

PRACTICAL NURSING

MINIMUM ADMISSION REQUIREMENTS (MAR)

MAR Application Deadline

Fall 2027: March 15, 2027

Practical Nursing is a competitive admission, 1-year diploma program.

Up to 80 students are admitted each fall semester.

- 56 seats for the Main Campus program
- 24 seats for the Stokes Campus evening and weekend program

**One seat is reserved for graduating high school seniors. See High School Seniors on page 8.*

You must meet the minimum requirements to apply. Meeting minimum requirements does **not** guarantee admission.

You may apply for a maximum of three selective admissions programs at the same time and must review the MAR packet for each program to confirm that you meet each program's requirements.

Application Checklist

The following items must be completed to apply to the Practical Nursing Program:

☐	Submit the Forsyth Tech Application
☐	Submit Official Transcripts
☐	Meet Minimum Requirements for English, Math, and Biology
☐	Complete All Related Courses (Recommended, but Optional)
☐	Complete the TEAS Exam
☐	Submit the MAR Application

Step 1 - Submit the Forsyth Tech Application

You must [apply](#) if you are a new student.

Keep in mind you need to apply a few days before the deadline to allow time for application processing and creation of your Forsyth Tech account, which is required to submit a MAR application.

You must [apply](#) if you are a former student and it has been over a year since you last applied to or were enrolled at Forsyth Tech.

You do not need to apply if you are a currently enrolled student.

Step 2 - Submit Official Transcripts

You must submit:

- Official high school or GED transcript for placement requirements
- Official college transcripts for related courses
 - Undergraduate courses only; no graduate-level courses
- Official AP scores from the College Board, if applicable

There are three options for submitting transcripts:

1. Submit transcripts electronically via a secure service by emailing admissions@forsythtech.edu
2. Drop off paper transcripts in a sealed envelope to the Admissions and Records Office on Main Campus
3. Mail transcripts to the following address:
Forsyth Technical Community College
ATTN: Admissions
2100 Silas Creek Pkwy
Winston-Salem NC 27103-5197

Step 3 - Meet Minimum Requirements for English, Math, and Biology

You must demonstrate college-readiness in English and math through one of the following methods:

College English Readiness	College Math Readiness
Completed or received transfer credit for ENG-111	Completed or received transfer credit for MAT-143, MAT-152, MAT-171, or higher
Completed or received non-course credit for ENG-011 or ENG-045	Completed or received non-course credit for MAT-043 or MAT-045Q
Earned an associate or bachelor's degree from a regionally accredited institution	
Graduated from a US high school with an unweighted GPA of 2.4 or higher	
Completed a placement test with appropriate scores. <i>If the placement test was completed at a different college, you are required to submit those scores to Forsyth Tech's Admissions and Records Office.</i>	

You must demonstrate biology competency through one of the following methods:

Biology Competency
Completed college-level BIO course with a grade of C or better
Completed high school-level BIO course with a grade of D or better

If you are uncertain whether you meet any of these requirements, you must consult with your assigned advisor prior to submitting your MAR application.

Step 4 - Complete Related Courses

Completing related courses before applying is not mandatory but is strongly recommended for a competitive rank.

Related courses must be completed with a grade of C or better to receive points. If a course is repeated, the highest grade earned will be accepted.

Related Courses	Course Names	Credit Hours
BIO-163 or *BIO-168 & BIO-169	Basic Anatomy & Physiology	5
ENG-111	Writing and Inquiry	3
PSY-150	General Psychology	3

**BIO-163 is the preferred course, but alternate options will be accepted. BIO-165 and BIO-166 must be completed at the same institution to transfer. There is no age limitation on BIO-163, BIO-165/166 or BIO-168/169.*

Applicants are ranked using a points system based on grades in related courses completed by the application deadline and TEAS scores.

Points are assigned for grades as follows: A = 4 points; B = 3 points; C = 2 points.

Points are assigned for AP credit as follows: 5 = 4 points; 4 = 3 points; 3 = 2 points.

Points from grades and/or AP credit are multiplied by the course's credit hours (*see table above*).

Points from all related courses are added together with your overall TEAS score to get your admissions rank.

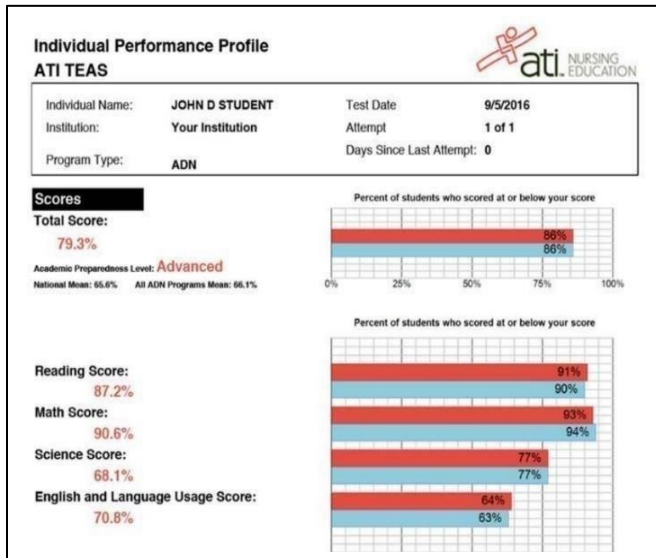

Step 5 - Complete the Test of Essential Academic Skills (TEAS Exam)

Click [HERE](#) to read about the TEAS and schedule your test.

You must achieve a score of **42% or higher**. **TEAS scores must remain valid through the deadline.**

Download your Individual Performance Profile (*see example below*). This report includes scores for all four test sections (Reading, Math, Science, and English Language Usage) and your overall score.

Attach a copy of the report to your MAR application.

TEAS tests taken at Forsyth Tech are not automatically submitted and must still be uploaded with the MAR application. **Preliminary scores will not be accepted.**

Step 6 - Submit the MAR Application

Use the links below to submit your MAR application and other documentation.

Application Link	Opens	Closes
Fall 2027 MAR Application	January 15, 2027	March 15, 2027
High School Senior MAR Application	January 15, 2027	March 15, 2027

You must include all required documentation in your application.

After you've submitted your MAR application, you will be added to the MAR review list.

Your paperwork will be sent to your Forsyth Tech email after your MAR application has been reviewed. The review process runs continuously throughout the application period and may continue for up to a few weeks after the deadline. Please be patient and do not expect immediate notification.

How You Are Ranked for Admission:

- Your overall TEAS score is added to points earned from related coursework to determine your admission points
 - To estimate your admission points, use the [MAR calculator](#).
Note: This calculator is intended only as an estimation tool and is not officially connected to the MAR review process.
- Admissions points are not awarded for CNA and CPR certifications
- In the event of a tie, the applicant with the highest score on the science portion of the TEAS will be ranked higher
- Applicants with the highest admission points will be offered a seat in the program

Within six weeks after the deadline, you will be notified of your status: admitted, alternate, or not admitted.

If you are accepted into the program, your admission letter will provide additional detailed instructions. Please ensure that you meet all deadlines and requirements outlined in the letter to secure your place in the program.

If you are placed on the alternate list, you will be contacted by phone or via your Forsyth Tech email if a seat becomes available.

If you are not admitted, then you must submit a new MAR application for future consideration.

Accepted Student Data from the Previous 3 years

Please note that this data is provided for informational purposes only. Points and criteria may differ from year to year. It is advisable for students to aim to accumulate as many points as possible to remain competitive.

Year	Number of Qualified Applicants	Point Range of Accepted Students-Main	Point Range of Accepted Students-Stokes
2026	398	116 - 138	106.7 - 135.7
2025	375	113.3 - 136.7	105 - 130
2024	250	102.5 - 131.7	94 - 124

Additional Requirements for Admitted Students

Medical Training Certification

Students admitted into the program must:

- Complete and pass a North Carolina state-approved Certified Nursing Assistant I course.
- Have current listing on the North Carolina Nurse Aide I Registry by program deadline.
- Have current American Heart Association Basic Life Support CPR certification by May 1.

It is highly recommended to begin working toward these certifications prior to acceptance into the nursing program. NA1 and CPR courses fill up quickly.

All admitted students must provide the necessary documentation to the Nursing Department by the deadline outlined in the admission letter to verify the completion of these requirements. Failure to fulfill the requirements by the deadline may result in your seat being forfeited.

Click [HERE](#) for the list of NC state-approved programs. Click [HERE](#) for information about Forsyth Tech's NA1 and CPR courses.

An NA1 course is typically 12-16 weeks long, and there is a waiting period after completing the course before you can schedule your certification exam. Challenging the exam is not permitted.

We accept the following alternative certifications:

- Certified Nursing Assistant II
- Certified Medical Assistant (CMA), CCMA is not accepted.
- Emergency Medical Technician (EMT B or I)
- Paramedic
- Military Corpsman

Technical Standards

The Health Sciences Division Technical Standards are not inclusive; however, they provide prospective students with an understanding of the programs' physical and emotional demands. The functions are considered essential requirements for admission, retention, and graduation, as they ensure that students receive safe, competent, and effective treatment interventions. Accepted students will be asked to acknowledge their ability to meet these technical standards. Click [HERE](#) to review the technical standards.

High School Seniors

1. Submit the Forsyth Tech General Application, and follow steps 3-5
2. Submit your high school transcripts to the Admissions and Records Office **AFTER** your first semester grades (Jan/Feb) are posted and **PRIOR** to submitting the MAR application.

Ranking

Currently enrolled high school applicants will only compete with other high school applicants.

Ranking is based on points awarded for grades in the specific high school courses listed below, cumulative weighted GPA, and overall TEAS score.

- Algebra II/Math 3
- Anatomy and Physiology
- Biology
- Chemistry
- English 3
- Health Science/Health Occupations/Medical

Course grades are valued as follows:

- Honors/AP Courses: A = 5 points, B = 4 points, C = 3 points
- Standard Courses: A = 4 points, B = 3 points, C = 2 points

Selection

- **One** senior with the highest-ranked scores will be admitted in the fall semester.
- In the event of a tie, the applicant with the highest score on the science portion of the TEAS will be ranked higher
- Selected students are contacted via Forsyth Tech email.

Additional Practical Nursing Program Fees

These fees are in addition to tuition, labs, and books.

Expense	Estimated Cost	Estimated Due Date
COMPLIO-Background & Drug Screening	\$115.00 - \$175.00	Early May
Malpractice Insurance	\$18.00	August 1
CPR	\$43.00 - \$70.00	Early May
Uniforms	\$80.00	Early August
TB Test, Immunizations, Physical	Varies	Early May
Trajecsyst	\$100	August 15
