

**INTERVENTIONAL CARDIAC &
VASCULAR TECHNOLOGY (ICVT)
MINIMUM ADMISSION REQUIREMENTS (MAR)**

MAR Application Deadline

Fall 2027: March 15, 2027

Interventional Cardiac and Vascular Technology (ICVT) is a two-year Associate degree program with a new class of students beginning in the fall of each year.

10 Applicants are accepted each fall semester.

One seat is reserved for graduating high school seniors. See High School Seniors on page 8.

You must meet the minimum requirements to apply. Meeting minimum requirements does **not** guarantee admission.

You may apply for a maximum of three selective admissions programs at the same time and must review the MAR packet for each program to confirm that you meet each program's requirements.

Application Checklist

The following items must be completed to apply to the ICVT Program:

☐	Submit the Forsyth Tech Application
☐	Submit Official Transcripts
☐	Meet Minimum Requirements for English, Math, and Biology
☐	Complete All Related Courses (highly recommended, but Optional)
☐	Complete the TEAS Exam
☐	Submit the MAR Application

Step 1 – Submit the Forsyth Tech Application

You must [apply](#) if you are a new student.

Keep in mind you need to apply a few days before the deadline to allow time for application processing and creation of your Forsyth Tech account, which is required to submit a MAR application.

You must [apply](#) if you are a former student and it has been over a year since you last applied to or were enrolled at Forsyth Tech.

You do not need to apply if you are a currently enrolled student.

Step 2 – Submit Official Transcripts

You must submit:

- Official high school or GED transcript for placement requirements
- Official college transcripts for related courses
 - Undergraduate courses only; no graduate-level courses
- Official AP scores from the College Board, if applicable

There are three options for submitting transcripts:

1. Submit transcripts electronically via a secure service by emailing admissions@forsythtech.edu
2. Drop off paper transcripts in a sealed envelope to the Admissions and Records Office on Main Campus
3. Mail transcripts to the following address:
Forsyth Technical Community College
ATTN: Admissions
2100 Silas Creek Pkwy
Winston-Salem NC 27103-5197

Step 3 – Meet Minimum Requirements for English, Math, and Biology

You must demonstrate college-readiness in English and math through one of the following methods:

College English Readiness	College Math Readiness
Completed or received transfer credit for ENG-111	Completed or received transfer credit for MAT-143, MAT-152, MAT-171, or higher
Completed or received non-course credit for ENG-011 or ENG-045	Completed or received non-course credit for MAT-043 or MAT-045Q
Earned an associate or bachelor's degree from a regionally accredited institution	
Graduated from a US high school with an unweighted GPA of 2.4 or higher	
Completed a placement test with appropriate scores. <i>If the placement test was completed at a different college, you are required to submit those scores to Forsyth Tech's Admissions and Records Office.</i>	

You must demonstrate biology competency through one of the following methods:

Biology Competency
Completed college-level BIO course with a grade of C or better
Completed high school-level BIO course with a grade of D or better

If you are uncertain whether you meet any of these requirements, you must consult with your assigned advisor prior to submitting your MAR application.

Step 4 – Complete Related Courses

Completing related courses before applying is not mandatory but is strongly recommended for a competitive rank.

Related courses must be completed with a grade of C or better to earn points. If a course is repeated, the highest grade earned will be accepted.

Related Courses	Course Names	Credit Hours
BIO-168 or BIO-165*	Anatomy & Physiology I	4
BIO-169 or BIO-166*	Anatomy & Physiology II	4
ENG-111	Writing and Inquiry	3
ENG-112^	Writing/Research in the Disc	3
PSY-150*	General Psychology	3
HUM-115 or PHI-240†	Various	3

**BIO-165 and BIO-166 must be completed at the same institution to transfer. There is no age limitation on anatomy and physiology courses.*

^ ENG-112 is the preferred second ENG option, but ENG-114 or COM-231 is accepted.

**PSY-150 is the preferred Social/Behavioral Science; PSY-118 is accepted; however, it is not covered by financial aid under A10100HT Associate in Arts- Health Track.*

†HUM-115 or PHI-240 are the preferred Humanities/Fine Arts options, but other courses may be accepted such as ART-111, ENG-231, ENG-232, HUM-110, HUM-120, MUS-110, PHI-215 or REL-111.

Points are assigned for grades as follows: A = 4 points; B = 3 points; C = 2 points.

Points are assigned for AP credit as follows: 5 = 4 points; 4 = 3 points; 3 = 2 points.

Points from grades and/or AP credit are multiplied by the course's credit hours (*see table above*).

Points will also be awarded for eligible certifications and activities completed:

- 5 points: Current Certified Emergency Medical Technician (EMT)
- 2 points: Current Licensed CNA II
- 2 points: Current American Heart Association Basic Life Support (BLS) – Healthcare Provider certification
- 5 points (highly recommended): Watch the diagnostic heart catheterization video and complete the assessment.

Points from all related courses, eligible certifications, and activities will be combined with your overall TEAS score to determine your total points for admission ranking.

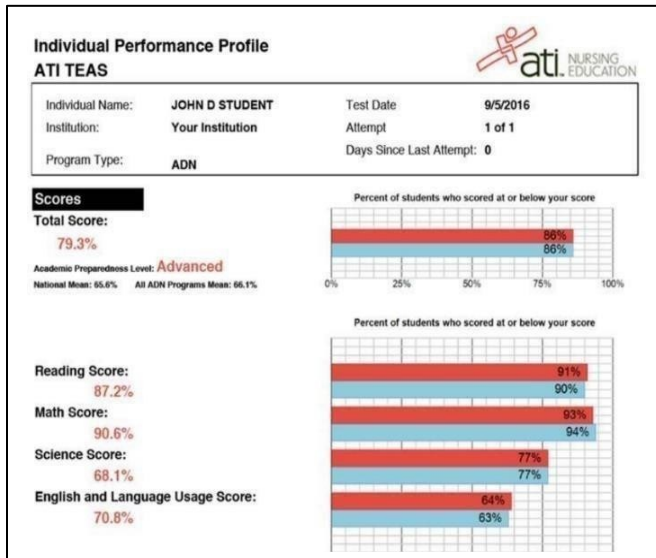

Step 5 – Complete the Test of Essential Academic Skills (TEAS Exam)

Click [HERE](#) to read about the TEAS and schedule your test.

You must achieve a score of **70% or higher**. **TEAS scores must remain valid through the deadline.**

Download your Individual Performance Profile (*see example below*). This report includes scores for all four test sections (Reading, Math, Science, and English Language Usage) and your overall score.

Attach a copy of the report to your MAR application.

TEAS tests taken at Forsyth Tech are not automatically submitted and must still be uploaded with the MAR application. **Preliminary scores will not be accepted.**

Step 6 – Submit the MAR Application

Use the links below to submit your MAR application and other documentation.

Link to Application	Opens	Closes
Fall 2027 MAR Application	January 15, 2027	March 15, 2027
High School Senior Application for Fall 2027 Admission	January 15, 2027	March 15, 2027

You must include all required documentation in your application.

After you've submitted your MAR application, you will be added to the MAR review list.

Your paperwork will be sent to your Forsyth Tech email after your MAR application has been reviewed. The review process runs continuously throughout the application period and may continue for up to a few weeks after the deadline. Please be patient and do not expect immediate notification.

How You Are Ranked for Admission:

- Your overall TEAS score is combined with points earned from relevant coursework and any additional optional points to calculate your total admission score.
 - To estimate your admission points, use the [MAR calculator](#).
Note: This calculator is intended only as an estimation tool and is not officially connected to the MAR review process.
- In the event of a tie, the applicant with the highest score on the science portion of the TEAS will be ranked higher
- Applicants with the highest admission points will be offered a seat in the program

Within six weeks after the deadline, you will be notified of your status: admitted, alternate, or not admitted.

If you are admitted to the program, then your admission letter will include further detailed instructions. Be sure to meet all deadlines and requirements outlined in the letter to secure your spot in the program.

If you are placed on the alternate list, you will be contacted by phone or via your Forsyth Tech email if a seat becomes available.

If you are not admitted, then you must submit a new MAR application for future consideration.

Accepted Student Data from the Previous 3 years

Please note that this data is provided for informational purposes only. Points and criteria may differ from year to year. It is advisable for students to aim to accumulate as many points as possible to remain competitive.

Year	Number of Qualified Applicants	Point Range of Accepted Students
2026	Fall: 9	103.7 – 150.3
2025	Fall: 19	136.3 – 171.8
2024	Fall: 9	94 – 143.3

Additional Requirements for Admitted Students

Before the first day of the semester, students admitted into the program must:

- Hold a current, valid EMT certification or alternative certification (see below)
- Have current American Heart Association Basic Life Support CPR certification by July 1, 2027

It is highly recommended to begin working toward these certifications prior to acceptance into the ICVT program. EMT and CPR courses fill up quickly.

All admitted students must provide the necessary documentation to the Interventional and Advanced Modalities Program Coordinator, LeAnn Scruggs, at lsruggs@forsythtech.edu by the deadline outlined in the admission letter to verify the completion of these requirements. Failure to fulfill the requirements by the deadline may result in your seat being forfeited.

Click [HERE](#) for information about Forsyth Tech's EMT, CNA II, and CPR courses.

We accept the following alternative certifications:

- Certified Nursing Assistant II
- Paramedic
- Military Corpsman

If you are unable to complete these requirements by the deadline, or If you have questions regarding these requirements, please contact the Interventional and Advanced Modalities Program Coordinator, LeAnn Scruggs at lsruggs@forsythtech.edu .

Technical Standards

The Health Sciences Division Technical Standards are not inclusive; however, they provide prospective students with an understanding of the programs' physical and emotional demands. The functions are considered essential requirements for admission, retention, and graduation, as they ensure that students receive safe, competent, and effective treatment interventions. Accepted students will be asked to acknowledge their ability to meet these technical standards. Click [HERE](#) to review the technical standards.

High School Seniors

1. Submit the Forsyth Tech General Application, and follow steps 3-5
2. Submit your high school transcripts to the Admissions and Records Office **AFTER** your first semester grades (Jan/Feb) are posted and **PRIOR** to submitting the MAR application.

Ranking

Currently enrolled high school applicants will only compete with other high school applicants.

Ranking is based on points awarded for grades in the specific high school courses listed below, cumulative weighted GPA, and overall TEAS score.

- Algebra II/Math 3
- Anatomy and Physiology
- Biology
- Chemistry
- English 3
- Health Science/Health Occupations/Medical

Course grades are valued as follows:

- Honors/AP Courses: A = 5 points, B = 4 points, C = 3 points
- Standard Courses: A = 4 points, B = 3 points, C = 2 points

Selection

- The **one** senior with the highest-ranked scores will be admitted in the fall semester.
- In the event of a tie, the applicant with the highest score on the science portion of the TEAS will be ranked higher
- Selected students are contacted via Forsyth Tech email.
