J. Walter McDowell, III Chairman, BEST NC and Retired CEO, Carolinas Banking, Wachovia, N.A.

Walter McDowell is a financial visionary whose life is a model of community service and volunteerism. He is well-known for his principled leadership style, work ethic, and dedication to supporting the educational needs of North Carolina.

Mr. McDowell retired from Wachovia in 2007, after 35 years of service, as Chief Executive Officer of Carolinas-Virginia Banking Group, covering 7,500 employees in 685 locations.

Currently, Mr. McDowell serves as Chairman of Business for Educational Success and Transformation in North Carolina—also known as BEST NC. This organization brings together 67 well-respected business leaders from across NC who are focused on moving public education, including community colleges, to higher levels. BEST NC exemplifies Mr. McDowell's belief that stronger public education is critical to accelerating job growth and supporting the state's continued economic development.

Mr. McDowell is former Chairman of the Community Education Collaborative, a joint program of the Winston-Salem/Forsyth County Schools, the United Way, and 30 not-for-profit organizations that intervene with 4,000 at-risk students each year. He is also the former Chairman for the Winston-Salem Chamber of Commerce, and former chairman for the 1997 United Way Campaign in Forsyth County.

He has provided community leadership to numerous institutions and businesses through his service on the board of directors of Wake Forest University Health Sciences, Piedmont Research Park, Winston-Salem Business Inc., and the Governor's Council for Fiscal Reform. Mr. McDowell is also a former board member for Salem College, Federal Reserve Bank of Richmond, Va., Global Transpark Foundation, North Carolina Baptist Hospitals Incorporated, North Carolina Citizens for Business and Industry, North Carolina Partnership for Education, and the Piedmont Triad Partnership.

Mr. McDowell served as Chairman for the 1996 Old Hickory Council of the Boy Scouts of America's capital campaign to build the Wachovia Scouting Center, and in 2007, he received the Boy Scouts' highest honor, its Distinguished Citizen Award. His other honors include the Angel Award at the Crosby Celebrity Golf Tournament, United Way's Alexis de Tocqueville Award, and the Duke Energy Citizenship and Service Award.

He is currently a board member of Bassett Furniture Company, the Research Triangle Foundation, the Wake Forest Innovation Quarter, the Winston-Salem Alliance and the Winston-Salem State University Foundation.

Mr. McDowell holds a B.S. in economics from the University of North Carolina at Chapel Hill.
