Student and Spouse Income:

The instructions and certifications below apply to the student (and spouse, if the student is married). Complete this section if the student and spouse will not file and are not required to file a 2015 income tax return with the IRS. Check the box that applies:

- The student (and spouse if married) were not employed and earned no income from work in 2015.
- The student and/or spouse were employed in 2015 and have listed below the names of all employers, the amount earned from each employer, and **provided a copy of the IRS W-2 form for each employer**. List all jobs even if there was no W-2 issued, such as odd jobs for neighbors, babysitting income, etc. Attach a separate sheet if more lines are needed.

Employer's Name	2015 Yearly Amount Earned	Employer Issued W-2? (yes or no)

Parent Income:

Complete this section only if you are classified as a dependent student for financial aid purposes and only if your parent(s) did not file and were not required to file a 2015 income tax return with the IRS. Check the box that applies:

- Neither parent included in the household was employed or earned income from work in 2015.
- One or both parents reported in the household were employed in 2015 and have listed below the names of all employers, the amount earned from each employer, and **provided a copy of the IRS W-2 form for each employer**. List all jobs even if there was no W-2 issued (such as odd jobs for neighbors, babysitting income, etc.). Attach a separate sheet if more lines are needed.
