

Woodworking

Instructors: Garland Layton/ Steve Danner

All beginning students will be making a footstool during the first three weeks of class. All supplies for this project are included in the cost of the class. After initial project and instruction students will work on projects of their own choosing (with instructor approval) in which they will supply their own wood. For returning students working on individual projects, please bring a project sketch/project idea and the required wood, please note basic lab supplies will be provided.

For Your Safety:

1. No open toed shoes
2. Please provide your own ear plugs.
3. Please provide your own safety glasses.
4. Due to the nature of working with wood the lab area can become very dusty at times. Wear appropriate clothing and you may want to bring a face mask.
