

RADIATION THERAPY-ADVANCED PLACEMENT MINIMUM ADMISSION REQUIREMENTS (MAR)

MAR Application Deadline

Fall 2027: March 15, 2027

Radiation Therapy - Advanced Placement curriculum is a three-semester associate degree program. Resources, including clinical facilities, faculty, and approval standards, govern the number of students admitted to the program. Requests for advanced placement **are considered at the discretion of the program coordinator each fall term**. Applicants for the Radiation Therapy – Advanced Placement program **must be graduates or currently enrolled graduating seniors (i.e., completing the final semester) of a JRCERT-accredited Radiography program to meet eligibility requirements**.

You must meet the minimum requirements to apply. Meeting minimum requirements does **not** guarantee admission.

You may apply for a maximum of three selective admissions programs at the same time and must review the MAR packet for each program to confirm that you meet each program's requirements.

Application Checklist

The following items must be completed to apply to the Radiation Therapy- AP Program:

☐	Submit the Forsyth Tech Application
☐	Submit Official Transcripts
☐	Meet Minimum Requirements for English, Math, and Biology
☐	Complete All Related Courses
☐	Submit the MAR Application

Step 1 - Submit the Forsyth Tech Application

You must [apply](#) if you are a new student.

Keep in mind you need to apply a few days before the deadline to allow time for application processing and creation of your Forsyth Tech account, which is required to submit a MAR application.

You must [apply](#) if you are a former student and it has been over a year since you last applied to or were enrolled at Forsyth Tech.

You do not need to apply if you are a currently enrolled student.

Step 2 - Submit Official Transcripts

You must submit:

- Official high school or GED transcript for placement requirements
- Official college transcripts for related courses
 - Undergraduate courses only; no graduate-level courses
- Official AP scores from the College Board, if applicable
- Hospital-based transcripts must report the final cumulative GPA on a 1.0 – 4.0 scale.

There are three options for submitting transcripts:

1. Submit transcripts electronically via a secure service by emailing admissions@forsythtech.edu
2. Drop off paper transcripts in a sealed envelope to the Admissions and Records Office on Main Campus
3. Mail transcripts to the following address:
Forsyth Technical Community College
ATTN: Admissions
2100 Silas Creek Pkwy
Winston-Salem NC 27103-5197

Step 3 - Meet Minimum Requirements for English, Math, and Biology

You must demonstrate college-readiness in English and math through one of the following methods:

College English Readiness	College Math Readiness
Completed or received transfer credit for ENG-111	Completed or received transfer credit for MAT-121, MAT-171, or higher
Completed or received non-course credit for ENG-011 or ENG-045	Completed or received non-course credit for MAT-045A or MAT-045P
Earned an associate or bachelor's degree from a regionally accredited institution	
Graduated from a US high school with an unweighted GPA of 2.4 or higher	
Completed a placement test with appropriate scores. <i>If the placement test was completed at a different college, you are required to submit those scores to Forsyth Tech's Admissions and Records Office.</i>	

You must demonstrate biology competency through one of the following methods:

Biology Competency
Completed college-level BIO course with a grade of C or better
Completed high school-level BIO course with a grade of D or better

If you are uncertain whether you meet any of these requirements, you must consult with your assigned advisor prior to submitting your MAR application.

Step 4 - Complete Related Courses

Completing related courses before applying is not mandatory but is strongly recommended for a competitive rank.

Related courses must be completed with a grade of C or better to receive points. If a course is repeated, the highest grade earned will be accepted.

Related Courses	Course Names	Credit Hours
BIO-163*	Basic Anatomy & Physiology	5
ENG-111	Writing and Inquiry	3
COM-231 or ENG-115 [^] #	Public Speaking or Communications	3
PSY-150 or PSY-118 [^]	General Psychology or Interpersonal Psychology	3
MAT-171 or higher	Precalculus Algebra	3
Humanities/Fine Arts [†]	Various	3

**BIO-168 & BIO-169 or BIO-165 & BIO-166 are also accepted. However, BIO-165 & BIO-166 must be completed at the same institution to transfer. There is no age limitation on BIO-163, BIO-165/166, or BIO-168/169.*

[^]PSY-118 and ENG-115 are accepted; however, they may not be financial aid eligible under the A10100HT AA-Health Tech program pathway.

#COM-120 and COM-110 are also accepted as the communication requirement.

[†]HUM-115 or PHI-240 are the preferred Humanities/Fine Arts options, but other courses may be accepted, such as ART-111, ENG-231, ENG-232, HUM-110, HUM-120, MUS-110, PHI-215, or REL-111.

Applicants are ranked using a points system based on grades in related courses completed by the application deadline.

Points are assigned for grades as follows: A = 4 points; B = 3 points; C = 2 points.

Points are assigned for AP credit as follows: 5 = 4 points; 4 = 3 points; 3 = 2 points.

Points from grades and/or AP credit are multiplied by the course's credit hours (*see table above*).

Points from all related courses are added together to get your admissions rank.

Step 5 - Education or Registry Listing

Applicants must have successfully completed a JRCERT-accredited Radiography program or be currently enrolled graduating seniors (i.e., completing the final semester) of a JRCERT-accredited Radiography program.

Individuals with a current American Registry of Radiologic Technologists certification in good standing can receive prior learning credit for RTT-120, RTT-130, RTT-151, and RTT-161.

Step 6 - Submit the MAR Application

Use the links below to submit your MAR application and other documentation.

Application Link	Opens	Closes
Fall 2027 MAR Application	January 15, 2027	March 15, 2027

You must include all required documentation in your application.

After you've submitted your MAR application, you will be added to the MAR review list.

Your paperwork will be sent to your Forsyth Tech email after your MAR application has been reviewed. The review process runs continuously throughout the application period and may continue for up to a few weeks after the deadline. Please be patient and do not expect immediate notification.

How You Are Ranked for Admission:

- Your overall points earned from related coursework to determine your admission points
 - To estimate your admission points, use the [MAR calculator](#).
Note: This calculator is intended only as an estimation tool and is not officially connected to the MAR review process.
- Admissions points are not awarded for CPR certification
- In the event of a tie, the applicant with the highest GPA will be ranked higher
- Applicants with the highest admission points will be offered a seat in the program

Within six weeks after the deadline, you will be notified of your status: admitted, alternate, or not admitted.

If you are admitted to the program, then your admission letter will include further detailed instructions. Be sure to meet all deadlines and requirements outlined in the letter to secure your spot in the program.

If you are placed on the alternate list, you will be contacted by phone or via your Forsyth Tech email if a seat becomes available.

If you are not admitted, then you must submit a new MAR application for future consideration.

Accepted Student Data from the Previous 3 years

Please note that this data is provided for informational purposes only. Points and criteria may differ from year to year. It is advisable for students to aim to accumulate as many points as possible to remain competitive.

Year	Number of Qualified Applicants	Point Range of Accepted Students
2026	11	79 -84
2025	6	84
2024	8	81.5

Technical Standards

The Health Sciences Division Technical Standards are not inclusive; however, they provide prospective students with an understanding of the programs' physical and emotional demands. The functions are considered essential requirements for admission, retention, and graduation, as they ensure that students receive safe, competent, and effective treatment interventions. Accepted students will be asked to acknowledge their ability to meet these technical standards. Click [HERE](#) to review the technical standards.
