CAREER & COLLEGE PROMISE

COLLEGE CREDITS

TUITION-FREE

FOR QUALIFIED HIGH SCHOOL JUNIORS & SENIORS

Career and College Promise is North Carolina's dual enrollment program. Eligible high school students can choose from different pathways to accelerate completion of college certificates, diplomas, and associate degrees that lead to college transfer or provide entry level job skills. And, **tuition is free!**

This booklet covers two of the pathways available at Forsyth Tech.

PATHWAYS

College Transfer Pathways (CTP)

- Seven college transfer pathways leading to associate degrees from fine arts to nursing give students a jump start on their college education.
- The general education requirements in each of the college transfer pathways include courses selected from the Universal General Education Transfer Component (UGETC) of the Comprehensive Articulation Agreement.
- Courses with a grade of C or better, will transfer to any UNC System or participating private college or university.
- Students may graduate from high school with a range from a few college credits to a full two-year college degree providing considerable savings in time and money.

Career Technical Education Pathways (CTE)

- Over 40 pathways in business, education, engineering and trades, information and digital technology, public safety, science, and transportation prepare students for the workplace.
- Credentials are state or industry recognized and provide high school students with the academic and technical skills, knowledge, and training necessary to succeed in future careers and to become lifelong learners.

Qualified high school students may choose:

- A College Transfer Pathway or a Career and Technical Education Pathway
- A College Transfer Pathway and a Career and Technical Education Pathway
- Two Career and Technical Education Pathways

COLLEGE TRANSFER PATHWAYS

Career & Technical EDUCATION

REQUIREMENTS

The Career & Technical Education pathways provide high school students with the academic and technical skills, knowledge and training necessary to succeed in future careers and to become lifelong learners.

The pathways in this booklet provide tuition-free course credits toward a certificate, diploma, or state or industry recognized workforce credential in a technical career.

These pathways are great if you are looking for a credential that will lead directly into the workforce or give you skills to work while you continue with your education. Forsyth Tech has over 40 CTE pathways to choose from.

Juniors and Seniors

To be eligible for enrollment, a high school student must meet one of the following criteria:

- A. Be a high school junior or senior as of the first day of the applicable term **and**
 - Have an unweighted, cumulative GPA of 2.8 or higher on high school courses, **or**
 - Demonstrate college readiness in English, reading and mathematics on an assessment, **or**
 - Have the recommendation of the high school principal **or** his/her designee and his/her rationale for recommendation in place of GPA requirement (assessment scores should be considered) **and** have the recommendation of the college's Chief Student Success and Strategic Innovation Officer.

A recommendation for eligibility will not be permitted for CTE pathways that include UGETC (Universal General Education Transfer Component) course(s).

If a CTE pathway contains a UGETC (Universal General Education Component) course, the student must meet the same eligibility criteria as a College Transfer Pathway student.

High school counselors should consider students' assessment scores in making pathway recommendations.

Freshmen and Sophomores:

High school freshmen and sophomores may **only** enroll in engineering technologies, industrial technologies, agriculture and natural resources, transportation, construction and business certificate and diploma programs.

To be eligible for enrollment, a high school student must meet one of the following criteria:

- A. Be a high school freshman or sophomore as of the first day of the applicable term, **and**
 - Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) and rationale for recommendation, **and**
 - Have the recommendation of the college's Chief Student Success and Strategic Innovation Officer, **and**
 - Passed Math I with a grade of C or better, **and**
 - Scored a 3, 4, or 5 on the End of Course assessment (EOC) for Math I, **and** Scored a 3, 4, or 5 on the 8th grade End of Grade ELA assessment,**OR**
- B. Be a high school freshman or sophomore as of the first day of the applicable term, **and**
 - Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) **and** rationale for recommendation, **and**
 - Have the recommendation of the college's Chief Student Success and Strategic Innovation Officer, **and**
 - Demonstrate college readiness in English, reading and mathematics on an assessment (See page 4 college readiness scores)

Freshmen and Sophomores **may not enroll** in any CTE pathways that contain UGETC (Universal General Education Transfer Component) courses.

If a CTE Pathway contains a UGETC (Universal General Education Component) course, the student must meet the same eligibility criteria as a College Transfer Pathway student.

High school counselors should consider students' assessment scores in making pathway recommendations.

STEPS TO ENROLL

Steps to Apply

1. Student attends an information session (in person or virtual).
2. Student completes online application: www.forsythtech.edu/ccp
3. High school principal or designee submits:
High School Agreement Form and High School Transcript.

OR

Homeschool administration submits High School Agreement Form, High School Transcript, and NC Homeschool Registration Record.

Steps to Enroll

1. Student participates in advising session with high school advisor and selects courses.
2. High school advisor registers student for courses.

Steps to Succeed

1. Student attends a required New Student Orientation.
2. Student sets up TechLink account and learns how to use the college information and learning systems: Navigate, BlackBoard, course catalog.
3. Student reads course syllabus, makes note of deadlines, and reads Forsyth Tech email daily.
4. Student keeps up with course work and maintains regular communication with instructor(s) and high school advisor.
5. Student uses college resources: tutoring, counseling, accessibility office, Forsyth Tech Cares, among others.
