Small Business Center
Counseling

Business Pitch Counseling

The purpose of the Small Business Center is to “Increase Business Success and Growth” and this clinic focuses on one of the keys. Our ability to communicate the value of our business is essential. During the one-on-one session you will explore, share, and define your business concepts and unique value propositions.

***Counseling is Free but Please Register to schedule your appointment at:
www.forsythtech.edu Type “SBC” on search line***

Forsyth Tech – Small Business Center – Innovation Quarter
