Business Presentation Clinic

The purpose of this clinic is for business owners to practice speaking to an audience and obtain feedback prior to their actual presentations.

This is an opportunity to refine your message and gain a comfort level before money is at stake. Our ability to communicate the value of our businesses is essential.

Please bring a flash drive containing your presentation and to save your headshot. Feel free to bring your lunch.

**Clinic is Free but Please Register Online at:
www.forsythtech.edu Type "SBC" on search line**
