

# IET and IELCE Spring 2024 Classes

These classes are for Levels 4-6 ESL Students. If you have questions about any of the courses below, please contact Angela Hunt by email: [anhunt@forsythtech.edu](mailto:anhunt@forsythtech.edu) OR by phone: 336-734-7774

## Intro to Health Sciences

*Explore entry-level healthcare fields such as CNA, EMT, and medical assisting and learn general medical vocabulary to discover if a career in health sciences is right for you!*

Mondays & Wednesdays 6:00-9:00pm // Dates: Jan. 22, 2024 – March 13, 2024

Free course, Registration: <https://forms.office.com/r/CNFKzAWhqF>

Instructor: Dr. Gus Solis

## Entrepreneurship

*Have you thought about starting your own small business? Learn the basics about marketing, finances, and creating your own business plan.*

Mondays and Wednesdays 6:00-8:30pm // Dates: Jan. 22, 2024 – Feb. 28, 2024

Free course, Registration: <https://forms.office.com/r/T6zs81Dww6>

## EDU 119

*In just one course, learn how to teach preschool children and apply for credentials to teach in North Carolina childcare facilities*

Mon 6:00-7:45pm, Tues 6:00-8:00pm // Dates: March 11, 2024 – May 3, 2024

Cost: Estimated \$408 (with in-state tuition)

Instructor: Stephanie Lackey, Angela Hunt

Begin Application Process here: <https://www.forsythtech.edu/students/apply/steps-to-apply/>

## Pesticide and Landscaping

*In 4 weeks, you will receive language support along with workforce preparation and knowledge from specialists about shrubs and ornamentals, turf grass, insects, and more. We will prepare you to take the pesticide exams that are required to apply chemicals on a customer's lawn.*

Mondays and Wednesdays 6:00-8:00pm // Dates: February 5, 2024 – March 13, 2024

Cost: \$75

Registration: <https://forms.gle/hcTPrJV5LBPYnx4R9>

## Facility Maintenance

*Facility maintenance technicians have the skills to do maintenance and make repairs that are routinely needed in commercial facilities and residential structures. In this course you will learn various technical skills that include Carpentry, Electrical, HVAC, Plumbing, OSHA Safety, and HRD skills.*

MTWTF 8:30 – 12:30pm // Dates: Jan 8, 2024 – April 9, 2024
