees to embrace continuous improvement each and every day through a full-day, team-based, vehicle assembly simulation.

The lean production simulator focuses on:

- Team Building
- Eliminating waste
- Standard Work
- LEAN initiative
- Job Instruction Training
- Hands-on simulation
- Job Rotation
- Process Improvement
- Continuous Improvement
- 5 Why's
- 5S Philosophy
- Requires 17 participants (4 teams of 4 and one material handler) working under the direction of a Forsyth Tech Team Leader
- Held at the Forsyth Tech Training Center located on Main Campus in Oak Grove Center
- For more information or a tour, contact Rob Hinshaw, Director of Corporate Education at 336.757.3707 or rhinshaw@forsythtech.edu

Visit us online at www.ForsythTech.edu to learn more about Forsyth Tech!
